Baseball Practice Begins Outdoors.

Coach Bernier of the baseball team reported last week and immediately took charge of the squad. To date, the team has been practicing outdoors on the campus beside Thompson, as the diamond on the oval is still too wet for ball playing.

The practice has received a right start and the candidates are beginning to round into condition. It is still, however, too early to predict what the lineup will be in the first game. The team has a little over a week's practice, before it opens the season's schedule on April 25—26.

Saturday afternoon, a four inning game was played between two picked teams. Hobbs '15, Kiley '19, and Gowen '12, were among the new candidates who showed up well. The playing of the old players and Captain McPheters needs no comment. The lineup of the two teams was as follows: Hill c, McPheters 1b, McPheters 2b, Brattle tt, Jones 3b, Rendall 1b, O'Connor cf, Kiley rf. Hobbs e, Adams p, Dale 1b, Parnell 2b, Yates ss, Squires 3b, Coghehiff e, Gowen cf, Perkins rf.

TAFT CLUB.

Last Thursday noon a Taft Club was organized with the following officers: Pres., C. M. Neal '13; Sec., G. L. Ham '14; Treas., L. B. Rifford '14; Asst. Sec., I. H. Barrett '13; D. P. A. Willard '13.

FRATERNITY VACATES HOUSE.

On account of the return of typhoid fever, the Gamma Theta Fraternity, noting upon suggestions of the faculty, has vacated the house which it has occupied for several years. The majority of the men are now rooming in Pettie Block.

GLEE CLUB CONCERT.

On next Monday evening the Musical Clubs will give an informal entertainment in Thompson Hall. The music renditioned will be the same as that to be given at the opening of the season's schedule on April 25—26.

TWO YEAR GRADUATION.

The graduating exercises of the second year of the two-year class will be held on Wednesday afternoon, April 17. There are this year 22 members to receive certificates. The address will be given by Dr. H. J. Whedder, Director of the Rhode Island Exp. Station.

The medals and the cups to be awarded as trophies at the interscholastic meet to be held this spring are to be made by Diego and Chat of Boston, Mass.

COACH BERNIER

COACH BERNIER

REPORTS.

The interscholastic meet of mat 11.

The letters received from the various schools of Maine, New Hampshire, Vermont, and Massachusetts in the interscholastic meet of mat 11. According to John G. Batchelder of the track team are very encouraging and indicate that a large number of schools will enter teams in the interscholastic meet to be held May 11. To date, 15 schools have said that they will enter teams, while others have stated that there is a possibility of their entering.

The silver, and bronze medals will be awarded for every race, except the relay, for which a silver cup will be given the winner. The medals are very attractive and unique. They are shaped like a modified shield, suspended from a ribbon. At the top, there is a cut of a trident on the mark. Arranged like a triangle, are the three expressions, May 1912, New Hampshire College, and Interacademical Meet, with the college seal in the center of this device. A silver cup will be awarded to the team winning the largest number of points.

Geo. H. Clark of Boston, who appeared in the college lecture this winter, will also be remembered that Mr. Clark has offered a silver cup for the winner of the mile run in the interscholastic meet.

The following teams have entered: Amesbury High, Arlington High, North Andover High, Somerville High, Concord High, Lynn, Lyman Classical High, of Massachusetts; Dover High, Portsmouth High, Rochester High, Sanborn High, Peterboro High, Brebee Free Academy, Kinbalm Union Academy, of New Hampshire; Newbury High of Vermont; and Thornton Academy of Maine.

The possibilities are Stevens High, Concord High, Manchester High, Tilton Seminary, Milford High, Lebanon High, Goffam High, Andover High, Holderness School, of New Hampshire; Manning High of Ipswich, Everett High, Clinton High, Newton High, Milton High, Wakefield High, Dedham High, of Massachusetts; and Edward Little School of Auburn, Me.

CURRENT EVENTS.

At the meeting of the current Events Club Thursday afternoon April 4, the following officers were elected for the ensuing month. Pres. J. C. Perkins, Secretary, Miss M. G. Gillespie. The program consisted of papers on Drama by Willard, Politics by Brckett, Social Work by M. L. Locke and Science by M. S. Watson.

ALPHA CHI SIGMA INITIATION.

At the regular meeting of the Alpha Chi Sigma Fraternity held Friday evening in Conant Hall, the "cheer" men initiated G. L. Ham '14 of Dover.

ODDS AND ENDS.

G. E. Huse '12 spent a few days last week in Sullivan's giving demonstrations of scientific pruning.

At the recent annual meeting of the Durham Improvement Society Dean Polite was elected president. His associates are David Lamsden and C. W. Stone.

H. B. Catlin '12 has been elected class marshal in place of F. O. Fisher who has resigned on account of other duties.

ROOSEVELT RALLY.

Colonel Winston Churchill will speak next Monday night at a rally given under the auspices of the New Hampshire College Roosevelt Club. This is the last time Mr. Churchill will appear in the present campaign. The rally will be in Thompson Hall at 8 o'clock.

At chapel last Wednesday the speaker was Mr. Moses B. Maun, N. H. C. Class of 1884. Mr. Maun holds a responsible position with the U. S. Customs Service, at present being the deputy surveyor of the port of Boston. A sketch of his life appeared in a recent issue of the New Hampshire Daily Hampshire.
Never in previous years have so many prominent men been honored at the college as this. The department lecture has been an innovation but will probably become a feature. It has been thought by many that there should be a series as this. The department lecture has been needed.

One of the best known educators and lecturers in the country has been secured for the lecture, and the faculty has accepted the proposed plan. Dr. F. N. Seelye will deliver an address next Sunday afternoon at four o'clock, on the subject of personal hygiene. It is hoped that everyone will take advantage of this opportunity.

WHY YOU SHOULD INSURE IN THE MASSACHUSETTS MUTUAL LIFE INSURANCE COMPANY—PIONEER OF GROUP LIFE INSURANCE.

Because it’s a purely MUTUAL COMPANY—

A life insurance policy that is not with the stockholders, but with the policyholders. No in stockholders, because we have no stockholders, because we have no stockholders. Life insurance rates are low, because it’s a group policy, and its surrender values are high, because it’s a group policy. Because it is a group policy, it is more liberal and extended insurance guaranteed after two years. But your policy is with the people, not with the stockholders. It’s assets are of the highest class, and it’s surplus is always for the policyholders. Because it’s a group policy, you will have a specimen policy for your inspection.

De Laval Cream Separators excel other separators not only in thoroughness of separation, sanitary cleanliness, ease of running and durability—but as well in their great simplicity.

There is nothing about the operation, cleaning, adjustment or repair of a modern De Laval Cream Separator which requires expert knowledge or special tools.

Nor are there any parts of which adjustment is frequently necessary to maintain good running or to conform to varying conditions in the every-day use of a cream separator.

There is no need to fit and adjust parts to get them together right. They are so made that they cannot help go together right. All bearings and bushings are easy to replace. There are no complicated springs, keys, ball bearings or other fittings, that only an expert can properly adjust.

A person who has never touched a separator before, can, if need be, unassemble a modern De Laval machine down to the last part within a few minutes and then reassemble it again as quickly. This is something which cannot be done outside a shop with any other separator.

The only way to properly understand and appreciate De Laval superiority to other separators, is to look over, and better still to try, a 1912 De Laval machine. Every De Laval agent is glad to afford prospective buyers the opportunity to see and try a De Laval Separator.

NEW YORK CHICAGO SAN FRANCISCO SEATTLE

Prominent Alumni.
Ziba A. Norris, '84.

Another successful '84 man is Ziba A. Norris of Boston, Mass. He was born at Westminster, N. H., December 29, 1860, but at a very early age moved to Lyman, N. H., where he spent his early life upon his father's farm on the east bank of the Connecticut River. His early education was obtained in the district schools of Lyman and at Thetford (Vt.) Academy.

After graduating from New Hampshire College in '84, he became manager of a large stock farm in West Milbury, Mass. About 25 years ago he became clerk in a market in Wakefield, Mass. Two years later he entered the employ of the Omaha Beef Co., then located at 1673 Washington St., Boston, Mass. His ambition and indomitable courage would not permit him to remain in a position of a hired servant for very long. He was without capital. His honesty and industry had won him many friends. With the aid of these friends he succeeded in raising sufficient funds to buy out his employers. He formed a partnership with his brother John L. Norris of New Hampshire '86, and for many years carried on a retail grocery and provision business under the name of Norris Bros. The business prospered. Other grocery and provision stores were opened in Boston and elsewhere. The name of Norris Bros. became a synonym for a "square deal and a fair deal."

About a year ago, owing to failing health, Mr. Norris practically retired from business, having accumulated a comfortable fortune. He is, however, still president of the Dairy Association located at Lyndonville, Vt., of which association his brother John is treasurer and general manager. This association manufactures Kow Kure and other veterinary remedies for which a rapidly growing market is found all over the United States.

Mr. Norris is a member of the Boston Chamber of Commerce, Boston Fruit & Produce Exchange, The Congregational Club and the Masonic Fraternity. He has been actively engaged in the work of the Second Congregational Church of Dover, Mass., and is a generous contributor to many charities. In 1882 he married Nellie B. Kelley, a sister of E. D. Kelley '83. They have three children, all attending Boston schools.

Ziba A. Norris '84 has "made good."

RESIGNS FROM BOARD.

Professor Richard Whoriskey, Jr., has resigned his position as a member of the editorial staff of the "New Hampshire." He terminates several years of energetic and successful work in making New Hampshire College publications worthy of the institution.
