## ANNUAL REPORT OF THE WEARE VOLUNTEER FIRE DEPARTMENT

---

During 1939, alarms answered by the department totaled thirty-six. These fires are classed as follows.

Building	5	Brush and grass	10
Chimney	16	Truck	2
Oil burner	1	Bridge	1

The number of fires increased during 1939 and on one building fire, the loss was estimated at \$3,400. Insurance paid on fires in town totaled under \$2,600. The ten brush and grass fires were confined to small areas about two acres altogether.

To our equipment were added 500 feet of 1½ inch discharge hose, coats, a battery charger, and two electric lanterns. Forest fire tools to equip about fifty men were added, consisting of 6 knapsack pump tanks, 6 axes, 6 Pulaski tools, 12 council tools, 12 hazel hoes, 6 shovels, 4 kerosene lanterns, and 36 pails.

Most of our hazardous slash areas resulting from the hurricane have been cleaned up by W. P. A. and Forest Service crews. The remaining areas are now reaching a very high inflammable state and will be a serious hazard for the coming fire season.

The river at North and East Weare is still of almost no value as fire protection, the bridges being practically the only places where pumpers can take suction. We hope this situation can be improved as our most serious fire conditions are in these two villages.

The members of the department have been insured in and are eligible for the death and disability benefits provided by the Fireman's Retirement Act of 1939.

The department held twelve monthly meetings during the year. The companies held several drills on the use of the equipment. Forty men were trained in forest fire line construction.

The present efficiency of the organization and equipment of the department should warrant a reduction in insurance rates which could no doubt be done if the right procedure was followed.

Every effort is being made to give the best service possible, at the same time keeping the expenses as low as advisable.

We wish to thank all who have co-operated with us and hope to receive the same fine support in the future.

Respectfully submitted,

GERALD H. HIGHT, Chief,  
Weare Volunteer Fire Dept.

## FOREST FIRE WARDEN'S REPORT

In submitting this annual report I wish to take this opportunity to thank the citizens of Weare for their co-operation in helping us in preventing any serious forest fires during 1939. This is an especially fine record due to the hazardous conditions in the woods caused by the September, 1938, hurricane. We sincerely trust that we may again have this splendid co-operation in the year ahead. I have received from the town for Forest Fire Work \$149 and the town has received from State Forestry Department \$57.30, and from the Town of Sharon \$34.40 thus making the forest fires costing the town this year \$57.30.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

To the Citizens of Weare:

Teachers of last year who are not with us now are Mr. Barton, headmaster for a number of years. Miss Ruth Smith, teacher, Home Economics, for one year. Miss Louise Pihl, teacher at Friends for two years, Miss Muriel Nash at South Weare for one year.

Mr. Barton resigned to accept a teaching position in Agriculture at the State University. Miss Smith accepted a position in the extension work of the 4-H Clubs. Louise Pihl is now teaching in Bow, Miss Nash is in another teaching position in the state.

To fill the headmastership Jonathan Osgood of Pittsfield, New Hampshire, graduate of the State University, with six years experience was elected. The vacancy caused by Miss Smith's leaving was filled by Miss Dorothy Gilman of Keene Teachers College. Miss Mary Charas is now at South Weare. Mrs. Olive Draper was chosen for Friends after it was decided to continue that school.

For the first half of this year Mr. Drew, a "cadet" teacher from the University has been working along with Mr. Osgood in connection with the work in agriculture. For the Cadet training the district will receive reimbursement from the State University probably amounting to about \$225.

Since a year ago, water has been made available at the Center School, for drinking and toilet purposes.

### Perfect Attendance and Attendance Record

**Perfect Attendance** — High School, Junior High School.

**East Weare** — Allen Ilsley, Virginia Johnson, Judith Ilsley, Helen Armstrong. Per cent of attendance 96.5.

**Riverdale** — Richard Barnard. Per cent of attendance 96.

**Sugar Hill** — Leslie Eaton, Daniel Eaton. Per cent of attendance 95.

**North Weare** — Erma Chase, Charles Chase. Per cent of attendance 94.5.

**Friends** — Gertrude Reade. Per cent of attendance 94.

**South Weare** — John Richards. Per cent of attendance 92.6.

**Center** — Per cent of attendance 91.4.

Average attendance 94.2.

This average attendance approached the state average of 95, and is a few points above that of last year. Perhaps another year it can be brought up to or above the average.

### Age for Admission to Grade I

No child shall be admitted to grade one in any September unless he has reached the age of five years and eight months on or before the first day of that month.

This year has been unusually favorable from the standpoint of weather and travel. It has been free from epidemics of any kind. For a detailed report of the activities of the school nurse, her report will indicate again the variety of items that enter in.

The schools are operating quietly and effectively. Questions of many kinds occur and it is the practice to try to keep parents informed and also secure from them information which may help the teachers to work with better understanding. There is practically no matter that cannot be adjusted — through mutual interest and willingness to co-operate.

Respectfully submitted,

J. BYRON TARNEY,  
Superintendent of Schools.

## REPORT OF THE SCHOOL NURSE

---

Each child should make a regular annual gain, therefore, each pupil is weighed and measured so that we may ascertain their rate of growth according to the scale prepared by the New Hampshire State Board of Health.

About 260 pupils were examined the first of the school year and the parents notified of any weakness, deformity or defects found. For two years Dr. Fraser gave those pupils in high school who wished to play basketball a thorough physical examination. The heart, lungs, throat, teeth, skin, abdomen, for signs of hernia, and the blood pressure was taken on each.

I doubt if the parents in our town realize the several agencies that play an important part in our school health program. Among the activities that come under this head, some of which have been most helpful, is the cardiac and orthopedic clinics held at the Balch Hospital once a month.

The District Nursing Association has an orthopedic, goitre, dental clinic also a mental hygiene clinic which handles mental and nervous diseases and endeavors to help the problem child, there is also a trained worker here for those children with speech defects. The tuberculosis clinic is held every Saturday with Dr. Kerr in charge. The eye clinic in Hanover is available and one child in our union has been benefited by it.

The County Hospital is always ready to care for tonsil cases or any case needing hospital care.

Free lessons in lip reading is being given by Mrs. Hammon of Manchester to those children who are hard of hearing this being financed by the Rotary Club and the Hard of Hearing Club. Free fruit such as apples, oranges, raisins and peaches are available through the Surplus Commodities Commission this winter for each and every school child.

The following report shows the number of pupils affected and defects corrected during the school year September, 1938 to December, 1939 :

Defective teeth 200, defects corrected 102.  
 Diseased tonsils 26, defects corrected 9, home visits 3.  
 Defective vision 39, defects corrected 34, home visits 5.  
 Adenoids 1, defect corrected 1.  
 Impetigo 3, home visits 3.  
 Unvaccinated 2, home visits 2.  
 Broken arm 1.  
 Appendectomy 3.

 Back injury 1, home visit 1.  
 Orthopedic 3, home visits 3.  
 Nervous disease 1, home visits 4.  
 Broken leg 1.  
 Abscessed ears 3.  
 Chicken pox 15, May, 1939.  
 Influenza 1, home visits 3.  
 Arranged for one child to attend the mental hygiene clinic  
 for a nervous disorder.  
 Arranged for two children to attend the orthopedic clinic.  
 Arranged for two children to attend tubercular clinic.
