**The Boston Globe Poll #34**

**MA 2012 Senate Election**

**Conducted by the UNH Survey Center  
September, 2012**

**Technical Report**

**Method:** Telephone interviews conducted with Massachusetts residents with RDD landline and/or cellular telephones who are likely November 2012 voters. Interviews were conducted by the UNH Survey Center.

**Field Period:** September 21 to September 27, 2012

**Hours:** 10 a.m. to 9 p.m.

**Median Completion Time:** 12 minutes

**Sample Size:** 502 randomly selected likely November 2012 voters.

**Sampling Error:** +/- 4.4%

**Response Rate (AAPOR #4):** 23%

**Weighting:** The data have been weighted by the number of adults in a household and the number of telephone numbers, land and cellular, at which adults in the household can be reached in order to equalize the chances of an individual MA adult being selected. The data have also been weighted by the sex and race of the respondent and the region of the state based on the American Community Survey conducted by the US Census.

ISS2

“I’d like to turn to an issue that will be on the ballot in November. Issue 2 concerns allowing a person who is terminally ill to request a physician to help them end their life. The proposed law would require that the person have an incurable disease and have six months or less to live, voluntarily request a physician’s assistance in ending their life, and be medically determined to be mentally capable of making the decision to end their life. A YES vote on Issue 2 would enact the law allowing a physician to prescribe medication, at the request of a terminally-ill patient, to end that person’s life. A NO vote would make no change in existing laws.”

“Based on what you know about this issue, would you vote YES or NO on Issue 2 to allow a terminally-ill patient to request a physician to prescribe medication to end their life, or don’t you know enough about this to say?”
