ANNUAL DUAL TRACK MEET.

New Hampshire Defeats Rhode Island 82 to 35

New Hampshire overwhelmingly defeated Rhode Island, Saturday, on the athletic field in the annual dual track meet, scoring 82 to points to Rhode Island's 35 points.

Out of the 13 points New Hampshire scored eight firsts, eleven seconds and nine third places. In the field events, especially, the Blue and White romped away practically every place.

The first event of the afternoon was the 100 yard dash, which proved an exciting race, with Tabar and Sellers running neck and neck for nearly the entire distance. Tarbar nosed out a winner however in the last few yards. Foster of New Hampshire was an easy third. The timers got mixed up and the time for the dash was not taken.

In the mile run Roberts took the lead for the first half but was forced to give it up in the third lap to Kinney of Rhode Island. Clark kept plugging along, gradually cutting down Kinney's lead but was unable to catch the fleet Rhode Island runner, taking an easy second, with Roberts in third place.

It was necessary to run the high hurdle race twice as the wind knocked one of Reed's hurdles down and the Rhode Island captain desired the race run over. Reed won the race both times showing fine form and breaking the college record. His time was 17 1-5 seconds.

The 440 yard dash proved a thriller with the field of entries well bunched up for the whole distance. Coleman of Rhode Island took first place, closely followed by Heath and Foster of New Hampshire.

Paulson won the two mile run showing the great reserve power he had when he uncorked a dandy sprint down the last stretch that brought applause from the crowd. Roberts also ran a strong race capturing second place without much difficulty. Slocum of Rhode Island finished third. The time for this event was 10 minutes and 56 1-5 seconds.

New Hampshire took first and third in the 220 yard dash. Sellers and Coleman fighting hard for first position until the very end. Smart proved an easy third.

The half mile proved to be the most exciting race of the afternoon. Clark took the lead at the beginning and gradually pulled away from the other runners. On the last lap Kinney of Rhode Island pulled up, and down the last stretch was only a yard or two behind. He waited until the last four or five yards and then shot by Clark, who was not aware of his nearness. He tried to regain the lost ground but the distance was too short and he crossed the line a few inches behind. Finch and Watson battled all the way down the last stretch for third place, Finch finally nosing out a winner.

Andrew of New Hampshire won the 220 yard low hurdles running a pretty race. Reed of New Hampshire, after a poor start, succeeded in beating out

Captain Irons of Rhode Island for second place.

New Hampshire took all three places in the high jump, completely outclassing the Rhode Island men. Pettee took first, Pitman second and Steele third.

Hurd and Ham had no difficulty in capturing the first two places in the pole vault. Third place went to Lennox of Rhode Island.

"Chueh" Davis set a new college record in the broad jump with a leap of 20 feet 3 5-8 inches. The jump was a pretty one and brought a round of applause from the crowd. Andrew and Ladd took second and third places without much difficulty.

Rhode Island took first in the shot put, Palmer heaving the weight for a distance of 38 feet 5 inches. Bugbee took second place and Captain Beach third.

The hammer throw was the last event of the day, New Hampshire taking all three places. Beach was first with a distance of 101 feet 2 inches. "Noah" Sanborn took second and Bugbee third place. The summary:

100 yd dash: Won by Tabar, R. I., second, Sellers, N. H., third, Foster, N. H. No time taken.

ANNOUNCEMENT PROGRAM.

Graduation Festivities to Begin Sunday.

The annual commencement ceremonies of New Hampshire College will begin next Sunday morning and conclude Wednesday evening with the commencement ball. The greater part of the exercises will be held this year in the gymnasium, instead of in Thompson Hall as has been the custom in the past. The ceremonies will open on Sunday morning; the college battalion will escort the seniors to the gymnasium, where Dr. Murlin, President of Boston University will deliver the baccalaureate sermon. The annual prize drill will take place in the gymnasium on Monday evening, while the big attraction Tuesday morning will be the Senior-Faculty baseball game. The faculty have won this contest for the past two years, and consequently, a hotly contested struggle is anticipated this year.

On Tuesday afternoon, the class day exercises will be held in the gymnasium. P. C. Gale, president of the class, will deliver the address of welcome, followed by the address to the faculty and under-graduates by H. E. Hayden; class history by H. E. Loeko; and the class will be furnished by the college orchestra. After the exercises, the class ivy will be planted and P. C. Jones will give the address. In the afternoon at 4 o'clock the annual Sophomore-Freshman baseball game will be played on the athletic field.

The commencement exercises will take place in the gymnasium Wednesday morning at 10.30, following the battalion drill, which begins at 9 o'clock. Dr. Perry will deliver the commencement address, after which the degrees will be conferred upon the graduates. The senior reception will be held in the afternoon and the senior promenade on Wednesday evening.

GOVERNMENT INSPECTION OF BATTALION.

On May 26th Capt. Shindel of the U. S. Army inspected the college battalion. The morning was taken up with parade drill and the regular company inspection. In the afternoon, Company C. had guard mounting, while all of the companies had a certain amount of battalion drill, after which close and extended order drill was in order. Each company was also given some field work.

Capt. Shindel rated the companies on their individual showing, work of the officers, non-commissioned officers and privates as follows. Company C, 88%; Company B. 80%; Co. A. 75%.

SENIOR SKULLS INITIATION.

On last Monday evening, the annual initiation to the new members of the Senior Skulls Fraternity was held at Simpson's Point. The following members were taken in: C. J. Dresser, P. T. Sellers, J. H. Annis, W. H. L. Brackett, and R. W. Garland.

RHODE ISLAND DEFEATED.

New Hampshire Wins Ten Inning Battle

In the best game seen here thus far this season New Hampshire defeated Rhode Island in a ten inning battle by the score of 6 to 5.

The game was replete with sensational fielding and batting. In the tenth inning, with the score 2 to 2 Rhode Island scored three runs. This looked to be enough to win the game for them but New Hampshire came to the bat and succeeded in sending four runs across the rubber thus winning the game.

The Game In Detail.

First—Sullivan, the first man up, drew a base on balls. Hudson sacrificed but was thrown out at first. Newton struck out and Telley flew out to McPheters. Brackett grounded out; Fernald flew out to left field, McPheters slammed out a three bagger but Jones lifted up a fly which Sullivan gathered in.

Second—Neither team scored in the second.

Third—Bates failed to get a man to first. Gale got a base hit but was put out stealing second. Bissell struck out. Brackett got a hit, stole second and came in on a pass ball. Fernald grounded out, Telly to Seifert.

Fourth—Newton got a base hit. Telly struck out. Newton stole second. Seifert grounded out, Bissell to Cram. On a pass ball Newton scored. Briden struck out.

Score N. H. 1 R. I. 1.

Fifth—Both teams failed to score in the fifth.

Sixth—Sullivan got to first on an error by Cram and stole second. Hudson also got his base on an error by Bissell. Newton struck out. Sullivan stole third and scored on Telley's sacrifice. Seifert ended the inning by fanning.

Score N. H. 1. R. I. 2.

Seventh—Bissell pulled himself out of a hole in the seventh and Bates failed to score. New Hampshire men did not reach first.

Eighth—Hudson got hit but Bissell struck out the next three men.

Gale flew out to center. Bissell grounded out and Brackett knocked up a fly to Telley.

Ninth—Briden singled Lennox popped up a fly to Brackett. Nichols flew out to Cram and Coleman struck out. Fernald grounded out. McPheters got a hit. Jones slammed another single. McPheters goes out at second. Jones stole second and scored on Burbee's hit. Cram knocked up a high fly which Sullivan gathered in.

Score N. H. 2 R. I. 2.

Tenth—Sullivan struck out. Hudson got a hit. Went to second when Newton drew a pass. Telly banded out a two bagger, scoring Hudson and Newton. Seifert was out, Bissell to Cram. Briden got a single scoring Telly. Lennox got to first on an error but Nichols ended it by flying out to Jones.

Score N. H. 2. R. I. 5.

Reardon drew a pass and went to third on a hit by Gale. Bissell got another single scoring Reardon. Brackett followed with a screeching base hit, scoring Gale. Fernald also got a hit and Bissell came across with the tying run. McPheters flew to center but

DURHAM, N. H., JUNE 4, 1913.

The spirited send-off which the students afforded Coach Eberle when he left last Saturday to accept a position with the Pennsylvania Railroad was a fitting recognition of his efforts to turn out winning teams at New Hampshire. His record has been exceptional, for, although he had poor material from which to build a football team, the basketball and track teams under him responded to his coaching by winning from Rhode Island. It was well that we should give our best tribute to him who worked unceasingly that New Hampshire might win in athletics. Coach Eberle has touched a warm spot in our hearts and his service will long be remembered.

New Hampshire's defeat of her lively rival, Rhode Island, on the cinder path last Saturday, was New Hampshire's third consecutive victory in track, indicating decided superiority in that branch of athletics. The team as a whole was not only well balanced and by its showing complimented the work of Coach Eberle, but there also was a showing of individual stars with remarkable records. Andrew had wonderful speed over the low hurdles, easily trimming the captain and star hurdler of the opponents, while he was ably seconded by Reed in clearing the high sticks. The heading of the college record in broad jump in which New Hampshire won all three places, proved conclusively the ability of Davis who had previously been an unknown quantity in this event.

The many friends of Dean Pettee and Professor Scott are pleased at the token of appreciation which the college bestow

ed upon them when they were given honorary degrees on Inauguration Day. After many years of work for the college they both well deserve this added honor. New Hampshire College could do no less than to confer upon them her greatest gift in recognition of their unselfish and indefatigable service to our alma mater.

The fact that Mr. Bannon, our baseball coach, has volunteered his services gratuitously for that part of the season for which no appropriation has been made in the athletic association budget, indicates the keen interest he has in the success of the baseball team. Such an offer on the part of a man with many other duties indeed excites our admiration. Mr. Bannon, we do appreciate your deep desire for our success on the diamond and we admire the spirit which you display in trying to produce a winning team.

NEXT ISSUE.

The last regular number of "The New Hampshire" closes with this issue. The next issue will be commencement number, and will contain a supplement, similar to the one of last year.

CASQUE AND CASKET INITIATION.

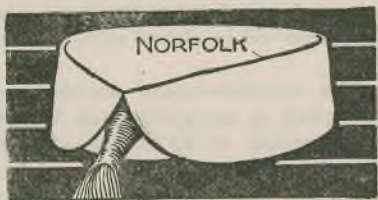

The Casque and Casket Fraternity held their annual initiation to new members last evening. The following members were taken in: L. S. Fiford, R. H. Kinder, W. F. Parker, A. L. Murdoch; W. S. Bartlett, R. A. Knight, R. C. Bowden, B. B. Fernald, and R. E. Came.

The last informal of the season was held in the college gymnasium last Saturday evening. It proved to be one of the most enjoyable ones of the year. The college orchestra as usual, furnished the music and gave excellent satisfaction.

DE LAVAL CREAM SEPARATORS

Cheapest As Well As Best.

Every sensible person wants the best of everything, but in many things the best is beyond their means and they must necessarily be content with something less.

In the case of the Cream Separator, however, the best is fortunately the cheapest as well, and it is of the greatest importance that every buyer of a separator should know this.

Moreover, the best is of more importance in the case of the Cream Separator than in anything else, since it means a saving or a waste twice a day every day in the year for many years.

It is true that DE LAVAL Separators cost a little more in first price than than some inferior separators, but that counts for nothing against the fact that they save their cost every year over any other separator, while they last an average twenty years as compared with an average two years in the case of other separators.

And if first cost is a serious consideration a DE LAVAL machine may be bought on such liberal terms that it will actually save and pay for itself.

These are all-important facts which every buyer of a Cream Separator should understand and which every local DE LAVAL agent is glad to explain and demonstrate to the satisfaction of the intending buyer.

If you don't know the nearest DE LAVAL agent simply address the nearest of our main offices as below.

NEW HAMPSHIRE DEFEATED

Loses Close Game to Bates by Score 7 to 6.

The New Hampshire College baseball team journeyed to Lewiston, May 27th and went down to defeat at the hands of the Bates aggregation by the score of 7 to 6.

Sanborn started the game for New Hampshire and pitched all right until the sixth inning when he blew up. Adams who was sent in fared little better. Bates tied up the score in the eighth, sending the winning run across in the ninth on a three bagger by Talbot and a single by Shepard.

New Hampshire started things in the first scoring three runs. One more was added in the second and one in the fourth and fifth innings. After that they couldn't seem to connect.

McPheters, Brackett and Hobbs starred for New Hampshire while Talbot and Shepard excelled for Bates.

"Wyandotte" is a cleaner cleaner, it always shows a lower bacterial count, it cleans more utensil surface per quantity used, it gives the dairy a more sanitary tone and its cost of using is always less in the end—these are the facts always claimed and you find them true no matter with what cleaning agent you may wish to compare "Wyandotte."

After a thorough investigation all Dairy Colleges know these facts to be the truth, for they use and recommend only Wyandotte Dairyman's Cleaner and Cleanser. To prove these facts to your own satisfaction ask your dealer for a sack or write your supply dealer for a keg or barrel.
