One of the New Hampshire Alumni Association's most successful fund-raising drives was held Saturday morning, the early hours of which were Enjoyable for all." (Continued from Page One.)

Out of 1,700 four-year and two-year graduates we have received contributions totaling $408.00; not a small sum when you consider that this is the last week in May, and that many of our alumni are graduating before the end of the month. Our thanks are due to all those who have contributed, and we hope that those who have not yet done so will give generously in closing the campaign.
