HOUSE IS ATTRACTION

Afternoon Function Marks Formal Dedication of New Hampshire Campus Home of the Pleiades
Burlington

The girls of Alpha Xi Delta opened their hands for the first time on Thursday afternoon with a reception and the guiding spirit of the party was the Guest Hostess, Miss Elizabeth Flint, Mrs. Dwight Weston, Hall Girl, Miss Marion Lovely, and Miss Margaret Crocker. In each house room there were tables set for the various guests, who occupied them with the following menu: salad, a main course of roast beef and ham, and then a dessert, which included ice cream, a chocolate cake, and other sweets. Miss Amy Smiley, the House Hostess, made her address, and then the floor was opened for the reception, which included the guests of the Alpha Xi Delta. The tea was served at four o'clock and the reception continued until six o'clock. The reception was a great success and the house has won recognition as the most popular house in the sophomore class.

WHY NOT SOCCER LETTERS?

Professor Peck, faculty advisor of the soccer team, announced late last week that this year's team would be selected by tryouts. This method was also used by the University of Rochester last year. Professor Peck said that the team would consist of a mixture of sophomores and freshmen. The tryouts will be held on December 14 and 15, and the team will begin practicing immediately after the tryouts.

The University of Michigan and the University of Minnesota are two of the more recent additions to the list of schools offering soccer as a varsity sport. The University of Michigan is looking into the possibility of starting a soccer team, and the University of Minnesota has already begun preparations for next year's season. The University of Connecticut has also expressed interest in starting a soccer team.

Over half the Clemson (S. C.) Agricultural College students are expected to attend the Christmas Carol Service to be held this Sunday, December 21, at 4 P.M. in the gymnasium. The program will feature the Clemson Glee Club, the Clemson Men's Chorus, and the Clemson Women's Chorus. The service will be conducted by Professor J. H. Williams, and the music will be directed by Professor W. H. Brown.

The service is open to the public, and admission is free. The students are encouraged to attend and to bring their friends and families.
