Piles Up Biggest Score in College History

BRODERICK GAINS 327 YDS.

Team Plays Hard Determined Game, Completely Outclassing Opponent
—Forwards Net 142 Yds.—
Attendance of 1,200

Last Saturday, November 17, New Hampshire trounced the Worcester Polytechnic Institute football team here on the college field, in the closing game of the season, by a score of 57-0.

The work of Captain "Charlie" Broderick, who played his last football game for the Blue and White, will long be remembered by those who saw the game. In the contest he rushed the ball 327 yards, sometimes breaking through Worcester's line for long gains and at other times dodging around the ends for 10 and 12 yards. Along with Broderick, "Dutch" Connors, the hero of the Maine game, was a feature of the victory. He plowed through Worcester's line at will, never to be downed by one man but always by two or three. Every man on the team deserves great credit. The line opened up holes every time they were called upon and held the visitors to four first downs. New Hampshire threw 32 forward passes during the game, of these 11 were successful and netted a total of 142 yards. The game was by no means a walk-away for New Hampshire, since she had to fight for her distance each time. The Massachusetts team stubbornly resisted as the Blue and White team rushed tirelessly back and forth with machine-like precision.

ALUMNI RETURN

It was a great day for New Hampshire. A splendid crowd of old New Hampshire men in the service and in civilian life were back to see and cheer the best team the college has ever turned out.

Worcester was without the services of her captain who is laid up with blood-poisoning in the jaw. Mossberg, the acting captain, played a good consistent game at right guard, while Hedenstadt was easily the star of the visiting team.

There was no celebration in the evening because of the entertainment which had been arranged in honor of the New Hampshire men in the service who had come up for the game.

GAME IN DETAIL

H. T. Irvine of New Hampshire kicked off to Worcester's 1-yard line and Fielder ran it back 5 yards. Hedenstadt made a yard and punted to the Blue and White's 30-yard line. "Dutch" made 4 yards in two plays. Humiston gained 6 yards around end. Broderick dodged through the line for 11 yards. "Hummy" attempted a pass. "Dutch" forwarded and Hedenstadt grabbed it. Shaw barely made 3 yards. Fielder plowed through for 10 yards and first down. Hedenstadt was held to no gain. Kittredge attempted a pass. Fielder gained 4 yards. Hedenstadt threw a forward into "Dutch's" hands and he made 20 yards before he was downed. Worcester broke through on the next play and Broderick lost 12 yards. "Dutch" gained 7 yards. "Hummy" attempted a pass. "Skeet" punted 41 yards and Kittredge was downed on his 4-yard line. Hedenstadt punted to Broderick who was downed on his 22-yard line. "Dutch" failed to gain. Broderick went through for 4 yards. Broderick made 8 yards from a pass from Humiston. Broderick again made 5 yards. "Dutch" plugged the line for a yard. Shuttleworth gained 3 yards. Broderick attempted a pass. "Dutch" drop-kicked a goal from the 18-yard line. Score 3-0.

FIRST TOUCHDOWN

Worcester kicked off to "Dutch" (Continued on Page Four.)

THE VARSITY FOOTBALL SQUAD.

APPLICANTS TO THIRD OFFICERS' TRAINING CAMP.

The following New Hampshire men have applied for admission to the Third Reserve Officers' Training Camp beginning January 5: W. E. Howard, '16; F. A. Barker, '19; E. W. Hardy, '18; J. F. Durgin, ex-'18; F. W. Hall, '18; I. C. Story, '15; W. H. Jeffers, '18; C. H. Coburn, '18; C. A. McLucas, '12; R. S. Groves, special; R. J. Evert, '19; and R. P. Nevers, '18.

The above names simply represent those who have applied to date. It is expected that the number will be considerably increased, since several students and alumni have not completed and filed the applications they took out. The quota allowed this college is twenty-six.

POULTRY CLASS RECEIVES PRACTICAL INSTRUCTION.

Practical work in poultry house construction is being given the class in Poultry Husbandry 61, by the construction of a colony brooder house. This house, which is 12 by 16, will take the place of four 6 by 8 houses, serving as a brooder house for chickens in the spring and housing fifty laying hens in the winter.

ALUMNI HONORED WITH SNAKE DANCE.

One of the most pleasing features of the big day was the assembling of fighting alumni for the taking of a group picture between the halves, and the snake dance in honor of these men. Jumping, hopping and running in "chains" of three men, a long line crooked itself down the field, around the goal-posts and wound crookedly by the section of bleachers on which the alumni were seated for the picture. After two "complete" trips around the field, with only slight casualties, the decks were cleared for action and the Blue and White came back to continue its mauling of "Tech."

NEW COMMANDANT.

Captain Samuel M. Parker, U. S. A., ranking major in the national army, has been assigned to New Hampshire College as commandant. It is expected that he will arrive here soon.

PLEGGED TO BETA PHI.

Clarence R. Cleveland, instructor in economic entomology, has been pledged as an honorary member to Beta Phi Fraternity.

Dean C. E. Hewitt will lecture on the slide rule at the St. Paul's school in Concord, N. H., giving one lecture a week for three weeks.

ANNUAL INTERCLASS GAME LOOKS GOOD

Both Teams Working Hard Under Good Coaches—Odds on Freshmen

Considerable enthusiasm has been created about the annual Freshman-Sophomore football game which is to be played today on the college field. The Sophomores, captained by W. R. Pierce, have been working out every night for the past two weeks in charge of Howard Willand. Coach Willand has got the following material from the varsity second squad to choose from: K. D. Blood, D. W. Clarke, L. C. Currier, N. R. Golding, R. C. Greer, F. W. Ladd, R. E. Shum, and I. L. Williams.

Ralph D. Brackett has been coaching the Freshmen, who are captained by G. H. Batschelder, and has had E. A. F. Anderson, K. D. Church, T. J. Craig, C. A. Cross, S. F. Hussey, A. S. Morrill, W. W. Wiggins, and G. E. Woodworth of the varsity second team with which to form his class team.

Last year the 1920 class football team defeated the 1919 team, on a field covered with three inches of snow, by a score of 12-0.

The Freshmen are eager to win this game for they have lost every inter-class contest so far this year.

The betting on the game is quite spirited the odds now being 2 to 1 on the Freshmen.

NEW HAMPSHIRE PITCHER GOES TO CAMP DEVENS.

The following appeared in the Boston Globe for November 20: All the draft districts in New Hampshire sent men to Camp Devens today to take the place of those rejected by examiners there.

The Concord district was required to supply but one man, and he was James E. Kiley, formerly a New Hampshire College athlete and widely known semi-professional baseball pitcher. He is now at the School of Military Aeronautics, M. I. T., and will report from there to Ayer.

L. A. CARLISLE SPEAKS AT AGGIE CLUB MEETING.

L. A. Carlisle, of the extension service, discussed the Boys' Club work at the meeting of the Agricultural Club last Monday evening.

Mr. Carlisle, who is in charge of this work in the state, described the different clubs and pointed out some of their achievements during the past year.

N. F. Whippen, '18, told the club of his results of potato growing in Kingston this summer.

At the business meeting, plans were discussed for the agricultural dance.

DEAN PETTEE VISITS AYER COLLEGE DAY.

On account of the necessary absence of President Hetzel last week, Dean C. H. Pettee represented New Hampshire College on College Day, Nov. 16, at Camp Devens, Ayer, Mass. Twenty-seven New England institutions of learning were represented, about one-half by their presidents and one-half by their deans. Arrangements for the college day were made by Rev. R. S. Hubbard, Secretary of the Committee on Training Camp Activities, Ayer, Massachusetts. In the afternoon the representatives were taken in autos about the camp, the Y. M. C. A. huts, the auditorium and hostess' house. The hospital, the barracks, and the trench systems were visited and inspected.

In the evening there was a general gathering at the Knights of Columbus building, where sections of the hall had been assigned to the several colleges. Twenty-three out of thirty New Hampshire men in the camp were present at the gathering. College songs were sung and cheers given by the several groups. New Hampshire kept up her end with songs, which attracted favorable attention throughout the hall. Addresses were made by Colonel Stuart on behalf of the Camp, and by President Lowell of Harvard on behalf of the visitors. Those who desired to remain were furnished entertainment for the night. The New Hampshire representative was the guest of Captain D. P. Crockett, class of 1916. The whole affair was a success in every way, especially to the New Hampshire men in camp, who were at this time given the first opportunity to assemble and talk over college days.

FIGHTING N. H. ALUMNI HAVE PICTURES TAKEN.

Between the halves of the game last Saturday the men back from camp and ship were grouped on a section of bleachers on the football field, and photographed by Mr. Moran. The sight of so many olive-drab or blue uniforms bore out the belief that New Hampshire is in the war "to the finish."

TO GIVE CONCERT AT AUSTIN CATE ACADEMY.

The Girls' Glee Club will give a concert, on December 8, at Austin Cate Academy in Center Strafford. Mrs. Charles L. Simmers will act as chaperon. The engagement was secured through the efforts of Miss Goldie Basch, '17, now teaching in the academy.

The attention of students and alumni is called to the song contest held by the Girls' Glee Club. Contest closes December 1.

MEN IN SERVICE ARE ENTERTAINED

Record Gathering at Gym In Their Honor

DISPLAY MUCH ENTHUSIASM

Varied Program of Speaking, Singing and Dancing—Men Show by Actions Effect of Military Life

That the soldiers and sailors back for New Hampshire day had a rip-roaring time, as was intended they should, was manifested by the enthusiasm they displayed at the entertainment given in their honor at the Gym Saturday evening. It was noticeable, however, that commingled with their good feeling, was a seriousness of mind and action which strikingly expressed the effect of military life. Coming by ones and twos on the morning trains, there was a sizable delegation on hand when the doors of the Gym were thrown open to receive the celebrants of the game and occasion. In fact the combined strength of students and alumni made it the biggest gathering ever assembled in the building.

PROGRAM

The program began at 7.15 with a selection by the orchestra. The Men's Glee Club gave "The Line Up," then a Charlie Chaplin film was shown. Hoffmann, '19, Ewart, '19, and Mr. Garabedian gave an instrumental trio, followed by the Girls' Glee Club with two selections.

Professor Whoriskey introduced as the first speaker, President Hetzel, who in his brief talk gave a warm welcome to the men who had returned, and spoke feelingly of the service they are giving their country. Next came the flag ceremony, which seemed of especial significance on such an occasion.

Lieut. C. B. Tibbetts, U. S. R., '17, was the first representative of the enlisted men. After a short speech of appreciation, he called upon the men from Camp Devens, who gave some of their songs and camp cheers.

PRAISES TEAM

Following a violin solo by Hoffmann, '19, Sergeant S. H. Boomer, ex-'19, spoke in praise of the wonderful showing made by the team in the game. R. C. Wiggins, president of the class of '17, was next, followed by Lt. S. W. Wentworth, U. S. M. C., '17, who gave an interesting account of his training in the marines, in the South. The last speaker was "Chuck" Sanborn, President of the Alumni Association. Slides of "College Celebrities" were shown by Mr. Moran, (the most striking one being a view of a cow peacefully grazing near "T" hall.)

At different times in the course of the program, Dr. Richards led in singing some of the popular songs, ending with "Alma Mater."

CALENDAR OF EVENTS.

Saturday, Nov. 24—Fraternity bids are issued. Annual Freshman-Sophomore football game.

Monday, Nov. 26—Sorority bids are issued. Girls' Glee club meeting at 7.30 p. m.

Tuesday, Nov. 27—General Pan-Hellenic meeting in Women's room at 8 p. m.

Wednesday, Nov. 28—Pledge day for sororities. Y. W. C. A. meeting at Smith hall.

Friday, Nov. 30—N. H. Club dance.

Friday, December 14—Junior Prom.

MAJOR C. A. HUNT IN FIRST LINE TRENCHES.

Major C. A. Hunt, '01, our commandant of last year, was in the battalion that captured the first German prisoner. He is in fine condition and was with the first troops to occupy first line trenches.

EDITORIALS.

THE LAST GAME.

New Hampshire's football team closed its season last Saturday in a most satisfactory manner. Captain Broderick, like Captain Westover of last year's team, made his last game for Alma Mater his best one. Of course, there were mistakes made that afternoon, but all through the game every New Hampshire player on the field was mighty popular with the rooters. Even if Worcester "Tech" was not such a formidable opponent, there was excitement enough for the most fastidious "roughneck." Beliefs of the speakers at the rally the night preceding the game were more than confirmed. In fact, to have our team roll up a score of 57 points was a feat that was hard for us to believe or appreciate.

The least that can be said is that ours has been a great team this year. The students believe that every player has trained faithfully and done his best. They know that the "scrubs" come in for their share of the praise, because due to their keen competition, the varsity men have had to hustle. Mr. Cowell, too, has made this his most successful season as coach here. His system and ideas have begun to work out in a most gratifying way. All honor to him for what he has done.

With such a wonderful start, the schedule of athletics to follow are looked forward to with high hopes, and, it is believed, with more "pep" and spirit than was exhibited by the students through the football season.

A CASE OF THEFT.

The freshmen are very properly indignant over the removal of the prints of their class pictures from the "T" hall bulletin board. The party, or parties, that took these prints had nothing to gain and everything to lose, because the pictures can be replaced and the thief's reputation for decency is gone—provided he is caught. It may be that the removal was accidental, but to all appearances somebody desiring to become famous in the eyes of his fellows considered it to be a cunning and well executed trick to "get away" with 1921's pictures.

In itself, this is a small thing, but it marks the doer or doers as being not above thievery when they deem the stakes large enough to warrant such steps. This is a college and as such should not have any such small, mean acts committed on college property.

CONFERENCE DISCUSSES SUBSTITUTE FOR FUEL.

A conference on the conservation of fuel supply in New England was held in the State House at Boston last Saturday in the office of J. J. Storrow, fuel administrator for New England. Every state in New England was represented, the representatives from New Hampshire being, Mr. Carr, of the Public Safety Committee, Mr. Ayres, acting state forester, and Professor Woodward from the forestry department of the College.

At the conference, the serious shortage of coal and the demand for a suitable substitute were discussed. The only logical substitute for New England is the supply of firewood in our forests and woodlots. The coal

shortage in New England is due partially to the increased demand for fuel by war ships, and 80 per cent. of the coal seized by the government comes out of the New England supply. Canada is using five times as much as in normal times, and this also comes from the New England field of supply. Fortunately we have large quantities of excellent firewood and the problem is one of getting the wood cut, seasoned and distributed in an economical manner.

THE SONG CONTEST.

In the period from 1898 to 1914, the students contributed voluntarily to the supply of college songs. Since then there has been little or nothing done. Dr. Richards, of course, has rendered yeoman service ever since he came here in 1912, but student contributions have been few and far between. For this reason, the plan of the Girls' Glee Club is a mighty fine one. When enthusiasm is shy and college spirit fails to add to the thickness of our song book, a little stimulant in the way of a five-dollar bill ought to produce the goods. All respect to the girls for having the business energy exhibited in this plan devised to add a few new and much-needed selections to our repertory.

POOR RALLY HELD ON EVE OF WORCESTER GAME.

The rally held in the Gym the night before the big game with Worcester was marked by its distinct lack of rally features. But despite the small attendance, Cheer-leader Brackett stimulated considerable enthusiasm in the gathering, which greeted the several alumni present with all kinds of vocal approval. Cries of "down in front" drove most of the old grads from the middle of the hall to the front, where they waxed eloquent in praise of the team, as well as in denunciation of the lack of spirit shown. Hardy, '10, "Jimmie" Hobbs, '15, "Bill" Brackett, '14, and "Chuck" Sanborn, '10, all declared that this year's team was the best ever, but they were united in the belief that the support given it was the "rottenest ever."

Mr. Cowell was the last speaker and stirred everyone with his opinion of the support given our team.

The band was conspicuous by its absence, but "Crap" Brackett promised that it would be on deck Saturday to make its share of noise and bring the rooters to a sense of college patriotism.

OUR DUTY TOWARDS CONSERVATION OF FATS.

"Conserve fat" should be the watchword of every American. Why should we use less fat? Our country is at war! The manufacturer of high explosives demands fat. There is an increasing demand for ointments and salves for the wounded. Oils are essential for our machinery in factories, in airplanes, in submarines, and for the machine guns. Lastly, but no less important, fat furnishes energy and the soldiers need it as a food. Their energy need is far greater than that of a civilian. We must conserve where there is an abundance so that our supply will remain adequate. How can we save? Eat less fat—the boys at Camp Devens do not have butter, we hear. First of all—we must not waste a bit of fat. Secondly, we must substitute other fats especially in place of butter. Various butter substitutes are on the market and butter must not be used in cooking. Suet and vegetable oils should be substituted.

The average American eats one-fourth pound of fat each day. He needs but one-half this amount. How may we help in Durham? By eating less butter and wasting no fat.

There will be a meeting of the Engineering society on Monday evening, Nov. 26th. Three reels of moving pictures will be shown entitled "The Benefactor." These films will depict achievements wrought for the benefit of humanity by our great inventor THOMAS A. EDISON. Every engineering student should be present at this important meeting.

Freshmen of Gettysburg college, Pa., are allowed to remove the buttons from their caps if they win two of the following contests from the Sophomores: football, baseball, basketball or debate.

PRESIDENT HETZEL SPEAKS AT CHAPEL

Analyses College Situation in Relation to National Crisis—Urges Individual Responsibility Among Students

"It is a good thing for a community as well as for an individual to indulge occasionally in a little self-analysis." This was President Hetzel's opening statement in his address to the students at Convocation Wednesday, November 21. He asked: how have we been getting on this year. Have we made what we aspired to make, or achieved what we ought to have achieved. We opened college with a certain amount of unrest, due to the circumstances. Thus far our social activities have been fairly sane. If anything they may possibly have been rushed a little, which should not be, because there is every indication that the college will continue its outlined work, without interruption.

FOOD SITUATION

The military demand upon us will continue, and we will have to meet it. Let us conduct ourselves in a sane and thoughtful way. Again, the food question is undoubtedly a great deal more acute than most of us suspect. Mr. Hoover at Washington the other day stated: "This year, in order to keep the Allies going, this country will have to export to the allied countries five hundred million bushels of grains. This is more than two hundred million more than the export of last year, and must come from our savings. It is not a case of our wishing to do this. It is a hard cold fact that we have got to meet it, and if we fail, we will experience a curtailment of wheat and wheat flour much more severe and far-reaching than the present curtailment of sugar."

WARNINGS

We have had a very gratifying athletic season, which shows that the college is being well represented by the physical achievements of its students. The scholarship, however is not so pleasing. Last year there were warnings sent to 48 per cent. of the Freshmen. This year 52 per cent. of the freshmen have received warnings. While a grade or examination is not an exact thing to judge by, it is a good index to show whether the students are grasping the opportunity offered them. The faculty may be in part responsible for this, but they are desirous of becoming acquainted with the troubles of the individual student. As freshmen it is easy to put off work until some later date, but the four years at college seem extremely short when viewed from the senior year. Self-confidence is a splendid thing, but the sooner one learns his capacity the better off he is.

Whatever is aimed at, it is well to form the habit of being responsible. Do not get the habit of letting "George do it," because usually "George" will be the one benefited most. The manner in which a situation is met, will indicate the amount of good received from it. The man who is creative and who can grasp the situation is the one who will succeed.

ATTENDS CONFERENCE OF FOOD OFFICIALS.

Prof. W. C. O'Kane recently returned from a trip to Montreal, Canada, where he investigated the military hospitals and attended a conference of food officials. During his stay he read a paper on "Black Flies in the Dixville Notch," to the students of MacDonald College.

TO AWARD BOOK OF POETRY TO WINNER.

The regular meeting of Book and Scroll was held at Dr. and Mrs. Richards on Sunday evening. A short business session was held. It was decided to award some book of poetry to the most successful contestant in the contest of which Dr. Richards has charge. Quotations were taken from Browning's poems for the last contest, and at the next one, selections will be made from Wordsworth's poems.

After the contest Miss Merrill read "Porphyria's Lover," "The Last Ride Together" and selections from "By the Fireside." The rest of the time was spent in a discussion of these poems and others of Browning. Miss Kelleher played two piano solos which were much enjoyed.

FOR THE DINING ROOM

You may need a few new pieces of furniture at Thanksgiving time. On our first floor we have displayed a fine assortment of

**This
"Warning Signal"
insures proper
speed on every
NEW DE LAVAL
Cream Separator**

NINE people out of ten turn the separator handle too slowly. Thousands of tests with experienced separator operators show this to be the case.

Other tests made by the highest authorities have shown conclusively that there is a big cream loss when the cream separator is not turned fast enough.

Such cream losses are avoided with the new De Laval. The Bell Speed Indicator on the New De Laval is a "warning signal" that insures proper speed at all times. No matter who runs the De Laval, this "warning signal" tells when the speed is not right. You hear it and do not need to see it. This one feature alone may easily save the cost of a cream separator in a few months.

But that is only one of the big advantages of the New De Laval.

Other advantages are greater capacity, closer skimming, and easier turning, simpler bowl construction and easier washing.

All the discs are now interchangeable and are numbered. There are fewer discs. On account of greater simplicity of bowl construction, the New De Laval is easier to wash and, capacity considered, is still easier to run than before. High grade construction and design, together with perfect automatic lubrication, are a guarantee of durability and satisfactory service.

BUSINESS MEN

E. D. Hardy, '06, is erecting engineer for the Westinghouse Electric Company. His present headquarters are at Worcester, Mass.

A. M. Johnson, '06, has complete charge of the sales division of the Westinghouse Electric Company in Maine.

E. D. Sanborn, '10, is farming in Fremont, N. H.

L. R. Nixon, '17, has charge of a farm in Plymouth, N. H.

W. H. L. Brackett, '14, is at his home in Greenland, N. H. He was sent there from his detachment of the medical corps because of an injury to his ankle.

J. A. Brosnan, ex-'19, has a corporalship at Camp Devens, Ayer, Mass.

N. J. Harriman, '17, is in the insurance business in Laconia, N. H.

G. W. Branam, ex-'11, since graduating from Raennessaler Polytech., has a position as civil engineer for the city of Albany, N. Y.

W. R. Partington, '16, is an electrical engineer for the Western Union Company.

L. S. Goss, ex-'19, is in the postal service at Laconia, N. H.

T. Sugrue, '12, is doing engineering work for the Boston and Maine Railroad at Nashua, N. H.

O. W. Glidden, '17, is a teacher at Whitefield High School.

J. Hobbs, '12, has made an application for admittance to the Aviation corps.

Mrs. Marion Chase Pettee, '17, teaches Spanish here at the college. Miss Natalie Ewer, '17, is teaching at Rye, N. H.

Miss Beatrice Fall, '17, is taking a course in sociology at the Vineland Training School, Vineland, N. J.

Miss Alice Fernald, '17, is teaching mathematics here at the college.

Miss Isabel Fernald, '17, is teaching at Sunapee, N. H.

Miss Verna Hardy, '17, teaches mathematics and French at Warner, N. H.

Miss Dorothea Hatch, '17, is teaching Latin and English at Orleans, Mass.

Miss Harriet E. Locke, '13, writes that she is teaching household economics at the Ruggles Street Neighborhood House in Roxbury, Mass. In summer she has charge of a Vacation House in Westford, Mass.

A letter from Wallace F. Purington, '10, was received at the office, announcing the birth of a son, Robert, at Concord, N. H., November 9.

C. F. Whittemore, '11, writes from Denver that he was married on July 10 to Miss Floy Rita Allen of Memphis, Tenn. "Whit" is working on radium compounds, in such demand for war purposes. His address is 935 Lafayette street.

H. C. Holden, '12, having done three years' fellowship work at the University of Pittsburg, has gone to Minneapolis, where he is working for the Washburn-Crosby Company.

Allan Leighton, '12, has given up his position as chemist with the Goodrich Rubber Company, to go back into the government service at the Pittsburg branch of the Bureau of Mines.

IMPORTANT POSITIONS

Forrest E. Cardullo, former professor of mechanical engineering, is in charge of materials at the Curtis Aeroplane Works, Buffalo, N. Y. The position is a responsible one, as a minute error spells loss of human life.

Frank McKone, '09, was at the plant as inspector this summer.

"Ike" Haines also spent several months in the factory. Glen Looms, '15, is in the drafting department, as a supervisor.

**WHEAT SITUATION MAKES
SUBSTITUTES NECESSARY.**

The wheat situation is very critical! Why? Until now our allies have received a large part of their wheat from countries other than North America. War conditions have forced them to come to us. We must supply them. Under normal consumption our allies and ourselves are 700 million bushels short. Canada and Great Britain have already reduced their consumption below normal. It is now up to us!

How can we lower our consumption? Only by substituting other cereals, principally corn, in every possible way. We must also use rye, oatmeal, buckwheat, hominy, whole wheat and graham flour, at every opportunity. The last two of these, whole wheat and graham flours, are made from the whole kernels, they require less wheat for a given weight given weight.

If we are going to win this war, our soldiers at the front must have a constant food supply. It is up to us to sacrifice! We must do our bit by eating less wheat.

**PAN-HELLENIC HAS
POVERTY PARTY**

More Than 125 Representatives Attended in Fitting Costumes—Varied Program, Including Dancing and Refreshments

Those who watched the festivities at the Pan-Hellenic poverty party in the Girls' Gymnasium last Friday evening must have been surprised to find how many poverty stricken specimens of humanity the college was able to produce in such a short time, for the ushers presented at least 125 characters in various stages of dilapidation to the receiving line. The receiving line was a revelation in itself, being made up of eight exceedingly poverty stricken persons who were introduced respectively as Miss Agatha Pann, Mr. Frye Pann, Mrs. Jemima Pann, Mr. Dustin Pann, Mr. Baker Pann, Miss Kate Pann, Patty Pann and Tim Pann.

The fun began with a Virginia Reel which was danced with so much vigor that scarcely anyone had breath for the one step which followed, and all were glad to rest when the program for the evening was announced.

PROGRAM

The program was in four parts. The first part featured the Bingville Vaudeville Company in a farce, "The Courtin'," which was much enjoyed, and a song, "Two Model College Girls."

The second part was entitled "The Reverie," and an original poem was read by a veteran of the Civil War while various characters of the present war went by on the platform. This ended with "Keep the Home Fires Burning" and the applause at the end of the act was well merited.

SCARE CROW DANCE

The third part contained another most amusing farce and a Scare Crow dance which was an unusual and clever act much appreciated. The program was concluded by the poverty quartet who sang most amusingly.

After the program all got in line for the ice cream cones and pop corn, which lasted but a short time. Then cries of "Auction! Auction!" were heard and a varied array of articles was brought in on a wheel barrow and auctioned off to the highest bidder. One lot contained souvenirs of the party in the shape of cleverly designed paper dolls and these were distributed to the guests. The evening ended with another dance and the singing of Alma Mater.

Prof. Whoriskey spoke at a mass meeting at Sanbornville Friday, Nov. 16, and at Goffstown Sunday evening, Nov. 18, in connection with the Y. M. C. A. drive for \$35,000,000.

On Tuesday, Nov. 22, he spoke at the opening of the new club rooms of the Men's Club of the Rockingham Heat and Power Co., Portsmouth.

DEFEATS W. P. I.

(Continued from Page One.)

who placed the ball on his 35-yard line. Broderick made 12 yards and "Dutch" 15 yards. Broderick again gained 5 yards. Stone for Ormsby. "Dutch" plowed through for 12 yards in two plays. Broderick gained 12 yards. Shuttleworth made a yard. "Dutch" was satisfied with 1 yard. Broderick took the ball over for the first touchdown. "Skeet" kicked the goal. Score 10-0.

Worcester kicked off and "Dutch" carried the ball to his 30-yard line. Broderick got 5 yards. New Hampshire was penalized 20 yards for hurdling. Ball was fumbled and New Hampshire recovered it on her 1-foot line. Irvine punted and Worcester brought it to the Blue and White's 22-yard line. Hedenstadt attempted a forward and in the next play made 3 yards on a line plunge. Kittredge carried the ball 8 yards. Hedenstadt made a yard and Shaw was held to no gain. Leavitt broke through the next play and downed Hedenstadt for a loss of 3 yards. Mossberg attempted a field goal, Jenkins blocked it and Harvell fell on it. Quarter over. Score 10-0.

SECOND QUARTER

The second quarter started on New Hampshire's 25-yard line. Broderick plowed through for six yards in the first play. Hewey for Shuttleworth. Humiston rounded left end for 9 yards. Broderick failed to gain. "Hummy" forwarded and Hedenstadt caught it. McGinn for Jenkins. Kittredge attempted a pass and was hurt. Arthur replaced him. A criss-cross, Hedenstadt to Shaw, netted 8 yards. Arthur hit the line for a yard. Fielder fumbled and "Dutch" recovered and ran 58 yards through a broken field for the second touchdown. H. T. Irvine failed to kick the goal. Score 16-0. Ericson for Fielder.

Worcester kicked off and Hewey ran it back to the 20-yard line. Broderick added 20 yards more. Davis for Humiston. "Dutch" attempted a pass. Broderick held for no gain. Hewey made 13 yards on a forward from Connor. "Dutch" gained 5 more on a short pass from Broderick. "Charlie" made 22 yards on the next two plays. "Dutch" plunged for 6 yards. Sessions for Manning. Broderick rounded right end for 12 yards. Hewey made a yard. "Charlie" went over for the third touchdown. "Skeet" kicked the goal. Score 23-0.

MAKE IT 29-0

Worcester received the kick and ran it back to her 23-yard line. Hedenstadt lost 5 yards. Then he punted and New Hampshire carried the ball to her 40-yard line. Hewey lost a yard and gained 4. Then he made 8 on a forward from Broderick. Davis went around end for 7 yards. New Hampshire was penalized 20 yards for holding. "Dutch" made 22 yards on a pass from Broderick. Broderick put ball over for fourth touchdown. "Skeet" missed the goal. Score 29-0. W. Irvine for H. T. Irvine.

Worcester kicked off to Hewey who placed the ball on his 30-yard line. Hedenstadt caught a forward from "Dutch." Lovell for Lawton. S. D. Connor for Graham. Arthur fumbled and Gadbois fell on it. "Dutch" attempted a pass. Broderick gained a yard and "Dutch" attempted another pass. Here "Dutch" punted over Worcester's goal line and the ball was put in play on her 20-yard line. Ericson made 6 yards. Hedenstadt is held to no gain. Broderick waived substitution and Robie replaced McCaffery. Ericson lost a yard. Hedenstadt broke loose for a 30-yard run. New Hampshire's ball on a fumble. Broderick attempted a pass and then made 18 yards around end. Arthur caught a forward from "Dutch." Hedenstadt gained 2 yards then punted 45 yards to Broderick. "Dutch" attempted to forward. Half over. Score 29-0.

SECOND HALF

Jenkins, Humiston, H. T. Irvine, Shuttleworth, and Graham were back in the game again for New Hampshire and Manning for Worcester. Worcester kicked off to Broderick who carried the ball to his 40-yard line. Broderick made 16 more on the first play. "Dutch" gained 3 yards through left guard. New Hampshire suffered a penalty of 10 yards for having seven men on the line. "Dutch" netted 20 yards on a long pass from Humiston. Broderick made 17 yards on the next two plays. "Dutch" scored the fifth

touchdown. Broderick kicked the goal. Score 36-0.

Worcester kicked off to "Dutch" who placed the ball on his 47-yard line. Here Broderick fumbled, a Worcester man got it and fumbled it, and "Skeet" Irvine recovered and ran 53 yards for the sixth touchdown. Broderick again kicked the goal. Score 43-0. Worcester kicked off to "Dutch" who brought the ball this time to his 31-yard line. He gained a yard on the first play. Broderick went around end for 19 yards. "Dutch" added 16 yards on a forward pass by Humiston. Shuttleworth made 13 yards on the first down and 5 on the second. Broderick was held to no gain. "Dutch" bucked the line for 9 yards and Shuttleworth was sent through tackle for 2. "Dutch" plowed the line for 6 yards and a touchdown. Broderick kicked the goal. Score 50-0.

W. P. I. GETS BALLS

Mossberg kicked off again, this time to Leavitt on his 22-yard line and he made 15 yards before he was downed. Humiston attempted a pass. On the second down Broderick gained 11 yards on a pass from "Hummy." Humiston attempted another forward. Broderick made 5 yards. "Dutch" added 9 more. Humiston lost 11 yards on an attempt to pass, he was downed before he could throw it. "Hummy" threw a long forward to Ericson and Worcester had the ball for the first time in the second half. Ericson gained 2 yards and Hedenstadt added 7 more. Hedenstadt made 2 yards and first down. Ericson lost 2 yards and was held for no gain on the next two plays. Arthur attempted a forward and on the next play punted 25 yards to Broderick who ran it back 5 yards. Broderick attempted a pass. The quarter was over on New Hampshire's 41-yard line. Score 50-0.

FOURTH QUARTER

Fielder for Shaw. Davis for Humiston. Hewey for Shuttleworth. Carrier for Leavitt. Broderick lost 2 yards. Hewey gained 6 around right end. H. T. Irvine punted 55 yards and Worcester brought the ball to her 16-yard line. Arthur immediately punted back and Broderick was downed on his 26-yard line. A forward from "Dutch" to Hewey netted 13 yards. Broderick made 2 yards and lost 7. Here Davis ran half the length of the field for the last touchdown. Broderick kicked the goal. Score 57-0.

Worcester kicked off for the last time to Davis who fumbled, but Broderick was there and he rushed the ball to his 32-yard line. Hewey made 3 yards and Broderick 2. "Dutch" tried a forward. New Hampshire penalized 5 yards for having only six men in the line. "Dutch" went through tackle for four yards. "Skeet" punted the ball off the field. Worcester's ball on her 22-yard line. Arthur attempted a pass. Sawyer for Parsons. Arthur forwarded into Harvell's hands. Davis was held for no gain. "Dutch" made 11 yards on a pass from Broderick. "Dutch" forwarded into Robie's hands. Hedenstadt had to be satisfied with a yard. Arthur made no gain, as New Hampshire's line was like a stone wall. Ericson punted to the Blue and White's 55-yard line. "Dutch" attempted a pass. Broderick made 15 yards. "Dutch" added 14 more on a forward from "Charlie." "Dutch" attempted another pass. New Hampshire was penalized for having only five men in the line. Broderick gained 13 yards on an end run. Hewey added 3. Broderick bucked the line for 2 yards. "Charlie" attempted a pass. On the next play "Dutch" fumbled and Worcester recovered. Ericson made 3 yards. Hedenstadt could only make a yard. Ericson punted 30 yards to Broderick who ran it back 25. "Dutch" attempted a forward. The whistle blew and New Hampshire had closed its season with an overwhelming victory. Score 57-0.

MRS. O. V. HENDERSON SPEAKS TO Y. W. C. A.

"Why We Should Continue to Support Foreign Missions," was the title of the talk given by Mrs. O. V. Henderson at the weekly meeting of Y. W. C. A. Mrs. Henderson is chairman of the advisory board of the local association and has been active in missionary society work for several years.

She gave many reasons for the supporting of mission work among which were the following: 1. European countries were obliged to recall their mission workers some time ago. 2. Unless some of the eastern races become cultured through Christianity they will soon wage war more than the present war. She also spoke of the foreign secretaries who are unable to return to their homes because of the international relations. Her main point was that in thinking of our own troubles we must not forget our friends in the orient.

H. E. 21 GIVES SUGAR SUBSTITUTE EXHIBIT.

A well prepared sugar substitute exhibit was conducted at the Library last Saturday afternoon by Josephine Furber, '18, and Ruth Hadley, '18, as a part of the special problem work in H. E. 21.

At one table there was arranged a display of substitutes for granulated sugar on a comparative basis with one hundred calories as the standard. While the heat value of the samples was the same, the bulk, weight and cost showed considerable variation.

Appetizing food for the three daily meals was exhibited on a set-up table, its feature being the absence of sugar in preparation.

ALPHA TAU OMEGA HOST TO MANY AT RECEPTION.

Last Wednesday the Gamma Theta society here became the Delta Chapter of the Alpha Tau Omega fraternity. The change was effected by a degree team of Alpha Tau Omega members from several New England colleges and the initiation lasted two hours. The ceremonies were under the direction of Emerson Packard, Province Chief of Province No. 4, which includes the New England states. He was assisted by Charles Curtis of Brown. The colleges represented by the delegation were Brown, Rhode Island, Massachusetts Institute of Technology, Tufts, Colby, Worcester Polytechnic Institute, University of Maine, and University of Vermont.

Following the initiation, there was a reception at the Gamma Theta house attended by students, members of the faculty and townspeople, and in the evening there was a banquet at the Grange Hall.

A

Thanksgiving Greeting

To her many friends who have made this past year a significant one in her history, Durham Church extends greetings and heartiest wishes for a happy Thanksgiving. May the joy you have brought us by your sympathetic interest and hearty support, return to you a hundred fold! And may you guard and cherish forever that deep satisfaction which God gave you when you laid your gifts beneath the Red Cross and the Red Triangle. We cordially invite you to our two Thanksgiving services on next Sunday. In the morning our pastor speaks on "The Man Who Said Thank You." In the afternoon at five, our organist and splendid chorus will cheer and inspire us in the first vesper service of the season. "Let us give thanks unto the Lord."

Yours in the Bond of Friendship,
DURHAM CHURCH.
