Dear classmates,

The Alumni Department has now printed the May issue of the New Hampshire, which you should have received by this time. If you have not received it, please send us your address. The Alumni Department is working hard to get the paper to you in a timely manner.

The Alumni Day Committee must still receive pledges for the scholarship fund. We also need your help in collecting pledges from our fellow alumni. The pledges that we receive will be published in the May issue of the New Hampshire.

I hope that you will continue to support your college and your fellow alumni. The New Hampshire is a vital part of our college community, and we need your help to keep it going.

Sincerely,
