TWO BALL GAMES LOST.

Bates and Springfield Winners.

The summary of the baseball games played by the nine this last week is as follows: Wednesday—Bates 7, New Hampshire 2; Friday—Springfield Training School 9, New Hampshire 6. New Hampshire was out played in both contests. Both Bates and Springfield clouted the ball harder, and made less errors in the field.

Bates Game.

Adams started the Bates game Wednesday, but retired in the fifty inning, when the Maine team began to solve his delivery. The trouble began in the third when Bates drove in three runs by clean hitting. Sanborn replaced him, and allowed but two hits during the rest of the game.

Bates scored in the second inning on Danahy's home run over Reardon's head in left field. Four singles, a stolen base, and a pass ball netted three tallies in the third. A combination of errors resulted in another score in the fifth. Two singles, two stolen bases, and an error gave Bates her last two, scored in the seventh.

New Hampshire scored in the first inning on Swasey's single, a stolen base and two wild throws. O'Connor scored on the fifth on a base on balls and a couple of errors. The summary—

Springfield Game.

New Hampshire played better ball against Springfield than against Bates, and made a strong bid for the game. The score was a tie in sixth inning, 6 to 6. Errors, however, combined with bases on balls by Sanborn, and a single gave Springfield enough runs to win the game in the next two innings. The final score was 9 to 6.

Swasey's and O'Connor's batting were the redeeming features of the game. Both players hit safely three times. O'Connor hit for a single, a two and a three base hit. Swasey is credited with two singles and a two bagger.

In the first inning, Chittuck obtained life on McPheter's muff of his high fly. Two put outs sent him across the plate.

Briggs was hit by a pitched ball, and scored on an error by Jones the result of trying to catch him stealing third base.

Sanborn weakened in the fourth, when five clean singles totaled four runs. A base on balls, a single, and fly to the outfield resulted in another run in the seventh. Springfield clinched the game in the eighth, on a base on balls, an error, and a three bagger to right field, which sent two runs across the pan.

For New Hampshire, McPheters scored the first run in the first inning on a base on balls, O'Connor's two base hit, and an error. In the fifth Swasey had led off with a two bagger and O'Connor had been hit by a pitched ball, Kiley hit cleanly to left center for three bases, scoring Swasey and O'Connor ahead of him. He stretched his hit into a home run when Springfield's center fielder handled the return throw poorly. A base on balls and singles by Swasey and O'Connor netted two more runs for New Hampshire in the sixth. The latter's single to center drove the runs in. The summary:

BALL GAME CANCELLED.

On account of the fact that the students of Norwich University are quarantined because of small pox, the baseball game scheduled with New Hampshire for Saturday has been cancelled. Swasey, Jones, and Welch of the baseball team will go to Rhode Island for the track meet Saturday and consequently Manager Buckminster has not secured a game for that date.

PROF. LUMSDEN APPOINTED

Prof. David Lumsden has been appointed State Vice President of the American Vegetable Growers' Association. The next convention is to be held in Rochester, N. Y., Sept. 4—6, 1912.

MASTER OF STATE GRANGE

Last Wednesday noon at chapel Richard Pattee, master of New Hampshire State Grange was the speaker. He emphasized the opportunity the State affords for a scientific agriculture.

In the United States there are 641 student publications in the colleges and universities. The majority are monthlies, of which there are 286. The college dailies number 19, the Yale News being the oldest.

JUNIORS WIN TRACK MEET.

Second Victory in Three Years.

For the second time in three years, the junior class won the interclass meet, which was held Saturday afternoon on the oval. The juniors scored 45 points. The sophomores came second with 37; the freshmen third with 29, and the seniors fourth with 5.

The mile run for the cup was won by E. L. Sanborn, special. Six men started in the event. They were grouped for first three-quarters. Sanborn then forged into the lead, and finished an easy winner. His time was 5 minutes, 3 2-5 seconds.

Owing to the house parties, the number of entries was not as large as in previous years. The meet showed, however, that there is some good material in the freshman class, and that new material has been developed in the sophomore class.

Five firsts and a second by Beach, three seconds by Jones, and points by J. Ladd, Hilliard, Jenness, and Lang gave the juniors the meet. T. Davis was the highest point winner for the sophomores with three firsts. The summary is as follows:

100 yard dash—Won by T. Davis, second, Jones '13; third, Heath '14. Time 10 2-5 sec.

220 yard dash—Won by T. Davis '14; second, Jones '13; third Heath '14. Time 24 seconds.

440 yard run—Won by Heath '14; second, Jones '13; third, Dustin '14. Time 57 seconds.

880 yard run—Won by Sanborn, special; second, Dustin '14; third, Ladd '14; fourth, Thompson '15. Time—2 min. 16 1-5 seconds.

Mile run for Clark cup—Won by Sanborn, special; second, Paulson '15; third Watson '15. Time 5 min. 3 2-5 seconds.

2 mile run—Won by Sanborn, special; second, Watson '15; third, Arthur '14; fourth, Mason '15. Time 11 min. 16 sec.

120 yard high hurdles—Won by Reed '15; second, Beach '13; third, Lang '15. Time 18 2-5 seconds.

220 yard low hurdles—Won by Beach '13; second, Reed '15; third, Lang, '13. Time 29 1-5 seconds.

Running broad jump—Won by Beach '13; second, Davis '14; third Ladd '13. Distance 18 ft. 7 in.

Running high jump—Won by Beach '13; second, Davis '15; third, Crosby '12. Ht. 5 ft. 1 in.

Pole vault—Won by Davis '14; second, Emerson '15; third, Jenness '13. Ht. 9 ft. 3 in.

Shot put—Won by Beach '13; second, Jenness '13; third, Crosby, '12. Distance 34 ft. 1-4 in.

Hammer throw—Won by Beach '13; second, McLucas '12; third, Hilliard, '13. Dist. 97 ft. 1 in.

The officials were as follows: Referee, G. B. Clark; clerk of course, Prof. A. F. Nesbit; assistant clerks of course, N. D. Paine, R. W. Smart; starter, Dr. P. L. Reynolds; timers, Prof. R. Whoriskey, Prof. E. J. David, H. C. Holden; Judges at the finish, Prof. C. E.

Heck, Prof. Fred Rasmussen, C. C. Steek, J. Judkins; field judges, Prof. F. W., C. F. Whittemore, V. Pinkham;, I. C. Perkins, G. A. McPheter, W. H. L. Brackett; scorers, T. Ladd, L. Wilson; marshal, L. W. Hitchcock; announcer, F. W. Putnam; chief inspector, P. C. Gale; inspectors, P. L. Gowen, R. W. Garland, G. N. Perkins, C. S. Adams, P. A. Foster, G. F. Lane.

CASQUE AND CASKET DANCE

Last Friday evening in the gymnasium the Casque and Casket society held its annual informal dance which was entirely successful. There were about seventy-five couples present.

Before the dancing began the members of the society in ritual robes of black performed the funeral ceremonies of a lost comrade, one who had for years served faithfully as guardian of the college museum. A march around the gymnasium, with the body of the deceased as the centre of attraction, followed, after which with due respect the bereaved ones, spell bound by the sound of "Miserere" from "Il Trovatore" played by the orchestra in the distance, listened to the mournful incantation of the order by Caecodil.

Following this the right royal robbers rendered a retributory but risorial requiem to the rancorona ruheztoze.

The committee in charge was composed of the following men from the junior class: Gale, chairman; Williams; Tubman; Jones; Foster; Bradford; Lane; A. W. Jenness; Leavitt. The college orchestra furnished music for the dancing which lasted until 12 o'clock

HOUSE PARTIES

The Kappa Sigma, Beta Phi and Theta Chi fraternities held the customary spring house parties Friday, Saturday and Sunday and as usual Durham for three days presented a gala appearance. On Friday the guests attended the baseball game in the afternoon and in the evening, the dance.

Saturday was taken up by the interclass meet and the fraternity dances. The young ladies returned home Sunday.

SIGNS OF COMMENCEMENT.

The members of the senior class began wearing their caps and gowns last Thursday.

GOVERNMENT INSPECTION.

The annual government inspection will be held Monday, May 27, and will take place during the forenoon and afternoon. The battalion will form shortly after 10 o'clock, and then march to the station to meet the 10.36 train, in order to escort Captain Raymond to the Armory. During the morning, the battalion will hold a parade, review, execute Butts Manual with music, and drill in close order. The companies will drill in close order, form guard post a relief and have old and new officers of the day, report to Capt. Raymond. In the afternoon the battalion and companies will drill in extended order. The battalion will march with advance guard and halt when directed. All lieutenants will be sent out with officers patrols. Field exercise will be held on return to the Armory.

INTER-CLASS MEET.

The fifth annual inter-class meet similarly to that conducted last year, was closely contested throughout. The fact that the class winning second place in the number of points scored was not determined until after the last event is indicative of the keenness of the competition. The work of Captain Beach, Davis, and Sanborn, who were the individual stars of the meet, was especially commendable.

A unique thing in social life is the college fraternity house-party. It is the time when Mr. College-man shoves his books aside; performs a much-needed reconstruction in his room, scrubs the floors and windows, perhaps, puts a book of poems, kept for the occasion, upon the center table; gets out his "sportiest" clothes and goes to meet the dainty one who is to grace the occasion for him. Everything is arranged for the comfort and enjoyment of the ladies who come. It is a good thing, a thing that men in a small college are all too apt to neglect, and which if he does neglect, has left something out of his life that he can never in another way put into it.

In our two parties we get here at New Hampshire just enough of the social life to keep us from being actually crude, and so those two are made as thoroughly enjoyable as is possible. We feel that the visitors of the past week-end must have enjoyed life, for with the baseball game, Casque and Casket dance, inter-class track meet, house dances, rides and walks there was movement all the time. Then, too, the spring-time with its fresh greenness, its blossoms, and its newly foliated trees, makes Durham one of the most beautiful of New England towns and that in itself it is a pleasure to see and to watch.

TRACK MEET SATURDAY.

The college track team will meet Rhode Island State in a dual track meet Saturday at Rhode Island. This will make the third time that the two colleges meet on the cinder path. Each is credited with a victory. Most of the winners Saturday will compete

DE LAVAL CREAM SEPARATORS

Are In a Class By Themselves.

They cost but a little more than the cheapest, while they save twice as much and last five times as long as other separators.

They save their cost every six months over gravity setting systems and every year over other separators, while they may be bought for cash or on such liberal terms that they will actually pay for themselves.

Every assertion thus briefly made is subject to demonstrate proof to your own satisfaction by the nearest DE LAVAL local agent, or by your writing to the Company direct.

Why then, in the name of simple common sense, should anyone who has use for a Cream Separator go without one, buy other than a DE LAVAL, or continue the use of an inferior separator?

FROM OTHER COLLEGES

Yale

The expenditure of \$1,000,000 for improvements on the athletic field of the University was recently recommended by the Yale Athletic Committee. Some of the expenses recommended were: \$400,000 for a football stadium, \$200,000 for a baseball stadium and \$100,000 for a track stand.

Harvard.

The historic elms in the Harvard quadrangle are to be cut down and red oaks set in their place. The elms which have stood for a great many years are practically useless. Experts say that they are dying, and as soon as the student body leaves this June the dead ones will be cut down. Opposition is expected to develop among the alumni.

Illinois

The University magazine has introduced the honor system into its sales department. The future editions of the periodical will be placed on tables about the college grounds, with placards announcing the price, and boxes to receive the money. No one will guard the magazines.

Smith

For the benefit of young women of limited means seeking an education, the college authorities are experimenting in co-operative house-keeping. One of the dormitories on the campus will be used for the purpose. In this the young women will live and keep house.

Pennsylvania

John Herr Musser, M. D., professor of clinical medicine in the University Medical School, died recently from an attack of heart failure. Dr. Musser was a medical authority and his loss has been greatly felt by the University.

Andover

Following the recent lead of Yale, the athletic authorities will permit no signaling to the baseball teams from the bench, and none of the usual chatter from the players in the field. The step is taken in the interests of sportsmanlike baseball.

Chicago

Past and present "C" men are raising a fund to send Jimmy Touhig, the ground keeper at Marshall Field to the Olympic games this winter. It is also planned that he spend part of his time at his old home in Ireland.

Minnesota

The Athletic Board of Control recently voted to abolish intercollegiate baseball at Minnesota for one year. The cause was the inability of the coach to make up a team after the eligibility committee had reduced his squad to six men.

Michigan

Claiming that nearly two-thirds of the class of forty-six were either failed or conditioned in the recent examinations, the senior civil engineers held an indignation meeting recently and protested to the faculty.

THE CALL IS TO

"INTENSIFY."

Eliminate waste, conserve energy, grow two blades of grass where one grew before—"intensify" in other words is the call today.

Intensified dairy cleaning yields its percentage of profit the same as intensified farming.

And how easy it is for dairymen to make their work of cleaning "intensive."

altho it requires less work, does dairy cleaning so thoroughly that dairymen do not hesitate to pronounce it the only dairy cleaning agent which really makes the cleaning "intensive."

"Intensive" because Wyandotte Dairyman's Cleaner & Cleanser cleans away every particle of dirt, old milk, and everything a bacteria could possibly thrive upon, thereby reducing the number of bacteria to practically nothing. And "intensive" because it leaves the dairy in a fresh, clean-smelling and wholesome condition.

Every Dairy Inspector in the United States and Canada recommends you to use Wyandotte Dairyman's Cleaner & Cleanser because it "intensifies" your dairy cleaning. This means better cleaning, less work, and higher quality milk, cream, and butter.

Why not then let Wyandotte Dairyman's Cleaner & Cleanser prove these facts. It costs you nothing if every claim is not met satisfactorily.
