**HERBON WINS OVER FROSH BASKETBALLERS**

Maine Team’s Victory in Four-Hour Game Will Mean Much Importance and Should Prolong Battle for Title

By W. P. White, ’27,

The strong Herbon Academy team beat the Frosh basketball team of the University, 26 to 11, last Saturday night. For nearly 4 hours the two teams of well-trained athletes kept their. fans on the edge of their seats, never having been defeated in a game. Herbon has always been noted for its? spirit of aggression, and the members of the squad enjoyed the game in a most cooperative way.

The contest took place on the outdoor court for the university. The teams were equally matched in skill, but little difference in the number of the players.

Herbon’s players, however, were able to overcome the Frosh inasmuch as they were more experienced in the game. The only change that occurred in the line-up was that of substitute guards. The game commenced with Herbon leading, 4 to 2. At this point the atmosphere was so tense that one could scarcely breathe.
