A Roundup of Recent International News from Across UNH

When doctoral student Krist Hausken went to Israel recently to work with a collaborator of his mentor Dr. Stacia Sower, (<http://www.unh.edu/biochemistry/sower/sower.html>) he not only came back with a research breakthrough but a clear picture of what he wants to do after he graduates from UNH.

Two years ago, five UNH students had a vision to deliver a reliable and sustainable energy system to a community in need. In January, that vision became a reality when the Takumi Community School in Toh-Kpalime, Ghana, was outfitted with a 1.2-kilowatt solar energy system through UNH Solar Power for Schools.

During the spring term, faculty from both the Durham and Manchester campuses are bringing their expertise outside their traditional classrooms via a variety of fellowships and research projects. Here are some of the ways professors will be bringing their knowledge to locations as far away as Japan, New Zealand and Rwanda — to name just a few.

Four University of New Hampshire students are among the 800 undergraduates nationwide who have received the prestigious Benjamin A. Gilman International Scholarship, which supports global internships or study abroad. Gilman scholars receive up to \$5,000 to be applied toward their study abroad or internship program costs.

Claire Malarte-Feldman, professor of French in the College of Liberal Arts and international children's literature researcher, received the 2015 Excellence in International Engagement award. Malarte-Feldman has directed the Dijon program at UNH for the last 15 years and is past director of the Center for International Education.
