FRIDAY NIGHT, December 10

STUDENT FIRE DEPARTMENT

Where are the firemen who fought the fire in 1920? Where are the firemen who fought the fire of P.E. on the Main Street? Who among the graduating class are qualified to carry on the traditions in the fight against fire? What does it mean to be a student fireman? We will be glad to answer any questions that you may have. Come and see us anytime.

The Common's Make Good

A step back in the S. T. C. E. box. The "Commons" started to do farm work and for the first time in years, the rubber何engagement in the early days, the members of the group are farm workers. They have been challenged to continue their work a little longer. This is to continue until Christmas, if it does not snow. They are now a close-knit group working together, and a real farm worker is on the way.

THE WORTH’S MEN IN LAST GREAT GAME OF SEASON

Worth’s Men in Last Great Game of Season (Continued from Page 1)

WRAPPED up with the ball the Blue and Gold line went into the Maine game, and it appeared as if it was a question of how much more they could get for every inch that was gained around the field.

The first day of “Granite Week” will be taken up with collecting subscriptions from the campus. Although there are 80 classes in the university, all students in each class will have a chance to take part.
