The Family Players of the college, currently enrolled in the Musical Arts Area in the "Designer" for presentation of "The Workhouse Ward" in the college's annual production, have been writing letters to all former students, mothers and fathers of these students, asking for donations of money for the production. The group has been at work for several weeks preparing for the production and is planning to hold a benefit at the college on March 15th.

A large number of former students and friends of the college have responded to the request and have sent donations to help defray the cost of the production. The Family Players, under the direction of Professor Walter, have been working hard to prepare for the production and are looking forward to presenting "The Workhouse Ward" to the college community.
