Webster Tite Plan to be February 28—Lead by Carl Webster, Cellist

The Lyceum course will be given at 8 P.M. in the evening of Tuesday, February 28. The attraction will be a concert of string chamber music, given by the Webster Trio, consisting of Mrs. Webster on viola, Miss Emily Wardwell-Russell, on violin, and Carl Webster on cello. The program will include a transcription by a member of the group of works by Mozart, Haydn, and Schumann. The members of the Trio have been in Europe and have studying and playing experiences in the concert halls of the more famous cities. The concert will be given in the same spirit and with the same zeal that has characterized Webster Trio performances in the past. The audience is cordially invited to attend this unique and enjoyable evening of music.

**Subjects of Interest**

Pro. Woodrow Speaks of "Values of Land," by Head of Forestry Department—Professor Preparing Agricul tral Economics

As a means of making the gain from the standpoint of students, the agriculture department has scheduled a program on "Values of Land," by Head of Forestry Department, Prof. Preparing Agricultural Economics, for the evening of February 28. The program will include a discussion of the economic value of land in different regions and the importance of proper land management. The program is designed to inform students about the economic benefits of land management and the importance of preserving natural resources.

**FARM SHOWS**

As a starter for the foresters, a visit to the farm shows in the state will be a worthwhile experience. The shows provide an opportunity to observe the latest developments in agricultural practices and learn about the different crops and livestock being raised. The shows will feature demonstrations of new farming techniques and equipment, as well as exhibits of agricultural products. Attending the shows will provide students with a better understanding of the agricultural industry and its importance to the state economy.

**VALUES FORWARDED**

As a further step, the foresters will be encouraged to forward the information from the farm shows to the students. This will allow the students to gain a deeper understanding of the agriculture industry and its impact on the state economy. The foresters will also be encouraged to share their experiences and insights with the students, allowing them to learn from the foresters' knowledge and expertise.

**FORUMS VARIOUS**

The interest in agriculture shows is further encouraged by the various forums and discussion groups that are being organized for students. These forums provide a platform for students to express their thoughts and ideas on agriculture and share their experiences with their peers. The forums will also allow students to learn from each other and develop a greater understanding of the agriculture industry.
