THE SPRING TRAINING TRIP.

Team Spends Week in South.

During the spring recess the baseball team took its first trip of the season, returning with a record of one victory and three defeats.

The first game with Dean was won by the latter team by bunching hits in the eighth inning. The final score was 3 to 2. New Hampshire did not fair so well at the hands of Brown, being easily defeated 12 to 2. The first victory was won against Springfield where Lang and Adams engaged in a pitcher's battle, New Hampshire winning 4 to 3 in eleven innings. The Worcester N. E. team had no difficulty in batting out a victory 15 to 3.

On their return the line-up of the team was changed somewhat and the team that defeated Bates 6 to 1 in the first home game of the season looked like a new aggregation. Not satisfied with this a coat of white wash was applied to Andover last Saturday, the score being 4 to 0.

Dean Game.

Dean won the game in the eighth inning on hits by Murray, Westcott, Sullivan and Grant. O'Mara twirled an excellent game, allowing only four hits and was exceptionally effective with men on bases.

The summary:

Dean 0 1 0 0 0 0 2 x—3
New Hamp. 0 0 0 0 0 1 1 0 0—2

Runs made by Sullivan, Murray, Westcott, Reardon 2. Stolen bases, Westcott, Sullivan, Murray. Ease on balls by O'Mara. Struck out, by O'Mara 8, by Sanborn 4. Wild pitch, O'Mara. Passed ball, Connolly. Time 1 hour, 55 m. Umpire, Murphy. Batteries, Dean O'Mara and Connolly, N. H., Sanborn and Welch.

Brown Game.

The Brown team battered Paulson for 13 hits, including a double, a triple and a homer. New Hampshire scored two runs in the fourth on hits by Brackett, Jones and Cram. Outside of this inning New Hampshire did not prove troublesome. The summary:

Brown 4 0 3 0 1 1 1 2 x—12
New Hamp. 0 0 0 2 0 0 0 0—2

Runs—Babington, Tewhill, Loud 2, Snell 2, Eayis 2, Andrews 2, Reilly, Dukette, Hobbs, Jones. Stolen bases Andrews 2, Babington, Dukette, Loud, Snell, Eayis, Jones. Two-base hits, Reilly, Jones. Three base hit, Andrews, Home run, Snell. Struck out, by Eayis 5, by Redington 3, by Paulson 3. Base on balls, off Eayis 4, off Redington 3, off Paulson 3. Time. 2 h. 5 m. Umpire, Eagan.

Springfield Game.

New Hampshire defeated Springfield Y. M. C. A., College in an eleven inning battle 4 to 3. Adams and Lang engaged in a pitcher's duel, the former allowing two hits and the latter three. Adams however was given much better support than Lang.

In the first inning Hobbs flied out, Fernald walked, stole second and third

and came in on Smith's wild throw to third. Springfield also scored in the first. Chittick walked, stole second and scored when Welch threw wild to second. In the sixth, Springfield scored two more. Chittick banged out a two bagger, Nelson walked and each moved up a base on Diehl's out. Both scored when Brackett fumbled Smith's ground-er.

In the seventh inning Cobleigh drew a pass, as did Cram, both moving upon Reardon's sacrifice. Adams singled, scoring the two. In the eleventh Welch walked and went to third on Jones two-bagger. Cobleigh hit to Fountain who failed to get Welch at the plate. Cram flied out and Reardon ended the game by grounding out to Nelson. The summary:

New Hamp. 1 0 0 0 0 2 0 0 0 1—4
Springfield 1 0 0 0 0 2 0 0 0 0—3

Runs—Fernald, Welch, Jones, Cobleigh, Chittick 2, Nelson. Stolen bases, Fernald 4. Brackett, Cobleigh 2, Cram, Chittick, Weit 2, Adams. Two base hits, Chittick, Jones. Base on balls, off Adams 6, off Lang 6. Struck out, by Adams 4, by Lang 8. Time 2 h. 5 m. Umpire, Reed. Batteries, Springfield, Lang and Smith. N. H., Adams and Welch.

Worcester N. E. Game.

Worcester had an easy time defeating New Hampshire 14 to 3. Both Sanborn and Paulson were batted at will. The summary:

Worcester 5 3 0 0 2 4 1 0 x—15
New Hamp. 1 0 0 1 0 0 1 0 0—3

Hits—Worcester, 13, N. H.—6, Errors, Worcester 5, N. H. 5. Batteries Worcester—Marland and Carroll. N. H.—Sanborn, Paulson and Welch.

Bates Game.

Bates, the team that led Harvard 3 to 1 for seven innings, came to town expecting an easy victory. It was a much disappointed team that left however, as they were easily defeated 6 to 1. New Hampshire played gilt edge baseball and connected with Bates' pitchers for nine hits. Sanborn pitched fine game, keeping the hits well scattered.

With two men on bases in the seventh Jones smashed out a three bagger scoring both men. Brackett and Burbee starrd for New Hampshire. The score: New Hampshire.

GOVERNOR FELKER

SIGNS BUILDING BILL.

Great Enthusiasm Shown. Bonfire, Speeches, Songs and Cheers were the Features.

Shortly before nine o'clock last Wednesday evening the chapel bell in Thompson Hall summoned together the college body to what proved to be one of the most enthusiastic gatherings in the history of the college. The occasion was to celebrate two events; the base ball victory that afternoon over Bates, and the state's appropriation of \$80,000 for the new engineering building. Early in the evening the freshmen class had secured the town for material for a bon fire with the result that an accumulation of fire wood fully twenty feet high greeted the students and faculty as they gathered on the crown of the hill just south of the library. A few gallons of oil and a match was all that was necessary to change this into a blazing mass which lit up the surrounding territory as bright as day. Within the circle of light the college body assembled and amid hearty applause

"Pa" Gale introduced President Fairchild as the first speaker. His speech was short but forcible and full of enthusiasm for the bright future of New Hampshire College. He said that at no time in its history had this college had so many friends as today.

He was followed in turn by Prof. Cardullo and Prof. Putman both of whom clearly showed what the new engineering building would mean to the college and state.

After the speeches were finished, college and old time songs were sung, and cheers were given.

Many times during the evening at the speaker's strong points, statements of present prospects, and bright predictions for the future "blue" with a din of horns, cow bells, whistles, etc. Genuine enthusiasm was the spirit of the evening.

THE SONG BOOK.

The Boston Music Co., is making every effort to have the new song book in the hands of the students of New Hampshire College on Inauguration Day, May 21. This may be too early a date for them to accomplish the work, but the book will certainly be here by June 1. There will be at least twenty real New Hampshire songs and some thirty more of the old timers, darkey melodies, Scotch and German Songs and four patriotic tunes. The publishers frankly state their opinion that this first song book of New Hampshire College is of unusual merit and they intend to make it worth considerably more than its selling price, one dollar. If the Two Year Men who have subscribed will leave their names and addresses with Miss Locke, in Smith Hall, the book will be forwarded to them upon its appearance. Prompt payment is desired by the editor in order to cover at once the cost of the book, one hundred dollars.

ANNUAL PRIZE READING CONTEST.

The second interscholastic prize speaking contest will take place on Friday evening at 8 o'clock in Thompson Hall. There will be ten speakers who will contest for the three prizes offered by the Alumni Association, the first prize being, fifteen dollars, the second, ten, and the third five. Nearly twice as many contestants have entered this year as last year, there being in all about twenty girls and fifteen boys. The judges of the contest will be Prof. Whorisky, Prof. Clyde Swan and Mr. George T. Hughes. All visitors are welcome to the contest which will begin promptly at 8 p. m. Friday evening.

The faculty tennis court has again been put in first class condition.

TWO YEAR GRADUATION.

With the 2 yr. '13 class about to pass out from college activities, there stands a total of 127 graduate students since the course was established by an act of the State Legislature in 1895. Since that time the enrolling classes have gradually increased in number, the 1914 entering class being the largest, with a total of 52 students. Since the graduation of the first class in '95 this course has been an increasingly great benefit to the State's agricultural interests for a great majority of the graduates have returned to their home farms to pursue some line of agricultural work. The graduation exercises which will occur Wed., May 14, at two o'clock are as follows:

Music	College Orchestra
Invocation	Rev. F. T. Knight
Paper	J. M. Bodwell
Class History	G. B. Huse
Music	College Orchestra
Address	Dr. C. D. Woods
Presentation of Certificates, President	E. T. Fairchild.

NEWSY NOTES.

The freshman baseball team defeated Brewster Academy at Wolfboro, Saturday 7 to 4. Batteries for 1916 was Cooley and Brown.

The annual interscholastic track meet takes place here next Saturday. A large list of teams have been entered and the meet promises to be very close. An informal dance will be held in the gym Saturday evening and the visiting teams will be entertained at the various fraternity houses.

"The Manchester Union" of a recent date contained an illustrated account of the defoliation of the college wood lot.

The 23 members of the track team appeared in new suits on the Tufts oval last Saturday.

DURHAM, N. H., MAY 7, 1913.

On the side lines at the baseball games on the home grounds, the students should take care to conduct themselves in a manner beyond reproach. It is easy in the height of enthusiasm to forget one's self so far as to lose all reason in the matter of gentlemanly applause, but a little forethought will eliminate any possibility of adverse criticism.

The interscholastic track meet which is to be held here Saturday, if as well conducted as that of a year ago, will be a very successful event. Its success depends upon the hearty response of every student to the call of those who are in charge of the meet and so it behooves each of us to do his best in a spirit of willing co-operation.

INAUGURAL PROGRAM.

Arrangements for the inauguration exercises are now fast approaching completion. Much important work has been and is being done, in preparation for the event to take place on May 21, and especially is to be noted the improvement in appearance of the campus. Following is the complete program:

FORESTRY NOTES.

The Forestry Department has completed its lumbering work in the college woods, and the saw mill has been moved away. Some what over 250,000 feet of pure hemlock and hard woods have been turned into lumber of all sizes and demensions from barn sills to tennis back stops and the best of square edged boards and planks. The cutting has in no way injured the appearance of the woods which are now in much better growing condition than before. All dead, dying, and diseased timber has been removed from the entire lot and as few of the large pines as possible were cut. The purpose of the cutting has been largely to prevent waste of the trees which were dying or rapidly deteriorating and to make room for new growth so that in the future there may be all ages of trees coming up to take the place of the very large trees as they gradually become decadent. The burning of all brush in piles has removed the appearance of a logging operation almost entirely.

W. M. Falconer has been engaged during the past week in supervising the planting of 50,000 forest trees in Warner, N. H.

Prof. Foster recently spoke before the Manchester Chamber of Commerce and was engaged for several days during vacation in examining private forest lands in Grafton County.

DE LAVAL CREAM SEPARATORS

TIME TESTED

If a member of your family were dangerously ill you wouldn't think of calling in an inexperienced doctor?

Certainly not! You would call a physician, who had built up a reputation, a man with experience and a successful practice.

Why not use the same care and common sense in your selection of a cream separator?

Every little while you hear of some new cream separator, claiming to be a "world beater," and just as good as the De Laval but a little cheaper.

These "mushroom" machines stay in the limelight only until they are "found wanting" by the users and in a short time drop out of sight.

It takes years of experience to build a "good" cream separator. More than 30 years of experiments and experience have made the De Laval pre-eminently the best machine on the market for the separation of cream from milk.

Even were other concerns not prevented by the De Laval patents from making a machine exactly like the De Laval they could not build as good a machine as the De Laval, because they all lack the De Laval manufacturing experience and organization.

If you buy a De Laval you run no risk of dissatisfaction or loss. It's time tested and time proven. Why experiment? Why take chances with an inferior machine when you KNOW that the De Laval is the BEST MACHINE FOR YOU TO BUY?

The new 72 page De Laval Dairy Hand Book, in which important dairy questions are ably discussed by the best authorities, is a book that every cow owner should have. Mailed free upon request if you mention this paper. New 1913 De Laval catalog also mailed upon request. Write to nearest office.

TUFTS WINS TRACK MEET.

Completely outclassed in practically every event, New Hampshire's track team went down to defeat at the hands of Tufts, Saturday, May 3 on the Tufts athletic field, by the score of 78 to 39. Out of the thirteen events New Hampshire succeeded in only capturing two first places, Clark winning the half mile and Pettee the high jump. For Tufts, Captain Atwater and Mansfield were easily the stars, each capturing two firsts, Atwater winning the mile and two mile and Mansfield the 220-yard dash and the 440-yard run. In the latter event he set up a new record of 51 1-5s. Sherburne of Tufts broke the Tufts college hammer throw record with a distance of 128 ft. 9 in.

New Hampshire was decidedly weak in the dashes, only capturing one point in 18. In the low hurdle race Reed captured first place and Capt. Beach third but all were disqualified and the race was run over again later and resulted in Reed pulking a second and Andrews a third.

The best race by far was the half mile in which Capt. Atwater of Tufts was forced to drop out. Up to this point it was nip and tuck between Clark and him for the lead. The pace however, proved too fast for him after his fast running in the mile and two mile. Paulson ran an exceptionally fine race in the two mile cutting Atwater's lead down considerably in the last lap, easily capturing second place.

The whole affair was run off in a slipshod manner, it taking three hours and a half to finish all the events. The officials were very poor and should have disqualified several Tufts men.

The lack of training, the spring vacation coming so close to the meet are the chief causes for New Hampshire's poor showing. The team has four good weeks before the Rhode Island meet and, with the material available, should have no difficulty in defeating them.

The summary:—

100 Yard Dash—Won by McLeilan, Tufts, Aldrich, Tufts, second, Mansfield, Tufts, third. Time, 10 3-5s.

220 Yard Dash—Won by Mansfield, Tufts, McLeilan, Tufts, second, Smart, New Hampshire, third. Time, 23s.

440 Yard Dash—Won by Mansfield, Tufts, Heath, New Hampshire, second, Fox, Tufts, third. Time, 51 1-5s.

880 Yard Run—Won by Clark, New Hampshire, Hays, Tufts, second, Katz, Tufts, third. Time, 2m 7 3-5s.

Mile Run—Won by Atwater, Tufts, McJannett, Tufts, second, Roberts, New Hampshire, third. Time 4m 38 4-5s.

Two Mile Run—Won by Atwater, Tufts, Paulson, New Hampshire, second, Barron, Tufts, third. Time, 10m 37 3-5s.

120 Yard High Hurdles—Won by Strecker, Tufts, Reed, New Hampshire, second, Whippen, Tufts, third. Time 15 2-5s.

220 Yard Hurdles—Won by Sterling, Tufts, Reed, New Hampshire, second, Andrews, New Hampshire, third. Time, 28 4-5s.
