ALUMNI NOTES

At the Congregational meeting of the Alumni Association last week, two of the three members of the Executive Committee who were present were re-elected for the ensuing year. They were: C. G. Speight, of Lilydale, Maine, who is chair- man; and W. F. Burt, of Andover, Mass., who is secretary. The third member was absent.

Both men were enthusiastic supporters of the Alumni Association, and plan to cooperate in promoting the welfare of the institution, and to increase the number of members of the association, and to popularize the Alumni Association.

The task of raising money in aid of the association is one of the most important, and last year the Alumni Association raised $10,000 for the construction of a new building to house the association and its activities.

The Alumni Association has a large membership, and the council is working hard to increase the number of members, and to keep the association active and busy.

The Alumni Association has many activities, including an annual meeting, a reunion, a scholarship fund, and other programs. The council is working hard to promote these activities and to keep the association active and busy.
