A. A. K. A. ACCEPTS AMENDMENT

New Hampshire at New Hampshire Marked by Vote to Increase Number of Majors—Fourteen Votes for New Hampshire—One Vote for Dartmouth—Eighteen Members Present

At a special meeting of the New Hampshire College Athletic Association held last Wednesday at the gymnasium, the constitution was amended to include cross-country among the major sports and to add to the number of members of the Association.

The amendment provides that in the event of a tie the constitution shall be revised by a majority vote of the members present at the meeting.

The amendment was adopted by a vote of fifteen to three.

Mr. R. V. Thompson, the Professor of New Mexican History and the only representative of the New Mexico contingent in the East, was present at the meeting of the Association.

The Association met at the New Hampshire Museum of History and Science, and was called to order by Mr. Thompson.

Mr. Thompson read the constitution and by-laws of the Association, and introduced Mr. W. E. C. Allen, the President of the New Hampshire College Band, who spoke on the importance of music in college life.

Mr. Allen stated that the music department was one of the most important departments of the college, and that it was necessary to have a well-balanced program of music, including both classical and popular music.

Mr. Allen also stated that the music department was well-supported by the students, and that the concerts given by the band were always well-attended.

Mr. Allen concluded his address by expressing the hope that the music department would continue to grow and prosper.

The meeting adjourned.
