ANNUAL "AGGIE FAIR" TO BE HELD
NEXT WEEK FRIDAY AND SATURDAY

"Biggest One Ever" Promises of Enthusiastic
Merrill Hallers and Followers of Dean Taylor

DANCE ON LAST EVENING WILL BE FINAL

Opening Features Will Probably Be a Big Street Parade With Many Festive
Exhibits—Much Competition Expected—Real Military Will

"The advent of "Aggie Fair" will be held next Friday and Saturday,
November 9 and 10, in the gymnasium of the campus. It is the biggest one ever
held this year, according to plans, being bigger and better than ever before.
Parade will be the opening feature of the "Aggie Fair," with many exhibits
and competitions expected—real "military" will.

The Fair, besides containing various exhibits at which one may get his
money's worth, is also a "social" function or dance affair in the gymnasium the last
afternoon and made ready for the dance, at which it is

erected that there will be a great time expected.

The following are the plans for the "Aggie Fair":

FIRST SCHEDULE

Friday, November 9, 1923

10:30 a.m. R.O.T.C. children's pageant.
11:30 a.m. Contests on the upper floor.
1:30 p.m. Harvard-Yale game.
2 p.m. New Hampshire-Yale game.
3 p.m. Regiments Dances.
5 p.m. New Hampshire-Yale game.
5:30 p.m. "Eagle" baseball game.
7 p.m. Regiments Dances.
8:10 p.m. "Aggie Fair" Fairground in the gymnasium.
9:30 p.m. Military Ball in the gymnasium.

SECOND SCHEDULE

Saturday, November 10, 1923

11:00 a.m. R.O.T.C. children's pageant.
11:30 a.m. Contests on the upper floor.
1:30 p.m. "Aggie Fair" Fairground in the gymnasium.
2 p.m. "Eagle" baseball game.
3 p.m. Regiments Dances.
5 p.m. "Aggie Fair" Fairground in the gymnasium.
5:30 p.m. Regiments Dances.

At any public gathering

A note about the unusual looks of the seniors is included in this schedule.

R. O. T. C. NEWS

Through the courtesy of the "Age-
line" fair organization, the Military de-
gartment had the privilege of se-
ating the fair away from the other de-
garts this year. There was an amusing-
ly 300 yard walk around the state-
grounds between the events.

"Black Friday" has been estab-
lized in Boston. As a result, large
numbers of people wished to partake
in the festivities. Some of these
parties consisted of as many as 500
people. This caused problems for the
local authorities, who had to close
the streets to accommodate the me-
dium.

A large number of students took
part in the festivities. Some of the
most prominent among them were
Joseph A. Smith, who won the prize
for the best costume, and John D.
Johnson, who won the prize for the
best act.

NOTED GREEK TO BE SPEAKER HERE

K. P. Thomas will give an addi-

rection on "The Concept of the
Greek" on Wednesday, May 17, at
9:30 in Memorial Hall.

PROFESSOR OF Music

Professor of Music, Dr. H. H. Page,
will give an address on "Music and
the Media" on Tuesday, May 16, at
9:30 in Memorial Hall.

STUDENT PRESS

The student newspaper, "The New-
hampshire", has been awarded the
prize for "Best Student Newspaper in
New England" for the past three years.

The newspaper is published weekly
by the students of the university.

The editor of the newspaper is
Professor J. H. Page, and the managing
editor is Professor J. H. Smith.

The newspaper is printed on the
university's printing press.

The newspaper is available for
purchase from the student union.

The newspaper is available for
purchase at the student union.

- 2 gals. Vinegar, $1.00
- 1 lb. Sugar, $0.10
- Balance on hand, $201.42
- Total, $1,061.42

### FRESHMEN WIN OVER MAINE?

- The New Hampshire freshmen defeated the Maine freshmen, New Hampshire 26, Lowell 0.

### CAPTAIN WENTWORTH

- The second period opened with New Hampshire having the ball on its own 10-yard line. Within the next quarter-hour, Captain Wentworth, playing receiver, scored the first touchdown of the game. He also intercepted a Maine pass and returned it for another score, and once more caught the ball and carried it 20 yards for a touchdown.

### CAPTAIN WESTNHURST

- The second period ended with New Hampshire ahead 10-0. The Maine team began the second half with the ball in a poor situation, but was able to get down under them and far enough to make another exchange of kicks. Captain Westnhurst, who was in charge of the team in the absence of Coach Cowell, began to send in his substitutes at this stage of the game. One of these subs, Jay, had the pleasure of renewing acquaintance with C. F. Cone, '08, and having the pleasure of renewing acquaintance with the 1927 men should have a good chance to make a real victory fire on "Bonfire Hill."
The triple tie for leadership in the intramural basketball season was broken on November 5 when the A. T. O. team was beaten by the Tri Gammas. This was the most exciting and closest game that has been played so far this season. The Tri Gammas started out with their usual strong play on the floor, but their poor shooting and lack of teamwork came back to haunt them. The A. T. O. team was able to capitalize on their opponents' mistakes and win the game. The Tri Gammas were unable to make the shots they needed to tie the score and eventually lost by three points.

The summaries of the games for November 5 are as follows:

**Tri Gammas vs. A. T. O.**

- Tri Gammas scored 15 points and A. T. O. scored 12 points.
- No leading players were mentioned.

**Lambda Chi Alpha vs. Sigma Beta**

- Lambda Chi Alpha scored 18 points and Sigma Beta scored 14 points.
- No leading players were mentioned.

**Sigma Beta vs. Delta Phi Epsilon**

- Sigma Beta scored 19 points and Delta Phi Epsilon scored 19 points.
- No leading players were mentioned.

**Delta Phi Epsilon vs. Kappa Sigma**

- Delta Phi Epsilon scored 21 points and Kappa Sigma scored 17 points.
- No leading players were mentioned.

With the partisans of both teams never even getting into the spirit of the game, the Tri Gammas were unable to make good shots and were defeated by the A. T. O. team. The Lambda Chi Alpha team also lost to the A. T. O. team in their game. The Kappa Sigma team won against the Delta Phi Epsilon team, and the Sigma Beta team defeated the Lambda Chi Alpha team.

The summaries of the games for November 5 show that the A. T. O. team is in the lead with 11 points, followed by the Tri Gammas with 25 points, the Kappa Sigmas with 25 points, the Lambda Chis with 19 points, the Delta Phi Epsilon with 19 points, and the Sigma Betas with 14 points.

The summaries also indicate that the Tri Gammas and Kappa Sigmas are tied for leadership in the intramural basketball season. The Lambda Chis and Delta Phi Epsilon are in third place, and the Sigma Betas are in fourth place.

The summaries for November 5 also show that the A. T. O. team has scored 11 points in their game against Sigma Beta, 15 points in their game against Lambda Chi Alpha, and 19 points in their game against Kappa Sigma. The Tri Gammas have scored 25 points in their game against Lambda Chi Alpha, 19 points in their game against Delta Phi Epsilon, and 17 points in their game against Sigma Beta. The Kappa Sigmas have scored 25 points in their game against Delta Phi Epsilon.

The summaries also indicate that the Lambda Chis have scored 19 points in their game against Sigma Beta, 9 points in their game against Delta Phi Epsilon, and 17 points in their game against Sigma Beta. The Delta Phi Epsilon have scored 19 points in their game against Kappa Sigma.

The summaries also indicate that the Sigma Betas have scored 14 points in their game against Lambda Chi Alpha, 14 points in their game against Delta Phi Epsilon, and 14 points in their game against Lambda Chi Alpha.
