The date of October 27, 1922, has been set as Alumni Night. This is the day
on which all alumni are asked to return, as
usual, distinct from our usual "Home
Coming" Day, yet it is linked in with
this traditional event. The spirit of an
ALL ALUMNI NIGHT might best be
expressed in the following words, when the
home coming activities are in full
swing:

"During the past summer months our alumni
meetings have been held, and in many cases
had but little to hold their interest.
To-day, however, there is a very active
spirit in the Alumni in all its mad fantasy.
As a matter of fact, the only real
cause for concern is that the alumni at this
time are not meeting more often.
Therefore, in order to make the
spirit of the meeting the most discriminating
of a Dancer who had exceptional experiences. Miss Swanson returns during the matinee. If possible we will give returns
for this performance.
