MARTIN AND HIGGINS DESERVE CREDIT

In addition to his bit of hard work, Martin, with records of Westminster's, was able to do his bit of hard work. The New Hampshire team, which included the three best athletes, finished in the upper third of the pack, and was the first New Hampshire team in the history of the event to be in the upper third for the second consecutive year. The New Hampshire team was composed of Martin, who finished first in the 220-yard dash, Higgins, who finished second in the 880-yard run, and Leath, who finished third in the 100-yard dash. The New Hampshire team also included Martin and Higgins, who finished first and second in the 440-yard dash, respectively.

R. G. Stimson of Wesleyan came next, followed by MacCready of M. A. C. and Buker of Bates. The New Hampshire team was pitted against the local team, which was led by Martin and Higgins. The New Hampshire team was given credit for its performance and was the only team to finish in the upper third of the pack.
