FIRST "DURHAM DAY" PROVES SUCCESSFUL

Three Projects Attached By Union of Local Clubs

FACULTY DONS OVERALLS

Plan to Clean Up and Beautify Town Laid Out at First Meeting of Union of Local Clubs and Parent-Teachers' Association

The town of Durham instituted last Thursday its second "Durham Day," the second of the series of projects planned by the Union of Local Clubs and Parent-Teachers' Association. The first of these, the improvement of the school grounds, a great deal of work was done, but much still remains to be done.

The second project was to grade the church lawn and to clean up and beautify the town. The first part of this task, that of grading the church lawn, was done in a manner which made it possible to make a park space for鼻子

On Wednesday, the team will start Garvin in the pitcher's box, and the game will be the same as for the first Durham Day, making it impossible to "carry" the projects, the Thompson Committee had determined.

The entire personnel of each organization made a grand display of energy and ingenuity in planning and carrying out the projects, and the entire town participated in the general activities.

All in all, the enthusiasm of the people toward the "Durham Day" project is the strongest evidence of their appreciation of all those who solved problems and who helped to make the day a success.

The day was a decided success. Twenty men of the family and ten people turned out to work, and more than forty in the afternoon. The girls worked hard, and the boys and girls were more than forty in the afternoon. The town of Durham was in good condition next Tuesday. The boys worked hard, and the girls worked hard, and the entire town was in good condition next Tuesday.

One of the greatest successes in the history of "Durham Day" was achieved in Break and Dagger's production of Richard Brinsley Sheridan's "The Rivals" at the Union of Local Clubs and Parent-Teachers' Association. The play was

Second Victory of Season Scored by Swasey’s Men

**OCCONOG GEE HOME RUN**

Emerson and Jay Stage Pitcher’s Hat Trick—Feature for Blue and White

Coach Swasey, who has won his second victory of the season, found a new formula in Lowell No. 1 as he managed a 7 to 3 win over the Eastern College last Wednesday afternoon.

The game was played between Emerson and Jay Stage Pitcher’s Hat Trick at the Portland Athletic Association, held on the last day of the season.

The game was not without controversy, as the score was 7 to 3 in favor of the College.

In the first half of the game, the College led, 3 to 0, but the visitors’ team scored two runs in the second inning, tying the score at 2.

The game was decided in the third inning, when the College scored five runs, including a home run by the visiting team.

The College’s victory was due to the pitching of their starting pitcher, who allowed only two hits in five innings of work.

Friday, April 25, 1924.

Dear Alumni:

Total contributions to this Fund, to date, are $16,000. A check from Dr. H. W. Mathews, Capt. K. O. T. C., was received this week. While this isn't especially encouraging, it is, to say the least, encouraging.

It is virtually impossible to reach such one of you by letter, and if you read this and think that you've written to me, in ignorance, is the matter. In that you don't believe in this method of giving and in that you don't know what the status of this Fund is, there should be no lack of interest in this cause, as we have presented it. If you feel that you can do all in your power to answer your questions, and make this drive a success, you will, of course, make me very happy.

Not many will answer, and if you do, I am sure your answer will be appreciated. Your interest in this cause is greatly appreciated, and when you do answer, your name will be published.

Yours truly,
