March came in like a lion for the Merrimack Club, as the former foreclosed on the records left last week of over $20,000, and promptly spent the amount in good stead. With $20,000 on hand, the club is all set to launch its campaign, the first big step toward the foundation of the Dartmouth Memorial-Field Fund of New Hampshire.

The campaign to all "Old Grads" of the classes from 1900-1921 has acted as class leader in the campaign. The first big step toward the foundation of the Dartmouth Memorial-Field Fund of New Hampshire is due to Chris. J. O'Leary, who has been instrumental in the successful campaign.

The semi-monthly meeting of the Parnell-Corriveau Post, No. 358, was held Wednesday, March 2, in Smith Lecture Room. On this occasion, the seniors of the college assembled to hear Miss Woodberry speak on Americanization.

Miss Woodberry was appointed to act as a chaperone for the co-eds to the "Gym" party for all women students. This party was held in the near future preparatory to the "Stagging" and, as a result, the majority of the co-eds were unable to attend.
