INTERSCHOLASTIC TRACK MEET.

Manchester High Wins Trophy.

By taking second place in the broad jump, the last event of the first interscholastic track and field meet ever held at New Hampshire College, McDonough of Manchester High won for his team the championship trophy. Lynn Classical High and Boston English High, with 13 points each, tied for second place.

The individual honors went to Smith of Newmarket High who won first place in both the 100 and 220 yard dashes. The mile relay race was won by Boston English High.

George B. Clark of the Boston Athletic Association, who has given a cup to be awarded to the winner of the mile run in the interclass meet, acted as referee.

In the preliminaries for the 100 yard dash, Lewis of Lynn Classical High, Smith of Newmarket, McDonough of Manchester, Collett of Dover, and Patrick of English High qualified. Smith of Newmarket won, with Patrick second and Collett third, in 10 2 5 seconds. Smith also took first place in the 220 yard dash, winning alone 10 points for Newmarket High. The mile and two mile runs were won in fast time, as was also the half mile. In the latter Ryan of English High took the lead at the start, setting a fast pace and running the first quarter in 60 seconds. On the back stretch Carbie of Manchester pulled up and took the lead, finishing with a good lead.

Of the field events those deserving special mention are the hammer throw, the high jump, and the pole vault. Fisher of Tilton Seminary heaved the hammer 142 ft. 7 1/2 inches, and easily took first place. Gilliam of Worcester English High excelled in the high jump, clearing the bamboo at 5 feet 5 3-8 inches, and it is thought that an even better record would have been established had he not lamed an ankle at the trials in the morning. Reed of Manchester took an easy first in the pole vault, and later tried for a record, but failed on account of a poor approach to the bar.

Of the twelve schools entered, eleven took prizes, and no school took less than two or more than five. Boston English High easily won the relay, in the time of 3 min. 45 3-5 seconds. Dover ran well but lack of training and poor start in the first quarter lost for them.

The scores of the schools are as follows:

One hundred-yard dash—Won by Smith, Newmarket H. S.; Patrick, Boston English, second; Collett, Dover H. S., third. Time—10 2-5 s.

Mile run—Won by Goldsmith, Arlington H. S.; Buck, Worcester English H. S. second; Durgin, Concord, H. S., third. Time—4m. 49s.

Four hundred and forty-yard run—Won by Patrick, Boston English H. S.; Mitchell, Medford H. S., second; Carbie, Manchester H. S., third. Time—54 3-5s.

Eight hundred and eighty yard run—Won by Carbie, Manchester H. S.; Ryan, Boston English H. S., second; Landall, Arlington H. S., third. Time—2m 8 3-5s

Two hundred and twenty yard dash—Won by Smith, Newmarket H. S.; Collett, Dover H. S., second; Williams, Boston English H. S. third. Time—23 4-5s.

Two hundred and twenty yard hurdles—Won by Fiske, Tilton S.; Gould, Sanborn S., second; Campbell, Boston English H. S., third. Time—28 2-5s.

Two mile run—Won by Eastman, Concord H. S.; Lewis, Manchester H. S., second; O'Connor, Worcester English H. S., third. Time—10m. 54 2-5s.

Pole vault—Won by Reed, Manchester H. S.; Lewis, Lynn, second; G. Doe, Sanborn S., third. Height—10ft. 3 1/2 in.

Twelve pound shot put—Won by Ruppell, Lynn C. H. S.; Dwyer, Medford H. S., second; G. Doe, Sanborn S., third. Distance—42ft. 5 in.

Twelve pound hammer throw—Won by Fisher, Tilton S.; G. Doe, Sanborn S. second; Ruppell, Lynn C. H. S., third. Distance—142 ft. 7 1/2 in.

Running high jump—Won by Gilliam, Worcester English H. S.; White, Lynn C. H. S., second; Harrington, Lynn C. H. S. third. Height—5 ft. 5 3-8 in.

Running broad jump—Won by Pepin, Dover H. S.; McDonough, Manchester H. S., second; Gilliam, Worcester English H. S., third. Distance—19ft. 9 in.

Mile relay—Won by English High, Boston (Williams, Ryan, Morgan, Patrick); Lynn C. H. S. (Lewis, Donovan Potter, Newhall), second; Dover H. S. (Pepin, Proctor, Collett, Cook), third. Time—3m. 45 1-5s.

The officials were as follows: Referee—G. B. Clark, B. A. A.; clerk of course—Harold Taylor, U. P.; assistant clerks—R. Beach, I. C. Perkins, C. H. Rogers; judges at finish, Prof. E. J. David, Prof. F. Rasmussen, P. C. Jones, F. G. Fisher; judges of field events, Prof. F. W. Taylor, C. F. Whittemore, V. Pinkham; timers, Prof. R. Whoriskey, G. L. Atwood, H. C. Holden, Dr. P. L. Reynolds; starter, H. R. Tucker; measurers, C. M. Lowd, T. A. Davis, C. A. McLucas; scorers, Prof. C. C. Steck, T. J. Twomey, G. L. Ham; announcer, Prof. C. E. Hewitt; marshal, H. F. Judkins; chief inspector, S. DeMeritt; inspectors, J. E. Ladd, D. W. Ladd, P. C. Gale, N. D. Paine, R. W. Smart, C. R. Heath, C. A. Reed, and L. A. Wilson.

AWARD OF PRIZES.

At intermission at the dance, held in the gymnasium last Saturday evening the team trophies and individual medals won in the track meet, held in the afternoon, were awarded by H. R. Tucker. The team trophy, a large silver cup went to Manchester H. S., while to Boston English H. S. was presented the silver trophy for the relay race. The winners of the individual gold, silver, and bronze medals for individuals winning first, second and third places are given above.

TRACK MEET.

Next Saturday afternoon the annual interclass athletic meet will be held. The feature of the meet will be the mile run, for the winner of which George B. Clark, of the Boston Athletic Association, who appeared in the lecture course last winter, has presented a costly cup. A large field will probably start in this event. The cup is on exhibition in the purchasing agents office.

Last Tuesday afternoon Albert E. Roberts of New York City lectured in Prof. Groves room on "Problems of Rural Progress."

PRIZE SPEAKING CONTEST.

First Ever Held by College.

The first interscholastic prize speaking contest which New Hampshire College has ever held was given Friday evening, in Thompson hall. The following was the program:

Selection, N. H. College orchestra.

Harry Benson Caswell, Austin Cate Academy, "The Unknown Rider" by George Lippard.

Edna May Mills, Sanborn Seminary, "The Toboggan Slide," anonymous.

Lawrence S. Mitchell, Medford High School, "The Defence of Massachusetts" by Burlingame.

Mildred E. Marshall, Goffstown High School, "Aunt Elnora's Hero".

Arthur Furber Brown, Sanborn Seminary, "Speech on the Service Pension Bill" by Claude M. Stone.

Etta Seward Waldron, Austin Cate Academy, "The Soul of the Violin" by Margaret Merrill.

Norman Francis Whippen, Sanborn Seminary, "Legal Beginnings" by Judge Shute.

Mabelle Annette DeMeritt, Austin Cate Academy, "Engineer Connor's Son" by Dromgoole.

Selection N. H. College Orchestra.

William John Fuller, Hampstead High School, "The Traitor's Death Bed" by Lippard.

Hattie Hazel Scruton, Austin Cate Academy, "Ginevra" by Susan Coolidge.

Mildred Elizabeth Glidden, Sanborn Seminary, "The Soul of the Violin" by Margaret Merrill.

Roland Jacobs Brown, Manchester High School, "The Exaltation of William Henry" by Herminie Templeton.

Ruth Stearns Rand, Austin Cate Academy, "The Leak in the Dyke" by Phoebe Cary.

Blakeney E. Hall, Goffstown High School, "Mrs. Stutson's Soft Soap."

Rosamond Marguerite Stevens, Sanborn Seminary, "How Uncle Jed Got April Fooled," anonymous.

Selection, N. H. College Glee Club.

The prizes awarded were, first prize fifteen dollars, Lawrence S. Mitchell second prize ten dollars, Rosamond M. Stevens; third prize five dollars, Mildred E. Marshall. Prof. E. J. David, Prof. G. C. Smith, and Mr. Albert S. DeMeritt acted as judges and Prof. Charles E. Hewitt presided.

BASEBALL GAMES.

The baseball team has been putting in a hard week of practice since the Maine trip and is ready for Bates this afternoon. The game should be a close one as Bates won from New Hampshire a little over a week ago even though the latter team out batted the winners. The lineup will probably be as follows: Swasey, first base; O'Connor, second base; Captain McPheters, short stop; Jones, third base; Reardon, left field; Gowen, center field; Kiley, right field; Welch, catcher; Adams or Sanborn, pitcher.

On Friday afternoon the team will play Springfield Training School at Durham. The line up will probably be the same as today with the pitcher who does not work today in the box for New Hampshire.

PRESIDENT AWAY.

President W. D. Gibbs left last Saturday morning for Illinois where he is transacting business for the college.

Prominent
Alumni.

JOHN GOODRICH HENRY, '77.

John Goodrich Henry, son of Willard and Emily Goodrich Henry, was born in Chesterfield, N. H., in 1858. His boyhood was spent on his father's farm and in attendance at the district school. At the age of fifteen he entered Powers Institute, at Bernardston, Mass. After one year at this school he entered N. H. College in the fall of 1874, graduating with the class of 1877. This class graduated thirteen men, at that time the largest class in the history of the college.

Soon after graduation he took up the study of medicine with Drs. Ira and F. W. Russell, at Winchendon, Mass., who at that time conducted The Highlands, one of the earliest and most successful private hospitals in the country for the treatment of nervous and mental diseases.

He entered Dartmouth Medical School in 1878, where he took a high rank and graduated as valedictorian in the class of 1881. The following winter and spring were spent in post-graduate work in New York city, and the next summer he commenced his medical practice at West Fairlee, Vt., near the, at that time famous, Ely Copper Mines.

Here for nearly three years he had an extensive medical and surgical practice in the mining community and the adjacent country. Early in 1884, following the failure of the mining company, he removed to Winchendon, Mass., and for the next two or three years was associated with the Drs. Russell, in special work and general practice. He then opened an office of his own and for many years conducted a large general and surgical practice in Winchendon and adjoining towns.

Five years ago, in company with Dr. W. B. Thorning, he established Millers River Hospital, at Winchendon, an institution which from a modest beginning has had a steadily increasing patronage, till now it has accommodations for twenty patients, and last year numbered among its patrons residents of eight different states. This is an up-to-date hospital designed chiefly for surgical work, although a few rooms are provided for mild nervous cases. Two years ago the partnership with Dr. Thorning was dissolved, Dr. Thorning soon after removing to Houston, Texas, and is now one of the leading surgeons of that city.

In addition to his hospital work, Dr. Henry has an extensive consultation and surgical practice in the towns of northern Worcester County and southern New Hampshire.

He is ex-president of the Worcester North Medical Society, a member of the Massachusetts Medical Society and of the American Medical Association. He is medical examiner of some twenty life insurance companies and fraternal orders. He is the School Physician of Winchendon, and for many years has been the chairman of the board of Library Trustees.

He is a member of the Masonic Order, Improved Order of Red Men, Golden Cross, the A. O. U. W., etc.

TWO SUCCESSES.

That the late cloud of trouble and dissatisfaction which has been hanging over the students of the college has been amply dissipated has been thoroughly proven. Had anyone an idea that such was not the case he had but to use his eyes and ears on Friday and Saturday of the past week. The feeling was one of absolute unity in trying to make every visiting school boy and every visiting school girl feel at home, and at the same time enjoy to their fullest content the pleasures afforded. We are in equilibrium again. As a result we can say that both the Declamation Contest and the Track Meet were successes in the best sense of the word. These were the first such events for us, so we feel unusually well pleased that they resulted so favorably.

The fifteen speakers who were brought together on Friday night gave some excellent illustrations of the art of declamation, and undoubtedly made it difficult for the judges to make a choice. However, the result reached by them seemed to be very popular, especially that which awarded first place to the man who so ably demonstrated on the next day that he had nimble heels as well as nimble powers of oratory. All were good, and next year there will be sure to be many more entries than this.

Never was a better day than last Saturday given to any bunch of athletes for a track and field meet. The air was warm, the wind was almost nil, and the track, which still soft in places, was the best that it has ever been. These resulted in one of the most keenly contested interscholastic meets ever held in New England; until the last event was over it was a toss up as to which of three schools would win. And the score of seventeen points which carried off the large championship trophy shows in itself what the fight must have been. The winning team was the "dark horse," as is so often the case. With so many of the greater Boston schools competing, it surely did not look as though the smaller institutions of our own state would have a chance of leading at the finish. Consequently when Manchester high school proved the successful one, it was a huge surprise to all—including the men themselves. This team was well balanced, and by scoring eight of

its points in the field and nine of them on the track did the seeming impossible. The New Hampshire congratulates the winning team and also each athlete who was so fortunate as to gain one of the medals. The meet as well as the Declamation contest was indeed a huge success; it was our first, and doubtless was rough in some places, but these crudities can be eliminated in another year. We believe that at that time the affair should be given the full day and that even more opportunity than was afforded this year to see the college itself be given the visitors, and a little more preparation for general reception of guests would make conditions such that they could not be better.

Thanks of all must be tendered to the members of the alumni for making both these affairs possible; through generosity of the class of 1911 the prizes for the contest of Friday evening were given, and through the generosity of the Alumni Association itself, it was made possible for the meet to be held.

The Clark Trophy for the mile run in the inter-class games next Saturday is a beauty. Let every man who can run four laps on the track and who is eligible for athletics get into this event and help to make things interesting—push the winner to the utmost. Here is a fine opportunity for the unknown to show his powers. Do it.

READINGS FROM BROWNING.

Last Monday evening Professor Whoriskey read to an appreciative audience selections from Browning.

WHY YOU SHOULD INSURE IN THE MASSACHUSETTS MUTUAL LIFE INSURANCE COMPANY OF SPRINGFIELD, MASSACHUSETTS.

Because it's a purely MUTUAL COMPANY—and pays dividends ANNUALLY to its policyholders, (Not to stockholders, because we have none.) It's premium rates are low—its dividends are very large, and its surrender values are extremely liberal—in fact it's "Peerless." Paid up values, cash surrender values, and extended insurance guaranteed after two years premiums have been paid.

Its assets are of the highest class, and its surplus is ample for all contingencies. Write us, giving date of birth and kind of policy desired, and we will forward a Specimen Policy for your inspection.

DE LAVAL CREAM SEPARATORS

Are In a Class By Themselves.

They cost but a little more than the cheapest, while they save twice as much and last five times as long as other separators.

They save their cost every six months over gravity setting systems and every year over other separators, while they may be bought for cash or on such liberal terms that they will actually pay for themselves.

Every assertion thus briefly made is subject to demonstrate proof to your own satisfaction by the nearest DE LAVAL local agent, or by your writing to the Company direct.

Why then, in the name of simple common sense, should anyone who has use for a Cream Separator go without one, buy other than a DE LAVAL, or continue the use of an inferior separator?

THE CALL IS TO

"INTENSIFY."

Eliminate waste, conserve energy, grow two blades of grass where one grew before—"intensify" in other words is the call today.

Intensified dairy cleaning yields its percentage of profit the same as intensified farming.

And how easy it is for dairymen to make their work of cleaning "intensive."

altho it requires less work, does dairy cleaning so thoroughly that dairymen do not hesitate to pronounce it the only dairy cleaning agent which really makes the cleaning "intensive."

"Intensive" because Wyandotte Dairyman's Cleaner & Cleanser cleans away every particle of dirt, old milk, and everything a bacteria could possibly thrive upon, thereby reducing the number of bacteria to practically nothing. And "intensive" because it leaves the dairy in a fresh, clean-smelling and wholesome condition.

Every Dairy Inspector in the United States and Canada recommends you to use Wyandotte Dairyman's Cleaner & Cleanser because it "intensifies" your dairy cleaning. This means better cleaning, less work, and higher quality milk, cream, and butter.

Why not then let Wyandotte Dairyman's Cleaner & Cleanser prove these facts. It costs you nothing if every claim is not met satisfactorily.

Ask your dealer for a sack or write your supply dealer.
