Faculty Travel Reports from Summer 2019

Friday, November 8, 2019

The Global Education Center annually awards grants to faculty to present their research at conferences, collaborate with colleagues and make new connections around the world, conduct hands-on work, promote interest in UNH, and explore resources for developing a study abroad program. In 2019, faculty accomplished this in the fields of science, engineering, business, and culture. Applications for international development grants (</global/faculty-international-development-grants>) are offered in spring and fall. Learn more about each faculty member's international work (</global/faculty-travel-reports>).
