Durham, N. H., January 24, 1923

PRES. HETZEL

SPEAKS ON APPROPRIATIONS

Explains Bill Which Will Be Passed Before Present Legislature

ASKS FOR BIG SUM

Extensive Building Program Is Planned—Analyzing Accounts Are Needed

Not Meeting Requirements—Rationized-Based, Over-Crowded Laboratories

That the maintenance appropriation for new buildings isn’t enough, work, which are being represented of that magnitude, as architects will show a reduction in the cost per student of $1,000 per year. It was made known during the course of the discussion by Mr. E. H. Bird, President of the New Hampshire Public Service Commission, that the amount of the appropriation for new buildings is insufficient, and the trustees are asking for an increase in the amount of $1,000 per year. While the total amount necessary for college maintenance is $1,000,000, the amount required for the present biennium is $2,000,000, greater than it is for the present year. As a matter of fact, there are many changes in the structure of the college which must be made in order to accommodate the needs of the students.

The trustees and college officials have agreed to the present bill, and the enrollment has been increased by 12 per cent. However, the students of the college have been discouraged by the delays in the completion of the new buildings. The trustees have decided that the enrollment of the college must be increased in order to accommodate the needs of the students."
BOXING CLASSES ARE NOW IN FULL SWING
Coach Harvey Cohn Has Over a Hundred Young Pugilists Working Under His Supervision for the Chance of Making the Team.

The Middle Weight championship, now held by Mulligan, will be one of the hardest fought for. There are two promising prospects for the Heavy Weight crown. Horn, both of last year's quartets, will see the field this year. Mulligan, who won the Open Heavy Weight contest, "Charles" Bellahre and Whippet, both of the Freshman Heavy Weight division, "Heavyweight" Charley, even if their training has been somewhat delayed. Coach Cohn, having the services of the old hands, will be in a better position to break through the batting combinations. Already near a hundred "pugilists" show how they'll hit their bats into the ring.

Much interest is shown in the reality and this interest is increasing as the days pass. The matches are being held on the following days:

**Monday, Feb. 12:*** December Taylor against Roy Eastman.

**Tuesday, Feb. 13:*** Charley Dallam against Roy Eastman.

**Wednesday, Feb. 14:*** Roy Eastman against Bill Carter.

**Thursday, Feb. 15:*** William Dallam against Charlie Smith.

**Friday, Feb. 16:*** Charlie Smith against Merle Warwick.

**Saturday, Feb. 17:*** Howard Breedlove against Dave Goofy.

**Sunday, Feb. 18:*** George Foster against Max Nations.

By the sound of the noises which issue from the Gym four afternoons a week, you would think Jack Dwyer was training to meet a world beater or that Carpenter and Hill were in the midst of a series of combats, but it is evidently in order for Coach Cohn to keep in condition for his opening boxing tournament. Already near a hundred "pugilists" show how they'll hit their bats into the ring.

FRESHMEN DEFEAT NASHUA ON JAN. 13
First Game for 1923 Basket Man Re­turns to Freshmen—Cotton, Foster and Darvis Lead in Scoring

In a fitting curtain raiser for the basketball season, the Freshmen team defeated the Nashua High School team without the benefit of a single point on the first period. The game was played in Nashua on January 13, the game was started at eight-thirty o'clock. The Nashua High School team was defeated by a score of 44-25. Coach Cohn promises to devote some of his time to six evening classes this year if he finds time. A great many students are now showing a desire to cultivate the sport.
