INTER-COMPANY ATHLETIC MEET.

Co. C. Winning in the Finals.

The finals in the inter-company indoor athletic meet were held in the gymnasium last Thursday evening. Co. C won the meet with a total of 38 points; Co. A was second with 32; Co. D, third with 24; and Co. B, fourth with 16. The meet was a complete success.

Elliott '15 of Co. A was the winner of the gold medal for the highest number of points scored, his total being 16. Brackett '14 and Priest 2 yr '13 were tied for second place, which carries a silver medal, their totals being 13 each. They will toss up for the medal, and will divide the total number of points toward the colors for second and third places.

A first place in the meet counted five points; a second, three; and a third, two. In case of the individual prize, given to the individual who scored the highest number of points, if a person was a member of the Butts Manual squad or the Calisthenic squad, and his squad won a place in the event, he was given the same number of points, as was scored by his company.

The medals for the individual winners, and the ribbons for first, second, and third places in the events, will be awarded in the near future at a battalion parade on the campus before the two year men leave; or if the weather does not permit, at a formation in the gymnasium.

The company which won the meet was awarded 25 points in the inter-company race for the colors next year, while the other companies scoring second, third and fourth places, were given a proportional amount of this number, depending on the number of points they won in the meet. Winners of first, second and third places in the individual contest, brought eight, six and four points, respectively to their company score for the colors.

On this basis, as a result of the meet, Co. A won 34 points toward the colors; Co. C, 25; Co. D, 21; and Co. B, 11. Although not a winner of the meet, Co. A's extra points were due to the fact that it had two of the three individual prize winners.

One record was broken, although the meet was held indoors, being that of the pole vault. Both Ham and Pinkham cleared the bar at 9 feet, 4 inches, breaking to the record of 9 feet, 3 inches, held by T. A. Davis '14.

The band played during the events and did much to break up the monotony of the evening.

Butts Manual-Won by Co. D, Hall, Ober, Webster, Priest, Robie, Jenkins, Smith, and Huse; second Co. A, Arthur, Richmond, Sellers, Perkins, Blake, Bartlett, Heath, Elliott; third Co. B, Grant, Jesseman, Odiorne, McCrillis, Hadley, G. B. Hill, Wilson, and W. E. Davis.

Calisthenic and Barbell Exercises-Won by Co. A-Arthur, Richmond, Sellers, Perkins, Bartlett, Elliott, J. E.

Ladd and Smith; second, Co. C, Studd, Yaxis, Dresser, O'Connor, Watson, Pattee, Parker, Squires; third Co. D, Hall, Webster, Jenkins, Smith, Huse, Davis, Chickering, McKeil.

Four lap relay-Won by Co. A, Yates, Davis, Elliott and Brackett; second, Co. D, Priest, Blodgett, Wood and Jenkins. Time 2 min. 55 sec.

Six Lap relay-Won by Co. C, Reardon, Squires, Welch, and Riford; second Co. A, Davis, Elliott, Yates and Heath. Time-4 min.50 sec.

11 lap relay-Won by Co. D, Priest, Elkins, Huntoon, Huse; second, Co. A, Heath, Brackett, J. W. Ladd, W. Ladd. Time-10 min. 4-5 sec.

25 yd. dash. Won by Brackett, Co. A, second, Riford, Co. C; third C. W. Davis, Co. A;

High Jump: Won by Blodgett, Co. D., second, Ham, Co. C; third, Davis, Co. A., and Hadley of Co. B tied. Ht. 5 ft. 3/4 in.

Pole Vault: First, Ham and Pinkham, Co. C, tied, third Welch and Davis of Co. B. tied. Ht. 9 ft. 4in.

Shot Put: First Pinkham Co. C., second, H. W. Sanborn, band, third Crosby, Co. C. Dist. 39 ft.

600 yd. run: First Smart, Co. B; second D. W. Ladd, Co A; third Blodgett, Co. D. Time 1.31 1-5.

1000 yd. run: First Knight, Co. B., second Thompson, Co. C., third, Krook, Co. A. 2m. 53 3-5 sec.

Mile run: First E. Sanborn, band, second Watson, Co. C., third, Doyle, Co. D. Time 5 min. 18 4-5 sec.

The officials were as follows:-Referee Reynolds; starter, Tucker; Timers, Prof. Whoriskey, Prof. Taylor, and Prof. David. Judges G. L. Atwood, Prof. H. Sweet, C. E. Whittemore, C. McPheeters. Clerk of Course:-Holden, Asst. Clerks of Course, Catlin, Keyes and Bent. Announcer Twomey, Measurers Leighton, Morgan, Berry, Crosby, Joslyn, Rogers and Andrews. Floor Director DeMeritt.

CHEM. TRIP.

The junior and senior members of the chemical engineering department will make a tour of inspection of some of the principal chemical industrial plants around Boston, and possibly Worcester, during the spring vacation. Prof. C. James will be in charge of the trip.

A. I. E. E. LECTURE.

On April 8 at 8 p. m. Mr. Charles Norton will deliver a lecture in the Physics lecture room, under the auspices of the New Hampshire College branch of A. I. E. E. on The Real and Unreal in Engineering. Mr. Norton is president of The Norton Grinding Co., of Worcester, Mass.

For the first time since the college has been located in Durham, Elmer D. Kelley '83, treasurer and manager of the Merrimack, Fuel & Feed Co., of Franklin, N. H., visited and inspected the college buildings recently.

Last Friday night a Roosevelt Club was organized and the following officers were elected. President, P. L. Gowen, Secretary, S. Sanborn; Program Com. R. Sanborn, C. H. Batchelder, G. W. Berry.

ATHLETIC ASSOCIATION MEETING.

Constitution Amended and Assistant Basketball Managers Elected.

At a meeting of the Athletic Association, held last Wednesday, March 27, after chapel, the resignation of John H. Batchelder '12, as manager of the track team was received and accepted. Since then, Stephen DeMeritt '12, has been appointed to succeed him, by the special committee on elections.

The constitution of the association was also amended so that three assistant managers instead of two will be elected for each branch of athletics. It was voted to elect three cheer leaders at the last regular meeting of the college year, two from the junior class and one from the sophomore, for the next year.

Under the new rules of the constitution, three assistant baseball managers were elected, being as follows: Lawrence N. Barrett '13, A. W. Jenness '13, and C. H. Rogers '13.

DATE LEFT OUT.

Due to error, the date of the baseball game with Norwich University, to be played in Durham May 25, was omitted from the baseball schedule in the last edition of the New Hampshire.

PRES. BUTTERFIELD SPEAKS.

Last Sunday afternoon at the regular meeting of the Christian Association, President K. L. Butterfield of the Massachusetts Agricultural College addressed the students on the subject of "Rural Leadership." Mr. Butterfield is a fluent speaker, and is well versed in the subject on which he spoke. His knowledge of the conditions existing in the rural districts of the whole country is probably unsurpassed, as these he has thoroughly investigated. He was appointed by ex-President Roosevelt to look into these conditions, and he is consequently thoroughly acquainted with them.

Mr. Butterfield emphasized the necessity for the agricultural college to have the support of the rural districts. When a college man enters the country or a small village to take up a permanent residence there, whether as a business, professional, or otherwise commercially engaged man, there are certain duties he should perform. To enter into the political or social activities of the place may at first seem trivial and not worth while; but it really is his duty. The college must not let these opportunities slip, for proving thus his own good will as well as his efficiency, he will thereby secure and maintain the appreciation, confidence, and support of the rural communities at large for his principles, and the college principles that he represents.

A large number of the students and faculty attended.

DECLAMATION CONTEST.

On the afternoon and evening of May 10, 1912 the English Department is to hold a declamation contest to which students of all high schools and academies of New Hampshire and the bordering states are invited. The prizes to be awarded are 15, ten, and five dollars in gold. The judges have not been announced.

AGRICULTURAL NEWS.

The Farm Department has recently purchased a pure bred Ayrshire cow, 3 sows and 27 pigs.

Prof. Foster expects within a short time to begin improvement cuttings in the college woodlot.

At a meeting held in Concord, March 15 representatives of eight agricultural associations and organizations of the state discussed plans for a central organization. A constitution proposed by Director Kendell was favorably received and will be referred to the several associations for their approval. This constitution will probably be adopted a meeting to be held April 12.

On Monday evening April 1 the Agricultural Club held a very interesting meeting. The program was as follows.

Resolved: That a man should marry before the age of 24., affirmative, A. E. Smith, A. E. Robie; negative, B. R. Brown, L. N. Kronoff. The Dust Spray, C. R. Hardy; Value of the Auto to the Farmer, H. L. Kendall; Animal Husbandry Trip to Massachusetts, H. D. Elkins; Agricultural Paper, R. A. Sawyer; Apple Growing in New Hampshire, (Illustrated), Prof. Pickett.

CO. C. WIN.

In the intercompany rifle meet, which was held Monday during drill period, Co. C won the shoot with a total of 723 points; with Co. A second with 699; Co. B., third with 654; Co. D., fourth with 630.

The individual winners of medals were Lieut. Crosby of Co. C, with 169, gold; Corp. Sellers, silver, with 166; Corp. Batchelder, bronze, with 159. The summaries were as follows:-

Co. A	Sa	P	Tot
Sellers	79	87	166
Batchelder	71	88	159
Twomey	65	62	127
Blake	52	72	124

GLEE CLUB TRIP.

Will Play in Concord and in Manchester.

Manager George W. Towle of the Glee Club has made arrangements for the College Glee Club and Orchestra to appear in Concord Thursday evening, April 25, and in Manchester, Friday, April 26. The entertainment in Concord will be given under the auspices of the Concord High School track team, while the next evening, it will be given for the benefit of the senior class of the Manchester High School.

THE CALL FOR SOCIAL WORKERS.

In these days of segregation in cities, of rapid immigration, of increase in criminality, of defectiveness, and of poverty, there is a rapidly growing call for social workers,—a call for college men and women to fit themselves for a life work on these problems. Opportunities are increasing faster than skilled workers can be obtained, and for such a variety of work that it would be well for every student to look well into the matter before choosing another calling. Our own department of Sociology has for its ulterior aim the fitting of New Hampshire College students for this social work, and so we as students of this college should be particularly interested in the subject.

What is meant by social work? The glance discloses vistas of so-called "settlement houses" in dirty slum districts of huge cities, of professional charity givers going from house to house, perhaps, and giving alms of one sort or another. Ten, or even five years ago that picture might have been a tolerably good one, not so today. Today the man or woman looking forward to a line of social endeavor, need not be so compassed for opportunity to use his talents. He may, instead, do any one of many things. There are the playgrounds of the large and the smaller cities, each requiring skilled men and women as supervisors; summer gardening for city children is growing apace and gives a particularly good opening for agricultural students who have also given some time to studying the social welfare of the race; there is industrial teaching in public and detention schools of various sorts, teaching which gives the interested instructor unlimited influence over lives of boys and girls; physical directorships in public schools afford athletic men fine opportunities; the settlement houses and schools in themselves as spoken of first, are always looking for workers; charity organizations are in need of mentally balanced and educated helpers. In addition to these varied positions, there is the work that is being carried on more and more in the country communities, the so-called county work, which places a skilled worker in a field limited by county lines and sets him free to do as he may in uplifting the stale, colorless life of the boys and men of small towns and villages. This type of work is now calling for women workers to aid in the upbringing of the girls and to help educate the women to modern and economic methods in their home life. Still another division of social work calls for men to go into the smaller cities, those

that are too small to support the building work of our Young Men's Christian Association, (which does a great deal of social work), and put there a man skilled in boy life and filled with the purpose of aiding the boys and young men to make the best of themselves; this in its turn is also calling for women workers to aid the girls.

Thus the observation may be made from the few things noted, that the field of endeavor for the social worker is broad, and is all the time becoming even more so. It is calling for mentally and physically strong young men and women, who are filled with the desire of benefiting humanity, men and women who are sympathetic yet level headed, men and women who are fitted by education as well as by personality for such a calling, one which will be far from simple, but which will give many hours of happiness and satisfaction.

It is for these things that our department of Sociology is instituted, and with the hope that many of New Hampshire's students may see fit to turn their endeavors in this direction, which while it probably will never bring wealth, will bring satisfaction of work well done, and a comfortable remuneration.

ALUMNI NOTICE.

The annual alumni smoker will be held at Young's Hotel in Boston, Mass., Tuesday, April 16, 1912. On that day nearly 50 students on engineering trips will be in the city and will be present. The executive committee will not be satisfied unless there are 150 men in attendance. This is your chance to help put New Hampshire College on the map. Don't let us think that you are dead, figuratively or literally. When the roll is called, be present and don't forget to mail your return postals immediately—not tomorrow. F. E. McKone.

WHY YOU SHOULD INSURE IN THE MASSACHUSETTS MUTUAL LIFE INSURANCE COMPANY OF SPRINGFIELD, MASSACHUSETTS.

Because it's a purely MUTUAL COMPANY—and pays dividends ANNUALLY to its policyholders, (Not to stockholders, because we have none.) It's premium rates are low—it's dividends are very large, and its surrender values are extremely liberal—in fact it's "Peerless." Paid up values, cash surrender values, and extended insurance guaranteed after two years premiums have been paid.

It's assets are of the highest class, and its surplus is ample for all contingencies. Write us, giving date of birth and kind of policy desired, and we will forward a Specimen Policy for your inspection.

DE LAVAL CREAM SEPARATOR

THEIR GREAT SIMPLICITY.

De Laval Cream Separators excel other separators not only in thoroughness of separation, sanitary cleanliness, ease of running and durability—but as well in their great simplicity.

There is nothing about the operation, cleaning, adjustment or repair of a modern De Laval Cream Separator which requires expert knowledge or special tools.

Nor are there any parts of which adjustment is frequently necessary to maintain good running or to conform to varying conditions in the every-day use of a cream separator.

There is no need to fit and adjust parts to get them together right. They are so made that they cannot help go together right. All bearings and bushings are easy to replace. There are no complicated springs, keys, ball bearings or other fittings, that only an expert can properly adjust.

A person who has never touched a separator before, can, if need be, unassemble a modern De Laval machine down to the last part within a few minutes and then reassemble it again as quickly. This is something which cannot be done outside a shop with any other separator.

The only way to properly understand and appreciate De Laval superiority to other separators, is to look over, and better still to try, a 1912 De Laval machine. Every De Laval agent is glad to afford prospective buyers the opportunity to see and try a De Laval Separator.

THE BOSTON OCTETTE.

"They have come, we have seen, they have conquered!" That is perhaps as good a summary of the recital given by the Boston Octette on last Friday evening as could be given. We all knew the Schuberts, knew what they could do, but combine them with the Eichhorn Trio and Miss Holt, and it is little wonder that when the entertainment was over, everyone went away with the conviction that it was the best number of the lecture course.

The recital began with a few words of introduction by Prof. Whoriskey in which he welcomed the visitors and spoke of their manifest pleasure in being present. Incidentally, he mentioned the enthusiastic way in which the various members of the octette had spoken of the playing of the College orchestra.

The first number on the program was a selection from the "Bohemian Girl" by Balfe. This was given by the entire company and gave the audience their first glimpse of Miss Holt's fine voice. A duet by Messrs. Tripp and Walker was especially well rendered.

Next came the violin solo by Miss Eichhorn. To say it was excellent would be putting it mildly. Suffice it that is has been a long time since Durham has listened to such a remarkable performer. Her shading and accenting, particularly in the "Beethoven Minuet" which was given as the first encore, were especially good. For the second encore she rendered Schuman's "Traumeri."

At last came the number for which we had all been waiting—the number by the Schuberts. It was a charming little piece by Storch called "Reveries." In it, Mr. Steele gave a solo which was warmly applauded. Their encores were "Mulligan's Musketeers," "Dried Apple Pies," and "Woodland Roses."

The next was perhaps the best of all, the tower scene from "Il Trovatore." Miss Holt appeared at her best and gave us as fine a rendition as one could ask for. Her work in the high notes was especially good. Mr. Tripp gave the uninitiated a chance to commend his remarkable tenor voice. The work of the trio and quartette goes without saying. For an encore, Miss Holt and the quartette gave "Swanee River."

Miss Halliday's 'cello solo was warmly applauded as were her two encores, "Carry Me Back to Old Virginia" and "Believe Me If All Those Endearing Young Charms." She impressed everyone as being a complete master of the 'cello and the gracious way in which she responded with her encores appealed to everyone.

The Schubert's second number was as well rendered as the first. As encores, they gave "Irish Folk Song," "Bill of Fare" and "Old Oaken Bucket."

As her encores Miss Holt gave Philosophy" and "Will O'the Wisp."

The Eichhorns gave Arensky's selection in B Minor, and as encores Packe's "Gavotte" and the Barcarolle from the Tales of Hofman. This was immediately followed by the Sextette from "Lucia de Lammermoor," by the octette. A duet by Messrs. Tripp and Walker and a solo by Miss Holt stood out prominently. Instead of an encore the entire octette gave the college hymn. This came as a surprise to the audience and their applause was long and hearty.

The entertainment closed with individual cheers by the audience for Miss Holt, the Schuberts, the Eichhorns, and the octette.

After serving with the General Electric Co., at Lynn, Pittsfield and Schenectady, Charles F. Cone '08, has been transferred to Pittsburg, Pa., where he has as territory in the sales department northwestern Pennsylvania, south western West Virginia, and eastern Ohio.

OLDS AND ENDS.

Mr. C. B. Fillebrown, President of the Mass. Single Tax League, spoke briefly last Thursday afternoon on the "Single Tax." He pointed out where in the present system of taxation was wrong, and advocated the "Single Tax" as a means of decreasing the cost of living.

At convocation last week, Mr. W. O. Smith, principal of the Lancaster, N. H., High School, gave a very interesting history of early New Hampshire. He spoke of the part this state took in the War of the Revolution, and of its influence in the organization of the national congress.

CHANGE IN PUBLICITY BOARD.

Prof. Fred Rasmussen has been appointed chairman of the publicity board, to fill the position, made vacant by the resignation of Prof. E. R. Groves. Guy C. Smith, associate professor of economics, has been appointed to the board and will have charge of the newspaper work.

ABLE TO DO WHAT NONE OF THE OTHERS CAN DO.

had a beginning no more illustrious than hundreds of other cleaning materials, but it had the necessary qualities to be a success from the very start. These necessary qualities stand out distinctly when Wyandotte Dairyman's Cleaner and Cleanser is used.

That is why every non-user of Wyandotte Dairyman's Cleaner and Cleanser is so thoroughly impressed when he gives it a first trial. He has been accustomed to a certain degree of cleanliness, obtained with some other cleaner, but when he is brot face to face with perfect sanitary cleanliness such as Wyandotte Dairyman's Cleaner and Cleanser always produces, it is then he realizes that Wyandotte Dairyman's Cleaner and Cleanser is able to do what none of the others can do.

Wyandotte Dairyman's Cleaner and Cleanser has never been likened to any other cleaner. It does not admit of comparison. And no dairyman can truthfully say he has secured as good results with some other material as can be obtained with Wyandotte Dairyman's Cleaner and Cleanser, because Wyandotte Dairyman's Cleaner and Cleanser has ingredients wholly unlike and vastly superior to any other dairy cleaning agent now in use.

All we ask is for you to give Wyandotte Dairyman's Cleaner and Cleanser a trial. It will prove itself to be the most economical as well as the very best. Ask your dealer for a sack or write your supply man for a keg or bbl.
