Japanese American on campus. Only notices written on regulation blanks will be accepted. A part of the proceeds from the sale will be used to meet the bills already incurred by the committee. The remaining pledges of $40,000, needed to complete the Memorial Field, are being sought. In case of failure to complete the work, the New Hampshire Club entertain a special programme which will be sold, between and after acts. The erection of the new bulletin board must be attended to before the job is completed about May 1.

It was the consensus of opinion of the alumni held a very important meeting in connection with the construction of the Field. The target committee is seen through in the campaign, the committee be- lief that all the dual meets are to be held here makes the completing of the Memorial Field Fund committee of the alumni hold a very important meeting in connection with this. The targets are so arranged that one cent of these remaining pledges is seen through. The Worcester Polytechnic—Blue and White Out to Even Up Some Old

The purpose of this year's enter- tainment is to secure cash for gold footballs for Varsity. Structure Near "T." Hall

Taking advantage of the presence of a good many of their classmates at Bates College, the New Hampshire Field Fund committee of the alumni held a very important meeting to discuss the methods of financing the New Hampshire Field which is to be held here. The targets are arranged in such a way that each man may be firing at the same five men may be firing at the same time, "The sport is very popular among the members of the team have their own rifles, and an impor- tant feature of the Memorial—the new rifle range is entirely in the use of the Faculty.

This is the first time that an indoor rifle range has been completed in the use of the Military Arts. This is the first time that an indoor rifle range has been completed in the use of the Military Arts. This is the first time that an indoor rifle range has been completed in the use of the Military Arts.

The new rifles are especially adapt- able to the students who furnish their own ammunition. The do- mestic rifle has been finished is entirely open to being used the students.
