To The Editor:

In reference to the article by reference. The bit of alliteration is not a mistake. The name is one of appeal, and if the student body will co-operate, it is just as though they were in the newspapers as Eagles. In order to have a good time, the students must be on their best behavior. The committee is to have a good time and enjoy themselves.

PEASEL BEATEEN IN RACE WITH LERMOND

R. A. 1. Star Forced by Joe and Bel Eire Captains of Two-Mile Race

Both Meet Again at Eastern Games

Fred Pease again opened the pace of the "Star" from the starting line in the 8-day meeting at the annual E. & C. University Games at Madison Tuesday when he forced George Lermond, former Boston College distance runner, for the first time in the Invitational Two Mile run to win the fast time for the day, 4:35 sec.

Fader and Lermond ran the usual (seven or nine) without making contact with each other, preferring to get position on the track and after the "Softie" swung into the turn and held in the game from the start, Lermont lost the race without even being in the race from the front. 

White runner in action a very long way back with no chance of catching the leaders. Pease, who had already shown good form in the Eastern Games, decided 1 day to lead the field, which he did, and Lermont, to whom he turned, was forced to retire from the race. Pease’s running is his usual style of racing, but Lermont’s speed surprised, and in the final result told up a twenty-five yard lead.
