EDWARD ABBOT	1969
DONALD MAKI	1970

**Civil Defense**

ROLAND E. PARKER, JR.

“If you want to kill your town,  
Try to ‘knock’ the people down  
If they don’t agree with you,  
Knock the thing they try to do.  
If again they dare to try,  
Stand and laugh as they pass by.  
And when you’ve done the things I’ve said,  
Tell your friends, your town is dead.”

## TOWN WARRANT

### The State of New Hampshire

To the Inhabitants of the Town of Lyndeborough  
in the county of Hillsborough in said state,  
qualified to vote in Town Affairs:

You are hereby notified to meet at Citizens Hall  
in said Lyndeborough on Tuesday, the 8th day of  
March next at one o'clock in the afternoon to act upon  
the following subjects:

**Polls open from 1:00 to 6:00 P. M.**

**Articles voted upon at 7:30 P. M.**

1. To choose all necessary Town Officers for the  
year ensuing.

2. To raise such sums of money as may be  
necessary to defray town charges for the ensuing year  
and make appropriations of the same, namely: Town  
officers' salaries, Town officers' expenses, Election and  
registration expenses, Expenses of Town Hall and  
other buildings, Police department, Fire department,  
Health department, Vital statistics, Insurance, Town  
maintenance of highways and bridges, Street lighting,  
General expenses of the Highway department, High-  
way equipment, Town Road aid, Libraries, Town  
Welfare, Old age assistance, Memorial Day, Parks and  
playgrounds, Cemeteries, Interest on temporary and  
long term loans, Payments on notes in anticipation of  
Taxes, Long term notes and County taxes.

3. To see if the Town will vote to authorize the  
Selectmen and the Town Treasurer to borrow sums  
of money in anticipation of taxes.

4. To hear reports of all committees or take any vote relative thereto.

5. To see what action the town will take in regard to real estate taken over by the Town for non-payment of taxes.

6. To see if the Town will vote to raise and appropriate the sum of \$125.00 for re-check on Pine Blister Rust.

7. To see if the Town will vote to raise and appropriate an additional \$400.00 for the Youth Center.

8. To see if the Town will vote to purchase a truck for the highway department at a cost not to exceed \$6,000.00. Such amount shall be amortized by charging for service against highway department as would be charged if hired; and the Highway Committee shall work with the Selectmen and Road Agent to purchase truck, set price scale per hour for truck, set department wages or take any action relating thereto.

9. To see if the Town will vote to purchase a tractor and equipment for the highway department at a cost not to exceed \$8,000.00, to be paid for by serial notes and bonds in accordance with the terms of New Hampshire Revised Statutes or any amendment thereto. Said tractor to be purchased by the Highway Committee, Selectmen and Road Agent. Said serial notes and bonds to be obtained at such rates of interest and terms of payment thereof as may be in the best interest of the Town, or take any action relating thereto.

10 To see if the Town will vote to accept the budget as prepared by the Budget Committee or make any alterations thereto.

11. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 21st day of February, in the year of our Lord nineteen hundred and sixty-six.

E. GEORGE WARREN,  
THEODORE D. ROCCA,  
A. A. BYAM  
Selectmen of Lyndeborough

A true copy of Warrant—Attest:

E. GEORGE WARREN,  
THEODORE D. ROCCA,  
A. A. BYAM  
Selectmen of Lyndeborough

## ROAD AGENT'S REPORT

This past year was a progressive one. Our TRA project went well and we completed six-tenths of a mile. This money being spent in the Johnson Corner part of town.

Our tarring consisted of finishing the mountain road and also sealing our new TRA project. We also tarred Kinnvall's road, Pettingill's Hill road, Edward Schmidt Hill and the street by the church. About four miles total.

Our Duncan money was used in graveling from Walter Foster's to the Swiss Tool and Die Co., about 2½ miles. Also Purgatory road which is about ½ mile.

We replaced a large culvert on what is known as the school house road in "Doc" Cook's area. The culvert was smashed by heavy equipment working on the flood control dam.

We also replaced several other stone culverts with metal pipe. During the summer months we put in over 100 new culvert posts or markers.

You will find in your town report, a report on the roads, equipment needs etc. made by the road study committee.

Again I thank everyone for their cooperation.

CLAYTON S. BROWN,  
Road Agent

## REPORT OF HIGHWAY COMMITTEE

The Committee is in unanimous agreement that the town should own their own truck. We feel that an appropriation of six thousand dollars should be made at the Town Meeting to buy a truck that would be the most suitable for the winter plowing and summer maintenance.

We feel that the voters should decide whether or not another appropriation of eight thousand should be made to purchase a tractor for plowing snow, loading and general maintenance. The need for such a piece of equipment is definitely there but we felt that the voters should make the decision.

The Town could save a substantial sum of money by having their own one thousand Gallon Gasoline tank and a pump. With this size tank we could buy gas at the State of N. H. price of eleven or twelve cents a gallon. This saving would also include the necessary greases and oils for town owned equipment.

Respectfully submitted,

JOSEPH H. FAY, JR.

## AUDITORS' REPORT

The books of the following town officers have been audited: Tax Collector, Treasurer, Town Clerk, Selectmen, Road Agent, Trustee of Cemeteries, Trustee of Trust Funds and Trustees of the Library.

The receipts and payments of these accounts for the year ending December 31, 1965 were found to be correct and in order, to the best of our knowledge.

Respectfully submitted,

MARION B. SIGGENS,  
CHARLES F. WILCOX,  
Auditors.

February 11, 1966

## REPORT OF LIBRARY TRUSTEES

The Trustees of the Library wish to express their thanks to the Lyndeborough Improvement Society for the new oil furnace in the Library. Also wish to thank the townspeople for attending and contributing to the various fund raising projects sponsored by the Society for this purpose.

BARBARA SHINN,  
BESSIE D. HOLT,  
EDITH D. ROSS,  
Trustees

## LIBRARIAN'S REPORT

To the Citizens of Lyndeborough:

This year it was decided our library join the State-wide Library Development Program. As a result we were sent a new \$125.00 set of Encyclopedia International for the small charge of \$24.50. Our books are now ordered through a group plan with larger discount.

In April, National Library Week was observed by Mrs. Sanborn coming to show us two moving pictures. One was especially for the children and the other, a nature picture was enjoyed by the adults as well. Between pictures, stories were told by the assistant, Mrs. Hutton.

The Bookmobile has made its usual visits and its arrival looked forward to with pleasure. Mrs. Hutton is also our Bookmobile lady.

Our big news of the year is the installation of oil heat. The credit goes to the Improvement Society and the other town organizations and private gifts helping to make it possible.

Mention should be made of the excellent janitor

service given by Mr. Holt. So many spots have been shined up that have been too long neglected.

The trustees and I attended district meetings held at Milford, Amherst and Wilton.

More books were borrowed from the Bookmobile but our reading list from the library seems to have decreased. I consider this due to the fact that young people going to the Wilton school have turned more to the Wilton Library. I have also missed our school resuming their borrowing service since school began this September.

Our library hours have been from one to six on Tuesday.

Books borrowed were: Bookmobile, 461; Juvenile, 645; Non-Fiction, 606; Fiction, 1015. Twenty-four books were borrowed from the State Library on request.

Don't forget to make us a visit!

Respectfully submitted,

SABRA C. HAMEL,  
Librarian

## **FIRE CHIEF'S REPORT**

The Fire Department had a very quiet year; 1 chimney fire, 3 brush and grass fires, 1 barn and ell, 1 playhouse, 1 flooded oil burner, 1 unnecessary call to Perham Corner.

Milford, Amherst, Mont Vernon, and Wilton assisted our department at the barn fire at Speckman's, loss covered by insurance, \$30,000.00.

The department purchased 2 new raincoats, 2 new helmets, 300 feet of new 1½ inch hose, 1 used siren for the '59 Ford tanker.

The Chief wishes to thank the members of the department for their cooperation and assistance during the year.

Respectfully submitted,

EDWARD H. SCHMIDT, JR.,  
Chief

## **FIRE WARDEN'S REPORT**

One Railroad fire, one lightning fire, one fire set by children, and three other small fires were handled by the Warden and his Deputies this past year.

The cooperation of the townspeople in obtaining permits and proper burning procedures helped keep the fire incidents to a minimum.

The Warden assisted the District Chief with two railroad fires outside of town.

The new tanker on request from the State Forestry Department has not become available as yet.

97 permits issued	\$ 19 40
Training Meetings	26 40
2 checkbooks purchased	4 00
3 Fire Expenses	65 63
	-----
	\$115 43

Respectfully submitted,

EDWARD H. SCHMIDT, JR.,  
Warden

### Report of the Forest Fire Warden and District Chief

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

#### *We Must All Be Careful:*

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.

3. To safely dispose of rubbish, preferably at the town dump. If you must burn rubbish or brush:

- a. Always get a permit to burn from the warden.
- b. Start your fire late in the day after 5:00 p.m.
- c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

Fire Records for 1965:

	Fires	Acres
State	887	1,255
District	160	210½
Town	4	3

EDWARD SCHMIDT, JR.,  
Warden

WINTHROP HANNAFORD,  
District Chief

## BUILDING PERMITS ISSUED IN 1965

March 29, 1965	George A. Randlett	breezeway & garage

November 9, 1965	George R. B. and Norma Frost	garage and breezeway
November 22, 1965	J. W. Sayball	storage
November 27, 1965	Ernest W. Mayer	mobile home

## **REPORT OF THE BUDGET COMMITTEE**

This committee has met with the various town and school officials and has reviewed with them their budgets for the ensuing year. We as a group are trying to hold down the expenses, yet provide the services and education which is needed in today's society.

In the following sections, the budget committee has made specific comments about the increases.

### **Town Budget**

#### **Town Officers' Salaries:**

We felt that the Selectmen were underpaid for the amount of time they spent performing their duties.

#### **Election and Registration Expenses:**

Due to the fact that there are two elections this year, the appropriation had to be increased.

#### **Tractor House:**

There has to be extensive repair to this building, including shingling and painting, etc.

#### **Town Dump:**

The Wilton Selectmen notified the Town of Lyndeborough that there would be an increase in the fee for the use of their dump.

#### **Highway Tarring:**

We have raised the tarring fund because there are more tar roads that need retarring.

#### **Library:**

Part of the library still needs painting. In the past year they have installed an oil heating plant which was paid for by public spirited citizens of this Town, thus increasing the need for added funds.

#### **Old Age Assistance:**

This increase is due to more people receiving aid.

**Parks and Playgrounds:**

The Wilton Youth Club came in with a figure of \$700. Last year we appropriated \$300, and the budget committee recommended the same amount this year. However, we felt that it was up to the taxpayers to decide on the extra sum; so an article has been inserted in the warrant. We do not favor it.

**Cemeteries:**

The extra increase is for a new lawnmower.

**New Equipment Articles:**

The Highway Committee came before us with a recommendation of buying a truck for not over \$6000 by transferring the money from surplus cash. The budget committee recommends this article.

Also, there were some taxpayers who wished to purchase a tractor, so we added an article in the warrant in order that the taxpayers can decide the issue. We as a whole do not recommend this article until next year.

**School Budget****Account No. 190:**

The extra amount is for supplies and expenses.

**Account No. 200 – Instruction:**

The additional amount has been asked mainly for salaries, and the budget committee went along with the School Board's recommendations on wages.

**Account No. 400 – Health Service:**

Due to the increase of children in school, the doctor's fee for examination has risen.

**Account No. 600 – Operation of Plant:**

The salary of the janitor has been increased.

**Account No. 1477.1:**

This figure is due to a rise in tuition in both Wilton, Peterborough, and Milford.

**Account No. 1477.3 – Supervisory Union Expenses:**

This is our share of the raises given to the Supervisory Personnel.

**Account No. 1479:**

This item covers the expense of Crotched Mountain for the required children.

Respectfully submitted,

Budget Committee

EDWARD M. ABBOT, JR.

Chairman

# SCHOOL REPORTS

*for the Year Ending June 30, 1965*

## SCHOOL DISTRICT OFFICERS

	Term Expires
Moderator: Roland E. Parker, Jr.	March 1966
Clerk: Edward H. Schmidt, Jr.	March 1966

## School Board Members

Ralph Dwire, Chairman	March 1966
Nelle Broman	March 1967
Jeannette Parker (resigned)	March 1968
Gertrude Firmin (appointed to fill vacancy)	

## Superintendent of Schools

Kenneth A. Sargent, Wilton, N. H.

## Teaching Staff 1965-66

George Adams, Principal	Grades 5 & 6
(Mrs.) Pauline Brown	Teachers' Aide
(Mrs.) Marilyn Greeley	Grades 1 & 2
(Mrs.) Mildred Peters	Grades 3 & 4
(Mrs.) Isabel Nichols	Music Supervisor

## School Nurse

((Mrs.) Norma Frost, R.N.

## School Doctor

Edward Sheris, M.D.

## WARRANT FOR ANNUAL SCHOOL MEETING

### The State of New Hampshire

To the Inhabitants of the School district in the town of  
Lyndeboro qualified to vote in district affairs:

You are hereby notified to meet at the Lyndeborough School in said district on the fifth day of March 1966, at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
- 3a. To choose a Member of the School Board for the ensuing two years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the District will vote to adopt a plan for extending to employees of the district the benefits of Title II of the Federal Social Security Act (Old Age and Survivors Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated Amended by Chapter 302 and 332 of the Laws of 1955, and to raise and appropriate the sum of \$143.13 to defray the district's share of the cost thereof.

10. If Article 9 is passed, to see if the District wishes to exclude from the plan services in any class or classes of positions filled by popular election.

11. If Article 9 is passed, to see if the District wishes to exclude from the plan services in any class or classes of positions, the compensation for which is on a fee basis.

12. If a plan for Social Security coverage is adopted, to see if the District will authorize the School Board to execute on behalf of the town the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the District will designate the school treasurer as the officer to be responsible for the administration of the plan.

13. Shall the School District accept the provisions of RSA 195 as amended, providing for the establishment of a Cooperative School District, together with the School Districts of Wilton, Greenfield, Greenville, Mason, New Ipswich and Temple, in accordance with the provisions of the proposed Articles of Agreement filed with the School District Clerk.

14. To see if the District will vote to authorize the School Board to enter into a long term exclusive contract, not to exceed twenty years, with the Wilton School

District for Junior and Senior High School tuition pupils, except those living in North Lyndeborough and those attending other Junior or Senior High Schools, beginning with the school year 1966-67. The basis for the tuition charge would be Wilton's estimated average per pupil cost based on the year preceding the year of operation, plus a per pupil assessment, or take any action relating thereto.

15. To see if the District will vote to form an A.R.E.A. School Planning Committee as prescribed in RSA 195-A: 3, and to elect the members thereof, or determine that they shall be appointed by the Moderator, or take any action relating thereto.

16. To see if the District will vote to accept the provisions of Public Law 89-10, designed to improve educational opportunities with particular reference to children of low-income families, and to appropriate such funds as may be made available to the district under said federal act for such particular projects as may be determined by the school board. Further, to see if the district will authorize the school board to make application for such funds and to expend the same for such projects as it may designate.

Given under our hands at said Lyndeborough this eleventh day of February 1966.

RALPH A. DWIRE,  
NELLE M. BROMAN,  
GERTRUDE FIRMIN,

School Board

## SUPERINTENDENT'S REPORT

To the School Board and citizens of Lyndeborough, I respectfully submit my eighth annual report as your Superintendent of Schools.

### *Staff and Instruction*

Three changes in staff were made this year in September. Mr. George Adams was hired to replace Mr. Robert Partridge and also to assume responsibilities as principal of the building. Mrs. Marilyn Greeley of Wilton was hired to replace Kathryn Brockbank who returned to England. Mrs. Pauline Brown replaced Miss Barbara Smith as Assisting Teacher. Mrs. Isabel Nichols of Antrim was hired as the Music Supervisor of the school, the first music supervisor in Lyndeborough for many years. In addition to these changes, Mrs. Muriel Fuller of Wilton was hired to operate the noon lunch program, replacing Mrs. Shinn who had operated the program for a great number of years. Mr. Warren Lord has been hired as School Custodian, replacing Harry Holt who has acted in this capacity since the Central School was constructed.

It is unfortunate to have to make changes again this year in the staff, but this seems to be a problem which plagues small multiple graded schools.

A real problem developed this fall due to an unusual increase in enrollment at the first grade level, swelling the number in the first and second grade room to the vicinity of 38. This exceptional load made it necessary for Mrs. Brown to spend almost all of her time during the first twelve weeks with the second grade group. This was not a satisfactory solution to the problem but it seems that a satisfactory arrangement has now been reached in that an additional teacher has been hired to work with the second grade group alone. Funds for the services of this teacher were provided for by Title I of the Elementary-Secondary Education Act of 1965. If

such money had not become available, the School Board was in agreement that an additional expenditure would have to be made to properly provide for the education of these children. It is only now at the end of the first college semester that people have become available to fill this position.

Fortunately the author of the reading system that is used in the elementary schools of the Union offered a course of instruction in this vicinity this past summer and Mrs. Greeley was able to participate. This makes it possible to continue with this phonetic reading program. This is an additional problem caused by rapid turnover of personnel. No sooner do people become familiar with the reading system or the modern math program, than they leave the school for sundry reasons. Continuity is difficult to maintain.

In view of the continued expected large enrollment at the first and second grade level in the coming year, the School Board is budgeting for one additional teacher for the school in the year 1966-67. If present projections hold true—one person will be working at the first grade level and one at the second grade level, with multiple graded classes continuing in the third and fourth, and in the fifth and sixth grade rooms. It is hoped that Title I money expected to be available could be used in the coming year to hire the services of an assisting teacher, as has been the pattern in the Lyndeborough School for a number of years.

### *Building and Grounds*

The regular maintenance program is being continued as it has been developed in the past. The Board is finding it more satisfactory to have painting completed within the building during the Christmas vacation period, and contemplate having work done at this time next year in the large double room. Again this year, as in the past, problems of ventilation in the kitchen and storage room area confound the Board. It is hoped some

resolution of this matter will occur in the coming year. Both these spaces are not suitably ventilated, making it a hardship to work in the kitchen and being so warm in the storage room, that the quality of some foodstuffs deteriorates. It is the plan of the School Board to continue to cope with this problem until it is ultimately resolved, moving step by step from one measure to the next. This problem caused by poor design has plagued Boards since the construction of the addition.

The Board is still working to solve the problem of tracking dirt into the building. The flat area has had to bear very heavy traffic, making it impossible to keep grass growing, and this regularly results in the tracking in of mud and debris on boots and shoes. This makes it almost impossible to keep the building clean, especially at the entranceways, and allows the grit and grime to rapidly deteriorate any finish that has been placed on the tile. As a further step in trying to adequately cope with this problem, rubber matting is to be placed at both entranceways next year in the hopes of trapping some of this grime before it gets into the classrooms.

Additional furniture is being budgeted for the coming year to take care of the increase in enrollment which is being experienced.

### *Finance*

There are several changes in the budget proposed for 1966-67 when compared with that of the current year. In Teachers' Salaries an apparent increase of \$8100. is shown. This provides for one additional full time teacher to more adequately handle the enrollment increase, but does not provide for the hiring of an assistant teacher. \$4500. of the increase in this area is for budgeting of Title I money. This \$4500. also appears in the income section of the budget, resulting in no net assessment change. In the 500 series under Transportation, a reduction of approximately \$140. is shown due to a favorable contract figure for transportation of North

Lyndeborough children to Francestown. In the 610 series, and increase of \$150. is shown. This is a little deceptive since in the past the custodian has been compensated above and beyond the contract figure for special summer work. In this budget, all of the custodial services are included within the 610 series, and in the 700 series, this \$300. for summer work has been deleted. This accounts for the reduction in the 700 series of the budget. In the 900 series, additional district money is being budgeted to provide for a proper salary for the noon lunch manager. The increase in the 1200 series of \$242. is for additional chair and desk units and rubber mats for the hallways which have already been referred to.

The primary increase in the '66-'67 budget is in the 1400 series, tuitions for junior and senior high school pupils. A total amount of \$51,512.00 has been budgeted, compared to approximately \$43,600. for the current year, a net increase of over \$7900. The increase is brought about primarily because of increased enrollments at junior and senior high school levels, altogether an increase of ten pupils. This, when coupled with increased tuition rates, raises the budget figure to the amount indicated. It can be expected that high school enrollment will continue to increase in the next few years.

It is anticipated that receipts will increase by approximately \$3,000., some of this being accounted for by Title I money and some by an estimated increase of approximately \$1500. in Foundation Aid.

The total effect of the changes noted in the budget results in a total appropriation of \$99,150., an increase of about \$17,000. The increase in income, however, reduces the net assessment increase to about \$14,000.

### *Special Articles*

A series of four articles appear in the Warrant to provide the advantages of Social Security for people

employed by the district other than teachers, namely, the school custodian and the school lunch operators. In the past we have not found it necessary to provide this for these employees since the previous employees were not interested in having Social Security made available. It seems only fair that these folks be given the opportunity of participating in this almost universal program.

An article is in the warrant for action on the Co-operative School Plan.. This has been fully discussed in Lyndeborough and all the other towns involved in the Study.

In order that townspeople appreciate the fact that cooperation is not the only possible solution to educational problems in Lyndeborough, two other articles appear. These articles have been developed as a result of discussions between the Wilton and Lyndeborough School Boards. One article asks for a long term tuition contract for the education of all junior and senior high pupils at Wilton High School. The second article asks for the formation of an A.R.E.A. Study Committee. It is contemplated that this A.R.E.A. Study would take place with Wilton, but not necessarily so. Citizens of Lyndeborough should be aware of the fact, however, that even though this simply calls for an A.R.E.A. study, and does not call for a long term contract or a permanent type of arrangement of a cooperative nature, it will develop along this pattern and eventually result in a long term contractual arrangement with some community, probably Wilton, or possibly Milford.

Lyndeborough is not going to be able to continue to educate its junior and senior high school pupils unless it makes actual commitments or takes steps that will result in long term contractual arrangements. Wilton is not interested in continuing to educate Lyndeborough children, and perhaps even provide additional housing facilities, unless they can be assured of income from tuitioning towns, either on a long term contract basis

or an A.R.E.A. basis. What this means is that Lyndeborough's educational decision is not basically to accept a Cooperative or reject a Cooperative, it is to accept a Cooperative, a long term contract with some community, or a long term A.R.E.A. plan with some community.

### *Federal Aid*

This is the first year that Federal Aid became available to the schools under the Elementary-Secondary Education Act of 1965. During the present year we are utilizing these Title I funds through action taken at a special school district meeting to provide for an additional teacher plus a teacher assistant, and also to purchase audio-visual materials. All of the above programs are intended to strengthen the quality of instruction for deprived children. It is expected that a similar amount of money, approximately \$4500., will be available in the coming school year and this has been budgeted for. The exact use of this money in the coming year has not, at this point, been determined.

In addition to Title I money, Title II money is available to the Supervisory Union. Its purpose is to provide library materials for all of the youngsters within the Supervisory Union area. These library books would be circulated among the schools as requests and needs develop on the part of teachers. It is expected that during the coming year a similar amount of money would be made available for the continuance of this kind of library project.

### *Cooperative School Study*

A decision relative to participation in a Cooperative School is being asked in the school warrants of all of the towns involved in the Study. Special hearings have been held in all of the towns and other meetings have also been held in each of the towns to thoroughly familiarize all the citizens of the advantages and disadvantages of a Cooperative arrangement. Cooperation is not a one

way street. The general feeling is that the advantages in being a part of a large cooperative district far outweigh the disadvantages which are part and parcel of such an arrangement. The undersigned's report relative to this matter is found in the cooperative school brochure published to inform citizens regarding this matter. It would be redundant to say much more about the Cooperative Plan here. It is hoped, however, that a far sighted point of view is taken by citizens. The long range twenty, thirty, forty or fifty year educational advantages of such a cooperative arrangement are things that should be very thoughtfully considered. Too often citizens are concerned about immediate incidental considerations and lose sight of the long term advantages of cooperation. This plan will make long term educational provisions for the children of the community and make Lyndeborough a better place to live in. Whatever action is taken by the citizens, it is hoped that the decision is arrived at by careful, unemotional evaluation of all the factors.

### *Conclusion*

In spite of the changes which have taken place in the staff, progress in the Lyndeborough School has been satisfactory. As long as a small multiple graded school is operated, staff changes will have to be expected. Many teachers are not interested in working for extended periods of time in multiple graded classrooms when single grade opportunities are available. The addition of one more teacher during the last half of the current year and as part of the staff in the coming year improves the educational picture for the community.

Lyndeborough appreciates the need for good elementary education. The School Board has been extremely understanding of the problems of the teachers, their needs, and the difficulties under which they operate. Many parents and citizens of the community have also been fully aware of the complexity of providing a

sound educational program. With the cooperation of all concerned, and the conscientious and sincere efforts of the staff, the school is striving to strengthen the education of children.

Respectfully submitted,

KENNETH A. SARGENT,  
Superintendent of Schools
