Springfield Game.

New Hampshire played better ball against Springfield than against Bates, and made a strong bid for the game.

The game was a tie in sixth inning, 6 to 6. Errors, however, combined with bases on balls by Samborn, and a single gave Springfield enough runs for the game in the next two innings. The final score was 9 to 6.

Swasey's and O'Connor's batting were the redeeming features of the game. Both players hit safely three times.

O'Connor hit for a single, a two and a three base hit. Swasey is credited with two singles and a two bagger.

In the first inning, Chittick obtained a hit on McPheters' wof of his high fly. Two of Putts sent him across the plate.

Briggs was hit by a pitched ball, and scored an error by Jones the result of trying to catch him stealing third base, and scored in the ninth when five clean singles totaled four runs. A base on balls, a single, and an error by Toomey resulted in the run in the seventh. Springfield clinched the game in the eighth, on a base on balls, an error, and a three bagger to the relief of a pitcher, which sent two runs across the pan.

For New Hampshire, McPheters scored the first run in the first on a base on balls, O'Connor's two base hit, and an error. In the fifth Swasey had led off with a two bagger and O'Connor had been hit by a pitched ball, Kiley hit cleanly to left center for three bases, scoring Swasey and O'Connor ahead of home.

He stretched his hit into home run when Springfield's center fielder handled the throw poorly. A base on balls and singles by Swasey and O'Connor netted two more runs for New Hampshire in the sixth. The final score was single to center drove the runs in.

WHY YOU SHOULD INSURE IN THE MASSACHUSETTS MUTUAL LIFE INSURANCE COMPANY OF SPRINGFIELD, MASSACHUSETTS.

Because it's a purely MUTUAL COMPANY— and pays dividends ANNUALLY to its policyholders. (Not to stockholders, because we have none.) Its premium rates are low— its dividends are very large, and its surrender values are extremely liberal. In the type of policy it offers, its rates are the lowest in the market.

DE LAVAL
CREAM SEPARATORS

Are In a Class By Themselves.

They cost a little more than the cheapest, while they save twice as much and last five times as long as other separators.

They save their cost every six months over gravity setting systems and every year over other separators, while they may be bought for cash or on such liberal terms that they will actually pay for themselves.

Every assertion thus briefly made is subject to demonstrate proof to your own satisfaction by the nearest DE LAVAL local agent, or by your writing to the Company direct.

Why then, in the name of simple common sense, should anyone who has use for a Cream Separator go without one, buy other than a DE LAVAL, or continue the use of an inferior separator?

FROM OTHER COLLEGES

Yale
The expenditure of $1,000,000 for improvements on the athletic field of the University was recently recommended by the Yale Athletic Committee. Some of the expenses recommended were $400,000 for a football stadium, $200,000 for a baseball stadium and $100,000 for a track stand.

Harvard
The historic elms in the Harvard quadrangle are to be cut down and replaced by new elms set in their place. The elms which have stood for a great many years are practically useless. Experts say that they are dying, and as soon as the student body leaves this June the dead oaks will be cut down. Opposition is expected to develop among the alumni.

Illinois
The University magazine has introduced the honor system into its sales department. The future editions of the periodical will be published on tables about the college campus, with placards announcing the price, and boxes to receive the money. No one will guard the magazine.

Smith
For the benefit of young women of limited means seeking an education, the college authorities are experimenting in cooperative keeping. One of the dormitories on the campus will be used for this purpose. In this the young women will live and keep house.

Pennsylvania
John Herr Musser, M.D., professor of clinical medicine in the University Medical School, died recently from an attack of heart failure. Dr. Musser was a medical authority and his loss has been greatly felt by the University.

Andover
Following the recent lead of Yale, the athletic authorities will permit no signaling to the baseball teams from the benches, and none of the usual chattering from the players in the field. The step is taken in the interests of sportsmanship in baseball.

Chicago
Past and present "C" men are raising a fund to send Jimmy Toulouse, the ground keeper at Marshall Field to the Olympic games this winter. It is also planned that he spend part of his time at his old home in Ireland.

Minnesota
The Athletic Board of Control recently voted to abolish intercollegiate baseball at Minnesota for one year. The cause was the inability of the coach to make up a team after the eligibility committee had reduced his squad to six men.

Michigan
Claiming that nearly three-fourths of the class of forty-six were either failed or conditioned in the recent examinations, the senior civil engineers held an indignation meeting recently and protested to the faculty.

Kansas
In an article headed "Three Hundred Seniors Have No Grandmothers" the Daily Kansas comments upon the fact that a very few invitations to the annual commencement are being sent out.

Brown
The Brown Daily Herald enters this week upon its twenty-second year of publication with a new board of editors and officers, and several changes in policy. According to editorial announcement Brown is the smallest college, numerically speaking, that supports a daily newspaper.

Ninety out of one hundred and seventy-five students to receive Rhodes scholarship honors last year were from the United States.
