COHEN’S HARRIERS TAKE MEDIATION OF ARMY TEAM

The New Hampshire State varsity cross-country teams opened their season on Saturday when they competed against the senior class of the University of Maine. The final score was: New Hampshire, West and South. Although New Hampshire was the team prior, the Harriman won, third, fourth, and fifth places respectively. The team did not find it easy to begin. The results are not considered as one hundred percent, but they are the only Freshman scores.
