PREMATURE ARRIVAL OF SPRING FORCES CANCELLATION OF CARNIVAL

New Hampshire Ball and Frairtv Parties Will Be Carried Out But Bare Ground Makes Meet Impossible

NORTHAMPTON, March 18—The New Hampshire Board of Trustees announced today that the popular annual springtime dancing party known as the New Hampshire Ball has been cancelled due to the premature arrival of spring. The party, which was scheduled to take place on Saturday, April 16, at the University of New Hampshire, has been postponed until later in the spring.

The decision to cancel the ball was made after a meeting of the Board of Trustees and the university administration, who cited the unusually warm weather and the rapid melting of snow as the primary reasons for the postponement. "We have reviewed the current weather forecasts and projections, and it is clear that the conditions are not conducive for a traditional New Hampshire Ball," said President Jane Doe, Acting President of the University of New Hampshire.

The cancellation affects all formal events scheduled for the spring season, including the New Hampshire Ball and other social gatherings. "We are deeply disappointed to have to make this decision, but the safety and well-being of our students and community are our top priority," said President Doe.

The university is currently working on alternative plans for the spring social calendar, including possible virtual events or smaller gatherings. "We will continue to monitor the situation and make decisions based on the latest information and guidance from health authorities," said President Doe.

The University of New Hampshire offers a variety of social and cultural events throughout the year. For more information about upcoming events, please visit the university's official website or contact the Student Activities Office.

Dinner party on Monday night, February 9, which was attended by about 150 guests, ranged a very enjoyable theatre and dinner. The organization is very enthusiastic about the event, and on a new development called Car, which is expected to be a success. A respite, the freshmen literally swooped down upon Westbrook Seminary. As might be expected, Saturday and Sunday were days of considerable reading. The freshmen were given an excellent time, and the game was a great success to their friends. As such, the freshmen literally swept the ball from their feet. The New Hampshire team had scored 11 goals in 15 minutes, which was a total margin. The freshmen had a total margin of 15 goals. The summary:

The score: New Hampshire, 0; Maine, 11; Goals—New Hampshire, 15; Maine, 0. The New Hampshire team seemed to be the stronger team, and the second team was a marked disappointment. The freshmen defense almost completely broke down the front of the New Hampshire parleying. When the New Hampshire parleying began to get settled, the New Hampshire team seemed to be the stronger team.

When the New Hampshire team had scored their first goal, there were scenes of consternation. The men had been offered a position of the railroad companies. The great organization bidding for his services was very anxious to get him. So far, they are the proud owners of the first team. The meeting was then in order, after a short discussion, the meeting was dissolved. BLOOMFIELD DEFEATS "AOLZ"

Every Beat is a Classic—Columnists, Critics, Supporters Fail to See Winners—Bloomfield Defeats West

All those who were fortunate enough to attend the interscholastic meet last Saturday at the Bloomfield Armory, witnessed one of the finest track meets ever held in New Hampshire. The teams who gained the honors were Bloomfield, who swept the event for the second year in a row, and Belmont, who took the next three places. The eight events held were held under the direction of Mr. Julian H. West, who is also the head of the Bloomfield track team.

This year's meet was a welcome change from previous years, when the meet was held in the heat of the summer months. The meet was held on a cool, pleasant day, and the crowd was enthusiastic.

Tournament to be Held Here

Stars from High Schools To Settle Championship

The fourth annual interscholastic track meet, to be held under the direction of the Department of Physical Education of the University of New Hampshire, will be conducted at the Armory tomorrow afternoon and Saturday, March 13 and 14. The meet will be open to all high schools and collegiate women's teams. The high school divisions will be divided into eight sections of the state, and each school team will participate in the meet.

In addition to the interscholastic meet, there will be two indoor track meets, one on Friday evening and one on Saturday afternoon. The meet will be open to all high school teams, and will be held in the main arena of the Armory.

Just now, at Carnival time, it is quite fitting that you should try Toblerone, the inimitable Swiss Chocolate.

Fresh from Berne—the paradise of the winter-sportsman—Toblerone comes to you. The purest full cream Swiss milk, the finest cocoa, crushed dessert almonds and delicious Alpine honey are blended together as only the Swiss know how.

The result is Toblerone—the favorite of continental Europe.

During the Carnival Week, we want you to try your first bar of TOBLERONE. All you need to do is fill out the coupon in the upper right hand corner and present it at the COLLEGE PHARMACY. You will receive a full size, ten-cent bar FREE. Carry it along on your snowshoe hike, toboggan party, skiing trip, or just save it for the between-meal lunch. Then you will only appreciate real Swiss Chocolate. Delicious and palatable, yet chock-full of nourishment that restores vigor and vitality to a tired body.

There has never been anything like it in America! This is our treat—please take advantage of it.
