LETTER AWARDS MADE BY A. A.

Twenty-eight Men Given Coveted N. H.'s in Sports

TEN FROSH WIN NUMERALS

Boxing, Winter Sports, Hockey, and Basketball Players Receive Letters—Five Men Form Nucleus in Varsity Basketball—Boxing Has Many Veterans

At a meeting of the executive committee of the A. A. on Monday varsity letters were awarded in basketball, boxing, winter sports and hockey. Numerals were given out in freshman basketball to ten members of the squad.

The varsity basketball team made an excellent showing in winning eleven out of fifteen contests with double victories over Tufts and Maine, close rivals of the Blue and White. Of the seven letter awarded, Bridge was the only new man to receive the coveted honor. The following men were given letters: H. Cotton (Capt.), Ashland; R. Nicora, Barre, Vt.; W. Davis, Fall River, Mass.; R. Craig, Pittsfield, Maine; R. Taylor, Durham; G. Kelsea, Colebrook; G. Bridge, Portland, Maine. Taylor and Davis are the only men lost by graduation. With five letter players left to form a nucleus, Coach Cowell will have ample material for next year's team.

Two freshmen earned letters in the winter sports awards; Tetley in his speed skating and F. Dustin through his meritorious work in the seven-mile cross country ski races. Captain Michelson, although losing the inter-collegiate ski jumping championship which he held for three years, added another laurel to his string by annexing the championship in the proficiency race. The awards were as follows: G. Michelson, Berlin; F. Peaslee, Reed's Ferry; Tetley, Laconia; E. Bruce, Milton; F. Dustin, Penacook; R. Littlefield, Salem.

Eight men received letters in hockey for the past season's work on the ice, namely: F. Fudge (Capt.), Stoneham, Mass.; E. Blewett, Braintree, Mass.; S. Dearington, Melrose, Mass.; N. Ide, Durham; W. Percival, Gorham; E. Vatter, Salem, Mass.; R. Chandler, Winchester; H. Applin, Providence, R. I.

Although the boxing team won only one of its three meets, the prospects for next year are unusually bright with such veterans as "Leb" Sargent, winner of all three of his bouts, D. Ahern, J. Boyd, and Ricciardi. Letters were given to the following men: A. Smith (Capt.), Gilford; F. Sargent, Lebanon; W. Higgins, Littleton; L. Hubbard, Walpole; D. Ahern, Charleston; J. Boyd, Dedham, Mass.; S. Ricciardi, Milford.

1929 numerals were given out to the following members of the frosh squad: D. Beck, Providence, R. I.; W. Clement (Capt.), Laconia; W. Landauer, New York City; R. Bruce, Ashland; R. Garlock, Manchester; D. Lucinski, Haverhill, Mass.; A. Neal, Portsmouth; D. Harriman, Ashland; J. Chandler, Bartlett; J. McNamara, The team had a good season, winning seven out of eleven games with defeats registered over Tufts frosh, Kent's Hill, and the 1928 classmen.

NOTICE

The annual Junior Promenade, given this year by the Class of 1927, will be held on the evening of May 14, 1926. Classes will continue as usual and no recess will be declared for the Prom.

Signed,
E. D. Philbrick, chairman.

THE 1927 GRANITE NOW ON THE CAMPUS

Edition Well Received by Student Body—New Arrangement of Junior Section—Large Number Published

The general distribution of the 1927 Granite began last Monday at the Registrar's office. This is the earliest that any Granite has appeared on the campus.

The new volume is enclosed in a blue flexible leather cover. It is dedicated to "our fathers and mothers." The administrative, class, activity, athletic, and advertising section pages carry out the scheme of the dedication. The pictorial section includes twelve very representative and beautifully illustrated views of the campus. The junior pictures section is arranged in a new way. The pictures extend horizontally across the page with the write-up below.

John Neville of Portsmouth, N. H., was editor-in-chief of the yearbook, and Barney Johnson of Berlin, N. H., business manager. More than five hundred and fifty copies were published making it the largest number ever printed. The pictures were taken by White's Studio of New York, and by Mr. Moran of the faculty. The printing was done by the Andover Press of Andover, Mass.

The 1927 Granite Board included: John Neville, Barney Johnson, Gladys Harris, Alford Frost, Harry Page, Paul Johnson, Lawrence Mason, Norman Henaut, Margaret Marnock, John Carpenter, Catherine O'Kane, Frances Fairchild, Edith Courser, Eleanor Atwood, MacLean Gill, Searles Dearington, Todd Wallace, Winthrop Moore, Lester Ayers, and Walter Hopkins.

Y. M. - Y. W. ROOMS IN NEW COMMONS WING

Second Story Quarters Improvement Over Old Office—Association to Hold Date Book for Committee Rooms

Christian Work and the two Christian Associations are to share the new second story office in the recently completed Commons Wing, according to an official statement made yesterday by Mr. Morse. The large and luxurious committee rooms on the second floor are also to be in charge of the Associations, which are to have the date book for all reservations. The date book for the social room on the first floor will be in the charge of Mrs. Leighton, manager of the Commons.

After a long wait, the Y. M. C. A. and the Y. W. C. A. have just been informed that the demand for more commodious and suitable quarters is to be met by the use of the well equipped, specially designed room on the second floor of the new Commons Wing. The room is divided into a large rest room, supplied with a well constructed book case for the use of the Book Exchange, reading tables and chairs for committee meetings; and two private offices for the use of the Y. M. Secretary, Mr. J. E. Barker, and the Y. W. Secretary, Miss Oril E. Henthorne.

The new location is superior to the old one in that it is more roomy, well lighted, well furnished, and has private offices for the two secretaries. It is also handy in respect to the various social rooms of the building. The Association secretaries are well pleased with the change.

NOTICE

Casque and Casket requests that all organizations refrain from holding meetings on Tuesday nights between the hours of seven and nine.

N. H. CLUB MINSTREL SHOW SAT. EVENING

Talented Campus Artists to Appear in First Attempt—Dance After Performance

The minstrel show of the N. H. club will be given at the big gym on Saturday evening, April 17, at eight o'clock. After the show there will be an informal dance for which a selected orchestra from the band will furnish the music.

The club has spent much time in preparation for the event, which will be the first ever attempted by the organization. Local vaudeville artists will furnish the entertainment, among whom are Jack Fleming and Charlie Gray. Both have an abundant sense of humor and promise to furnish plenty of fun.

Tickets for the show can be purchased at the different fraternities, and at the drug stores. The price of the entertainment is fifty cents, which includes the dancing afterwards.

COLLEGE FORM DEBATING LEAGUE

New England Group of Universities Organize

TO DEBATE TWO SUBJECTS

Debaters May Become Affiliated With Tau Kappa Alpha—Seventeen Members Have Competed in Inter-Collegiate Debates

A New England State College Debating League was organized on April 3rd at Cambridge, Mass., which includes the following State Universities: Maine, Rhode Island, Connecticut, and New Hampshire. It is expected that Massachusetts Agricultural College and the University of Vermont will join. Only New England State Colleges are eligible for membership. The semi-finals will include either two dual or two triangular debates, the finals will be a dual debate. Professor Churchill of Rhode Island State is president of the league; Mr. Scott, the University of Maine debating manager, is vice president; and Mr. Ufford of the English Department, is secretary-treasurer. Professor Churchill and Mr. Ufford are to draw up the constitution. The two general subjects to be debated by the league are athletics, and the modification of the 18th amendment.

Professor Churchill is recommending the New Hampshire debaters to become the nucleus of a chapter of the national inter-collegiate debating society of Tau Kappa Alpha and he expects, if the local petition is favorably acted upon, that at least some of this year's members will be eligible for membership.

According to Mr. Ufford, director of debating, the debating teams of the University have completed a successful season. Nine inter-collegiate debates with four victories and five defeats is the record. The debating teams, however, went out of their class on several occasions, meeting such teams as Arizona, Radcliffe, Middlebury, Tufts, and Boston University. Seventeen students competed in the debates. This is a much larger number than have taken part in any previous year.

The following subjects were debated by New Hampshire teams: Coeducation, World Court, League of Nations, Coal, Prohibition, and Marriage and Divorce laws.

Most of the debaters were members of the class in English 62b and have worked on all the questions debated. The following members composed the debating teams: Paul Johnson, Cleveland Sleeper, John Neville, Harry Page, Jerry Bond, Robert Brown, George Summerville, Robert Folsom and Otho F. O'Leary.

The women's varsity debating team included: Gladys Harris, Gwendolyn Jones, Dorothy Davis, Katherine Flanagan, Caroline Woods, Ruth Finn, and Evelyn Davis. MacLean Gill was the debating manager assisted by Charles Buejnievicz. All of the debaters will receive medals made possible by the gift of the Hon. Huntley N. Spaulding to further debating.

NOTICE

Due to the conflict between Interfraternity relay and spring track practice, the Board of Control of the New Hampshire Intramural Athletic Association finds it expedient to cancel all relay engagements remaining on the schedule. The meet will be cancelled for this year and another meet will be planned for the coming fall when the board and cinder tracks will not be subject to congestion due to varsity and freshman practices.

Signed,
Gene A. Tetzlaff, President.

GLEE CLUBS TO GIVE RECITAL

"Hora Novissima" to Be Presented on May 12

WORK OF HORATIO PARKER

Considered as Masterpiece of Choral Church Music—Many Interesting Features Included

"Hora Novissima," the oratorio which is to be presented by the combined Glee Clubs of the University on May 12th, is the masterpiece of a New England composer who was considered to have been one of the greatest in the country.

Horatio W. Parker was born at Auburndale, Mass., September 15, 1863. He received splendid early training from his mother and from G. W. Chadwick of Boston. From Boston he went to Munich where he was thoroughly grounded in the art of composition. On returning to this country he held various positions as musical director and organist, which culminated in his appointment as the Battell Professor of Music at Yale University in 1894, a position which he administered with unflinching energy until his death in 1922.

Together with Paine, MacDowell, Foote and Chadwick he labored unceasingly in establishing an American tradition in composition. Equally important were his efforts along with MacDowell at Columbia and Paine at Harvard; to inculcate into academic circles the true functioning of a liberal music department. Today we are feeling the influence by the recognition which University leagues are giving to music as a vital element in the wholesome life and culture of the American youth.

"Hora Novissima" is his masterpiece and considered as the greatest American Oratorio. From the three thousand lines of Bernard of Clurey's poem, "De Contemptu Mundi," famous since the twelfth century, the composer's mother, Mrs. Isabella G. Parker has freely translated 210 lines. The outstanding numbers are: the magnificent opening chorus; the solo for soprano; the large and fiery finale to Part I; the superb tenor solo, "Golden Jerusalem"; the chorus, "Pars Mea" and an "A Capella" chorus are among the finest specimens of pure choral polyphony that has been written in recent years. Here we find the spirit of Joquin des Pres and Palestine combining the significant, untrammelled, counterpoint of the great Cantor of St. Thomas (Bach.) These two numbers alone, would lift the work to an exalted pinnacle in vocal writing.

All in all, a splendid legacy to American composition and a work and composer we should be proud of and honor, for his sincerity and essential verity to the greatest traditions of church music.

Tickets are on sale at the College Pharmacy, Ben Hill's, the Book Store, or any member of the Glee Club.

SARA BAIR TO SING FOR BUILDING FUND

Chi Omega's Give Public Opportunity to Hear Noted Soloist—Second Appearance in Durham

Sara Bair, lyric soprano, will give a concert April 29, at the big gymnasium, as a benefit for the Chi Omega Building Fund. Miss Bair's abilities as a singer will be heartily confirmed by those who listened to her performance given here last year.

Miss Bair expects to make her appearance on the operatic stage next year. At the present time she is studying under Mrs. Standish, who is the teacher of Freida Hempel and Mario Chamlee, a Metropolitan Grand Opera singer. Recently she sang over the radio, broadcasting from W. R. N. Y. and won a tremendous success. Within the next two weeks, she will repeat her performance. It may be also added that Miss Bair is a graduate of Washington State College, a member of Kappa Alpha Theta sorority and Mu Phi Epsilon, the National Musical Fraternity.

Gordon Hampson, the accompanist of Miss Bair, received his musical education in Paris and Vienna. In 1924 he began his work as a composer, as well as accompanying Charles Hackett, a Metropolitan Opera star, in his concert tour. In 1925, Mr. Hampson accompanied and assisted Eva Gautier.

DEPARTMENT NOTICE

The final examinations in Physics 2-b, 7b, 6-b, 10-b, 15-b, and 33-b will be given to those students who received deferred marks on those subjects, on Wednesday, April 21st, at 4.15 P. M. in the Physics Lecture Room.

H. Howes.

SPRING FOOTBALL TO START NEXT MONDAY

Practice Sessions to Last Four Weeks—Capt. Callahan and Other Letter Men Report to Coach Cowell

Meetings of all candidates for spring football were held in Coach Cowell's office on Friday and Tuesday, preparatory to assembling at the lower field for the first practice on Monday. Equipment was issued at that time to the forty men who have reported.

It is expected that many others will be out before the end of the four weeks that will constitute the spring session. The team, which will be captained by John Callahan, also is fortunate in having for a manager Barney Johnson, who so well conducted the affairs of the freshmen team last fall. A number of the men who played on that 1929 eleven have shown an interest in this new feature of varsity football training on this campus.

Some of the letter men who have thus far signified their intention of taking part in the practice are Captain Callahan, Abbiatti, Langdell, Hoagland and Prince. Dane, a promising end of two years ago, has also reported.

TRIP TO EUROPE FOR PROF. SMITH

The Carnegie Endowment Honors Economics Head

TO VISIT WORLD COURT

Chosen as Only Delegate from State—Is One of Fifty from Entire Country

Prof. Harry Smith of the department of economics of this university has recently had a great honor bestowed upon him by the committee in charge of the Carnegie Endowment for International Peace. This association which yearly appropriates an amount equal to \$50,000 to be spent in the interest of professors of Political Science, International Law, and Economics, who are pursuing some phase of research, has chosen Prof. Smith as its delegate from this section. Prof. Smith has the distinction of being the only delegate from the state of New Hampshire.

The party will leave New York July 28th on the steamship President Roosevelt, and will return, arriving in New York around September 20th. Mrs. Smith will accompany the professor.

The delegation will visit Paris for a few days during which time they will have the opportunity of meeting the French Premier and Minister of Finance. They will also visit many of the battle grounds of the world war. During their stay in Paris their headquarters will be at the Paris Carnegie Endowment Building.

From Paris the party will proceed to The Hague, where they will attend the Permanent Court of International Justice while in session. After a few days at The Hague they are scheduled to go to Geneva. Here they will have access to many services and documents of the League of Nations. During their visit to Geneva, the party will have the exclusive opportunity of seeing the League of Nations assemble and take council. They will remain in Geneva for ten days after the League adjourns.

On its return the delegation will have another day in Paris prior to the journey back home. They will be at their own disposal at this time and will be free to visit anything which might appeal to them. Their boat is scheduled to arrive in New York on September 20th.

It is indeed a considerable honor with which our professor has been endowed. We should feel proud of him. Proud because his ability has been nationally recognized, and he has the best wishes of every student of New Hampshire on his coming trip.

SOPH. HOP TO HAVE NOVEL DECORATIONS FOR DANCE

The annual Sophomore Hop will be held at the big Gym Friday evening, April 16. The committee in charge has been working hard and the dance promises to be one of the biggest dances of the year. Dancing will last from 8 to 12. Music will be furnished by the "Cotillions," from Concord. Following the custom of previous years the dance will be semi-formal. The decorations will produce a flower effect to give the atmosphere of spring, although the motive of appliance of the decorations is being kept as a surprise and promise to be something new and different.

The patrons and patronesses will be Mr. and Mrs. Bishop, Mr. and Mrs. Wilber, and Mr. and Mrs. Alexander, while President Hetzel and Mrs. Hetzel expect to attend the dance if possible.

S. A. E.'S TAKE FINAL DEBATE

Dearington and Jensen Beat Chase and Simpson

AFFIRMATIVE TEAM WINS

Simpson and Jensen Win Affirmative Decision by 2 to 1—Theta U's Defeated by 20 to 19

By winning by the close score of 20 to 19, the final debate of the interfraternity debating league which was organized last term under the sponsorship of the Sphinx Sophomore Society with the assistance of Mr. Celian Ufford, director of debating at the university, the Sigma Alpha Epsilon fraternity won a handsome trophy in the form of a loving cup for the excellence of its speakers over those of the defeated team, Theta Upsilon Omega. The debate was held during the regular convocation period on yesterday afternoon.

The subject of the debate was, "Resolved that military training should be abolished at this University." The affirmative team which was composed of Mr. Lawrence Jensen of the S. A. E. fraternity and Mr. Lloyd Simpson of the Theta U fraternity was awarded the decision of 2 to 1 over its opponents, who were Mr. Searles Dearington of the S. A. E. fraternity and Mr. Elroy Chase of the Theta U fraternity. Prizes were awarded to the members of the varsity debating team and to the officials of the team by Dr. Richards, head of the English department at the University. These awards were made possible through the gift of Mr. Huntley Spaulding of Rochester who has contributed the total sum of \$275.00 during the past year for the furtherance of forensics at this institution.

In the first round of the debate held in the fraternity houses on April 7, the results were: Theta Upsilon Omega 24, Phi Delta Upsilon 15, and affirmative 3 to 0; Alpha Tau Omega 26, Phi Alpha 13, and negative 2 to 1; Lambda Chi Alpha 24, Delta Phi Epsilon 15, and negative 3 to 0. The results of the three second round debates held on April 9, were Theta Omega 22, Alpha Tau 9, were Theta Omega 22, Alpha Tau 9.

(Continued on Page 2)

N. H.-DARTMOUTH GAME MAY BE CANCELLED

Varsity Baseball Men Rounding into Form Despite Weather Handicap— Tentative Lineup Announced

Coach Swasey has had the varsity baseball candidates out daily for the greater part of the past week and with six letter men out, chances for a successful season are bright. At present, the soggy condition of the field here is handicapping the development of the team. It is doubtful if the first game of the season with Dartmouth will be played because of the poor condition of the diamond at Hanover.

At present, the line-up and batting order of the varsity to be the following: "Buck" Ramsey, s. s., "Snub" Hatch, 2nd, "Ed" O'Connor, 1. f., Nicora, 1st, Jenkins, m., Applin, r. f., Hoyt, 3rd, and French, catch.

The coach made the first cut of the season Saturday and the team is now composed of the following players: Catchers, French, Elliot, Columbia, C. H. Brown; pitchers, Slayton, Bruce, Evans, Fudge, Garvin; infielders, Nicora, Schurman, Hayes, O. H. Hatch, "Buck" Ramsey, Hoyt, Bridge; outfielders, Applin, Jenkins, O'Connor, W. Gustafson, Percival, "Whitey" Gustafson, Sargent, Eaton.

DEBATING ADVANCED THROUGHOUT STATE

Hon. Huntley N. Spaulding Gives Additional Gift—Medals Awarded to Varsity Debaters

The Hon. Huntley N. Spaulding has made an additional gift of one hundred dollars towards the advance of debating and public speaking. This makes the total of his gifts for the furtherance of forensic eloquence two hundred and seventy-five dollars. The funds have been used in part as follows: In organizing a women's debating team, and in giving the men's team a more complete schedule; the interfraternity league has been revived and medals are to be awarded to varsity debaters.

In the inter-scholastic finals the debaters were given medals and Franklin High received a shield for its victory. Concord and Groveton High schools received cups for competing in the finals and four smaller cups were awarded to schools that reached the third round of the inter scholastic league.

In this way much interest in debating has been fostered not only here at the University but throughout the State.

ADVERTISING

THE NEW HAMPSHIRE, for the first time in years, is at last faced with the problem of advertising. Not that such a thing has hurt the paper to any extent, but those who have the foresight to look ahead, see that in the future there is going to be a very difficult problem to face. We have our advertisers and we have confidence in their patronage, but yet we know that in a few years this campus is going to be faced with a problem that is now in the bud. And now is the time to settle it once and for all.

Heretofore, there have been few periodicals to solicit the patronage of the business men of this town and those in the immediate vicinity. Those business men have supported the few periodicals that have been worthy and that have shown results. But now there is an entirely different situation. During the past few years, there have grown up in the university, numerous publications that require the assistance of the business man to succeed. The merchants advertise and receive the good-will and business of the student body.

THE NEW HAMPSHIRE is the main publicity organ of The University of New Hampshire. It is the biggest factor pertaining to the publicity that the University needs and receives. But there comes to the front the big problem of advertising. With the numerous periodicals that have sprung up there is a constant demand for advertising.

Which is going to be the first to succumb to this competition? Which is worthy and which is not? That is the problem. Is THE NEW HAMPSHIRE going to be forced to appeal to the merchants and friends of the students in cities and towns not located near here, who will advertise through mere generosity, or is it going to be able to reserve its space for those who will receive the direct benefits of the paper? Or will some other periodical have to resort to a similar method?

Without a doubt, there is only one factor that should receive the patronage of the local and neighboring advertisers, and that is THE NEW HAMPSHIRE. And so we make this appeal to the student body and to our advertisers, if at times there seems to be a rush to secure your advertising, remember that THE NEW HAMPSHIRE, is the greatest publicity factor in the University, and it is through the columns of this paper that the greatest amount of benefit is to be derived.

HAVE WE A RHODES SCHOLAR?

The recent increase in the stipend of a Rhodes Scholarship to \$400 (approximately \$2,000) per year brings to mind the fact that the University of New Hampshire has never been represented at Oxford by a Rhodes Scholar.

This year the states in Group A, of which New Hampshire is one, will not appoint any candidates; however, in 1927, New Hampshire will make an appointment for the year 1928. The University of New Hampshire has grown so rapidly in the last few years and has made such advancement

scholastically that this would appear to be the logical time for some student or students to work for an appointment.

The stipend of \$400 a year is sufficient, with economy, to meet necessary expenses for the term and vacations as well. The scholarships are tenable for three years and no restriction is placed upon the choice of studies. The Rhodes Scholars are appointed without examination on the basis of their record in school and college.

The general regulations state that a candidate to be eligible must: 1. Be a male citizen of the United States and unmarried; 2. By the 1st of October on the year for which he is elected have passed his nineteenth birthday and not his twenty-fifth birthday; 3. By the 1st of October of the year for which he is elected have completed at least his Sophomore year at some recognized degree-granting university or college of the United States of America.

Candidates must first be selected by their own college or university. The University of New Hampshire is allowed four candidates. These candidates must then file their applications with the secretary of the state committee.

The state committee makes its final decision on the basis of the following: 1. Literary and scholastic ability and attainments; 2. Qualities of manhood, character, public spirit, and leadership; 3. Physical vigour, as shown by interest in outdoor sports or in other ways. The ideal Rhodes Scholar should excel in all three qualities, but in the absence of such an ideal combination the committee will give preference to the man who shows distinction in character and personality or of intellect over one who shows a lower degree of excellence in both.

Further information in regard to Rhodes Scholarships may be had from Dr. Richards of the Dept. of English, Dr. Slobin of the Dept. of Mathematics, or Mr. J. R. McLane at the Amoskeag Bank Building, Manchester.

TENNIS OR ?

This time it is not the parasites of this collegiate atmosphere who are breaking the rules of mother nature, but rather those men who are bursting with energy and who are seeking diversion from the long, grueling hours of study. And so, these men, most of whom are roomers in the Barracks, have been using the varsity tennis courts as a playground. Everything from African golf to real-honest-to-goodness baseball has been played on these courts. It was not the intention of the college administration to construct a playground for its over-impetuous youths as such fields have already been set aside on the north side of the railroad tracks. The college tennis courts were constructed primarily for the use of tennis players and tennis enthusiasts.

The point is this. The courts are being ruined by the practice ball sessions which are held daily on them. It devolves upon THE NEW HAMPSHIRE to drive home this fact to the temperamental students who fail to use their wisdom sagaciously in choosing a practice field for their innumerable games. Give just consideration to this case. The varsity tennis players must have the courts in the spring and many students will desire to use them also, but this cannot be if the courts are ripped to pieces by the spiked shoes of the baseball enthusiasts. So let's choose our playgrounds wisely in the future. Keep off the courts until they harden and are in fit condition for tennis.

POPULAR COUPLES ARE SURPRISED WITH SHOWER

A kitchen shower for two members of the English Department was given Sunday afternoon at the home of Mr. and Mrs. Scudder. The guests of the affair were Mr. Claude Lloyd, Miss Dorothy Clarkson, Mr. Blake and Miss Ruth Bixby. They carried away the best wishes of their colleagues and an amazing assortment of highly useful housekeeping equipment. Those present were Dr. and Mrs. Richards, Mr. and Mrs. Melville Smith, Mr. and Mrs. Andrian Morse, Miss Oulds, Miss Camille Hudon, and Mr. Troy.

ARIZONA

Those of us who had the privilege of hearing the Arizona-New Hampshire debate a week ago last Wednesday night, were more than pleased with the speakers and the personalities of the men. To New Hampshire goes the credit of debating one of the best teams in the United States. Our men debated with, and showed up well against, the best team that has visited our campus. The audience was delighted.

And now, we will pass to the Arizona team itself. To the men who came here goes the bulk of the credit. They did their work well and deserved the decision. To their coach and President Marvin of the University of Arizona, we take off our hats. A team of three men, out in the world, receiving very little financial aid from their university, traveling throughout the United States and debating on an arranged schedule, simply for the love of debating, that is what we admire.

When they were here they had already been on their tour for five weeks and expected to be traveling for three more. Since leaving Arizona, they have had practically no financial aid from their own University. They have relied upon the guarantees of the various colleges at which they debated for their expenses. And what is more, they have made good.

Seldom do we hear of such a thing in this part of the country, and when we do hear of it we marvel at the magnitude of such a proposition. Does that mean that the west is gradually forging ahead of us in the matter of debating? Does it mean that we do not take the interest they do? We certainly lack something.

This year, debating has loomed larger in the eyes of the student body than ever before. What has been the result? We have sent teams to all parts of New England, we have won and we have lost. But always, at each debate we note with satisfaction that there is a larger attendance, more who are fond of debating, and more who are learning to appreciate the art.

Although, we would not foster the idea of every organization going out on the "road" independent of the university, we wait and wonder who will be the first to attempt something similar to that which Arizona put across so successfully. Arizona we congratulate you.

LEAGUE OF NATIONS FILM SHOWN HERE

"Hell and the Way Out" Shown at Community House — Performance to Be Repeated May 9, at Theater Service

At an informal reception last Monday evening in the Community House the League of Nations Non-Partisan Association film "Hell and the Way Out" was given its premier showing in the state of New Hampshire.

The first part of the film was in the form of a war story and gave a rather ineffective picturization of the horror of war. The second half of the film was concerned with the League of Nations and was a very clear and concise explanation of the League of Nations; how it functions, and the actual results of its work since it was formed in 1920.

It was through the efforts of Mrs. O. R. Butler, who is the state executive secretary of the League of Nations Non-Partisan Association, that the first showing of the film for this state was made here. According to the Rev. M. R. Lovell, the picture will be shown again at the Sunday service at the Franklin Theater on the evening of May 9, and the students will have an opportunity to see the picture at that time.

The committee in charge of the reception at the Community House was as follows: Mrs. O. R. Butler, Dr. G. N. Bauer, Rev. M. R. Lovell, Mrs. Helen McLaughlin, Mrs. Lois Ritzman, Miss Carrie Lyford.

REV. KEPNER LECTURES AT THE COMMUNITY HOUSE

The Rev. Charles D. Kepner of New York city will give a stereopticon lecture at the Community House tonight, at eight o'clock, on the subject, "Present Day Russia."

Mr. Kepner was a member of the Sherwood Eddy Tour which studied

social conditions in Europe last summer. It was while the party was in London that Mr. Kepner succeeded in obtaining a passport to enter Russia. He left the party at that time to spend the rest of the summer studying actual conditions in Russia. His lecture will be based on first hand observations and his experiences should prove very interesting as well as a valuable commentary on Russia at the present time.

TRACKMEN IN FIRST TRIALS OF SEASON

Varsity and Freshmen in Competition on Boards—Captain Peaslee Furnishes Thrill of Afternoon by Lapping Field in Two Mile Run

Last Saturday Coach Paul Sweet turned his Varsity and Freshman trackmen loose for the first time this spring on the board track in a joint preliminary tryout. The times although not exceptional were quite satisfactory in view of the adverse conditions under which the men have labored this season.

Capt. Peaslee in the two-mile opened up for the first time this season, and before the twenty-fourth lap was reached he had lapped everyone but Littlefield two or three times. Littlefield finished in second place slightly more than a lap behind. Cleveland '29, took third place.

Williams, a recent Annapolis transfer, led to the tape in the one mile run closely followed by Cahalan and Whitney of the Freshman team.

The 880 was hotly contested but Abe Smith crossed the line some distance ahead of K. Bartlett, '29 and Burke who were separated by a few inches only.

In the 440, Barclay finished a few yards ahead of Daland, with Huntoon, '29, placing third.

Seventy-five yard dashes found Van Allen, Manfreda, Schwarzenburg and Kelley making the best times.

The high hurdle competition was limited to Abe Smith and Charlie Gray, with the former finishing slightly in the lead.

S. A. E.'S TAKE FINAL DEBATE

(Continued from Page 1)

Omega 17, and negative 3 to 0; Sigma Alpha Epsilon 25, Theta Kappa Phi 14, and negative 3 to 0; Kappa Sigma 22, Lambda Chi Alpha 17, and affirmative 3 to 0. Monday evening, S. A. E. defeated the Kappa Sigma team in the only semi-final held by 20 to 19, the negative team winning 2 to 1. Theta U. drew a bye into the finals.

FRANKLIN THEATRE

DURHAM, NEW HAMPSHIRE

ADMISSION: ADULTS 25c CHILDREN 10c

THURSDAY, APRIL 15

A Warner Bros. Picture
"THREE WEEKS IN PARIS"

Matt Moore, Dorothy Devore
 Three weeks in Paris after a hooded wedding and a mother-in-law join a honeymoon without the bride—in Paris—were it so easy to forget the winsome dainty charms of the newly annexed wife you have so recently taken out yourself. A comedy.
 Willard Lewis, Helen Lynch, John Patrick, Gayne Whitman
 International News

FRIDAY, APRIL 16

A Paramount Picture
"BEHIND THE FRONT"

Wallace Berry, Raymond Hatton
 The story of a rough-neck and a sap, enemies in private life but buddies in the army who fought the whole German army for a girl. An unprecedented comedy treating the sunny side of the war. A riot of grotesque and gorgeous gags.

Educational Comedy—"THE MOVIES"

SATURDAY, APRIL 17

A Metro Picture
"THE EXQUISITE SINNER"

Conrad Nagel, Renee Adoree and Paulette Goddard
 The incomparable Nagel is a handsome young business man who, wearied of wealth, follows the gypsy trail to adventure and learns from the lips of a gypsy maid in the person of Renee Adoree the true meaning of love. From the novel "Escape" by Alden Brooks.
 Pathe Comedy—"THE BELOVED BOZO"

MONDAY, APRIL 19

A First National Picture
"THE WHITE MONKEY"

Barbara La Marr
 250,000 have read the book; 250,000 know the truth about today's marriages; today's follies; today's standards. The truth as a great living novelist, John Galsworthy sees it, intimately told and splendidly pictured.
 Grantland Rice Sportlight—"SPORTING JUDGMENT"

TUESDAY, APRIL 20

A Warner Bros. Picture
"THE FIGHTING EDGE"

Patsy Ruth Miller
 Are you a quitter? Or have you a "fighting edge" as this fighting Irishman had to have in his crusade against the smugglers in the high Sierras? Beneath his Spanish indolence lurked his Irish aggressiveness. A story spiced with excitement and sweetened with romance.
 Kenneth Harlan, Heinie Conklin, "Red" Kirby
 International News
 Short Subject—"Earth's Oddities"

WEDNESDAY, APRIL 21

A Paramount Picture
"MOANNA OF THE SOUTH SEAS"

Robert Flaherty's true picture—romance of life and love in the south seas. The sinuous sirens, the fascinating charm of the South Seas as never before shown in book or pictures. Come to bask an hour in the land where we would all like to be.
 Comedy—"BUSTER BE GOOD"

SHOWS AT 3.15, 7 AND 8.30

P. A. throws pipe-peeves for a loss

AND the bigger they are, the harder they fall, as Shakespeare or somebody said. You can prove this beyond question with a jimmy-pipe and a tidy red tin of Prince Albert. Anytime. Anywhere. As a matter of fact, tackling pipe-grouches is P. A.'s regular business.

Cool and sweet and fragrant, P. A.'s wonderful smoke comes curling up the pipe-stem, filling your system with a new brand of pipe-pleasure. You smoke—and smile! For the first time in your life, you've found the one tobacco that scales to your blueprint of bliss.

Slow or fast, no matter how you feed it, P. A. never bites your tongue or parches your throat. Those important items were taken care of in the original plans by the Prince Albert process. Get yourself a tidy red tin of this friendly tobacco today.

PRINCE ALBERT

—no other tobacco is like it!

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.

ALUMNI NOTES

CLASS OF 1910

Frederick L. Hooper (Theta Chi), 9 Equity Place, Lawrence, Mass., is assistant employment manager of the Arlington Mills.

CLASS OF 1916

Philip Watson (Theta Chi), was married to Bertha M. Pellerin on October 20, 1925, at Portsmouth, N. H.

CLASS OF 1917

Ray T. Roberts (Theta Chi), 1533 So. Rockford St., Tulsa, Oklahoma, is a salesman for the Goulds Manufacturing Co.

CLASS OF 1918

The engagement of Miss Ethel Walker and Mr. Richard Smalley of England was recently announced.

CLASS OF 1919

William Shuttleworth (Theta Chi), was married to Miss Esther Gustafson on June 20, 1925, at Cambridge, Mass.

Carl Mathes (Theta Chi, Alpha Chi Sigma), is now sales representative of the Anderson Chemical Co. of New York, with headquarters in Cleveland.

Priscilla Benson (Pi Alpha Phi), took the Alpha Chi Omega national degree on April 10.

CLASS OF 1920

Gladys Whipple (Pi Alpha Phi), and Phoebe Stryker (Pi Alpha Phi), also took the Alpha Chi Omega national degree on April 10.

CLASS OF 1920

Ralph N. Johnson (Theta Chi), Silver Springs, Maryland, is manager and owner of the Gurnsey Dairy of that place.

CLASS OF 1922

Donald P. Mattoon (Theta Chi), Groveton, N. H., is headmaster of the Groveton high school.

Floyd Bishop (Theta Chi), was married to Miss Anna Spackman on September 12, 1925, at DuBois, Pennsylvania.

Cecil Leath (Alpha Tau Omega), Ex-'22, returned for the week-end. "Cy" was formerly a star track man at the University.

CLASS OF 1923

John Edward Morrill (Theta Chi, Alpha Chi Sigma), 22 W. Goethe St., Chicago, is a Chemical Engineer at the Western Electric Co.

Hugh Huggins (Theta Chi), Hillside Hall, Halifax, Nova Scotia, is a student at the Dalhousie University Law School. He is a member of Delta Lambda Sigma and is the leading man of his class.

Mr. and Mrs. George L. Campbell (Theta Chi), 49 Medford St., Malden, Mass., announce the birth of a daughter, Dorothy Elizabeth, on September 21, 1925.

CLASS OF EX-'23

James Snyder (Theta Chi), was married to Miss Muriel Nichols on September 19, 1925, at Peterboro, N. H.

CLASS OF 1924

Francis Tolman (Theta Chi), Follen St., Boston, Mass., has resumed his studies at the Museum of Fine Arts in Boston.

Frank Price (Theta Chi), was married to Miss Hazel Gammon. He is advertising manager for a concern in Attleboro, Mass., where he is making his home.

Newton Cox was married to Miss Ethel Carpenter, a teacher in Concord, N. H., at noon on Thursday, April 8, 1926.

Frank Walker (Theta Chi), was here over the week-end. He is now located at the Boston office of the Westinghouse Co.

CLASS OF 1925

Howard A. Gordan (Theta Chi), is in the Traffic Control Department of the General Electric Plant, at Lynn, Mass.

HOME ECONOMICS NEWS

Instructors and students of the Home Department of the University of New Hampshire are engaged in various activities in addition to their regular classroom work this term.

On Saturday, April 17, at three o'clock, the department will entertain the members of the Durham District of New Hampshire Home Economics Association and their friends at a tea in the Practice House. The junior girls are also getting practical experience by serving a series of meals in the dining rooms of the department.

Several meetings, of interest to those in the field of home economics, are being held this spring. On April 3 the Durham District had a short business meeting at the University. The State Home Economics Department will meet in Concord, May 15.

Besides teaching her regular classes here, Mrs. Helen McLaughlin, goes to the Lucy Hastings Hospital in Manchester each week to give a course in Nutrition and Dietetics.

Several students of our Home Economics Department are doing practice teaching in New Hampshire towns: Marion Arthur at Concord; Ila Batchelder at Nashua; Beatrice Britton at Laconia; Ruth Kemp at Exeter; Ethel Robinson at Exeter; Marion Robinson at Franklin; and Lena Storey at Rochester. They are under the supervision of Miss Carrie Lyford.

PITTSBURGH BRANCH OF ALUMNI ACTIVE

Plan a Big Festival for Memorial Day—Bowling League Is also Formed

The members of the Pittsburg branch of the Alumni Association met and were entertained at the home of Mr. and Mrs. Harold I. Leavitt of Wilksburg on Saturday evening, April 3. The meeting was well attended. Mrs. Litch and William Allavato of southern California were guests at the meeting.

The first in the order of events was a short business meeting. A letter from the New York branch presenting the rules of a bowling league which is being formed, and an invitation to join this league was read. No action was taken as the rules of the league do not tend to lend themselves to the bowling facilities of Pittsburg. However, it was decided to hold a bowling party in Wilksburg on April 14.

Mr. Morat informed the group that a list of the names of the members had been submitted to the New England Club of Pittsburg as prospective members of that organization. A committee consisting of Mrs. C. F. Cone, H. I. Leavitt, and L. J. Lemieux was appointed to act as a standing picnic committee and to arrange for the annual Memorial Day picnic. This will be held on the next regular meeting and will be the first of a series of outings planned for the coming summer.

After the meeting was adjourned the remainder of the evening was devoted to bridge, at which prizes for high scores were won by Mrs. C. F. Cone and J. P. Laughlin, and low scores by Polly Bailey and Pete Morat. This being Pete's second successive triumph, the group unanimously voted that in the event of a third victory the trophy will become Pete's possession.

E. P. CONLON SPEAKS ON CAMP LEADERSHIP

Education 43c Has First Lecture—Mr. Gibson, Noted Author of Boys' Books, Scheduled to Talk on "Boyology" at Next Meeting

Monday afternoon, at the first meeting of the course in camp leadership, Mr. E. P. Conlon, Director of Camp P. Knapp, gave a lecture and discussion on "The Requirements for Leadership" in which he declared that leaders are generally people whose characteristics had been "born in them." He went on to add that these natural leaders were capable of extensive development through training and experience.

In the early part of his lecture, Mr. Conlon traced the history and the rapid growth of camps and camping. The larger part of the period was given over to practical advice and rules on the matter of leadership in a boys' camp.

Professor Wellman, of the Department of Education, announced that there would be a final examination in the course, and that notebooks would be required. If the students are willing, it is planned to take a "model" hike, to include cooking a meal, after the lecture on hiking. It was also announced that in place of Mr. Estabrook of Harvard, who was to take the second lecture of the course, and is unable to come at that time, Mr. H. W. Gibson of Boston, Director of Camp Beckett, President of the National Association of Camp Directors, and author of several books on boy psychology has been secured. Mr. Gibson is to speak on what he terms "Boyology," or Boy Psychology, a subject in which he is especially well qualified.

MISS PHELPS WILL LECTURE ON CHINA

Community House Will Be Scene of Talk on Sunday Evening—Impersonations to Add Interest to Discussion

Miss Isabelle Phelps, recently a missionary to China, and now an undergraduate at the university, is to give a talk on the subject, "In the Heart of China," supplemented by impersonations, at the final Y. M. Y. W. Meeting of the year, Sunday evening at seven o'clock, at the Community House.

The setting for the impersonations which will consist of real Chinese objects taken from collections belonging to Miss Phelps and members of the faculty, is expected to give a truly oriental atmosphere. In addition, Chinese and Oriental music will complete the setting.

Miss Phelps returned to this country last fall after spending several years as a foreign missionary. During her years in China, she had many unique experiences which promise for her entertainment a large amount of interest.

FRESHMEN NOTICE

Coach Paul Sweet issues an urgent request to all freshmen interested in the hurdle events. They are to report to him immediately as the squad lacks good hurdle material at present.

PERSONALS

Pauline Stewart, '26, has returned to the University after an operation at the Portsmouth Hospital.

Anna Philbrook, '28, has changed her mind again and returned to finish out the year.

Richard Lord, '27, was injured last Friday in the Machine Room at De Merritt Hall, when he became entangled in the machinery. Lord was unconscious for several minutes. The injury did not prove to be serious.

Melville Taylor, '26, spent last week-end at Rhode Island State College, attending the initiation banquet of Eta Zeta Chapter of the Lambda Chi Alpha Fraternity.

Miss Mary McCooey is doing practice work in Dover High School in the Mathematics department.

ALPHA TAU ALPHA HOLDS ANNUAL FRAT. BANQUET

On April 3rd, the annual banquet of the Grand Chapter of the Alpha Tau Alpha Fraternity was held at the Hotel Carpenter, Manchester, N. H. The toastmaster for the evening was Dean Taylor. The address of welcome was given by Mr. P. W. Sawyer who was followed by several impromptu speeches which were exceptionally amusing.

The officers for the coming year were elected as follows: Ralph W. Forristall, president; Phillip W. Sawyer, vice president and treasurer. A committee was appointed to take care of the business for the coming year.

MR. J. S. WALSH TO ADDRESS STATE TEACHERS' MEETING

Mr. J. S. Walsh has accepted the invitation of the Classical Association of New Hampshire to give the principal address at the meeting of the classical section at the annual state teachers' convention in Manchester, October 22, 1926.

They call it the "Pierce Type"

When the class of '15 at Maine was being graduated, the name "Pierce" meant no more in the field of metering than Sweeney or Jones. Today, however, if you'll talk to such companies as the Detroit Edison Company, The Southern California Edison Company, the Duquesne Light Company, or the United Verde Copper Company, you'll learn that "Pierce" means a type of remote metering, which enables a man in a central dispatcher's office to read the condition of a sub-station several miles away.

Superpower brought in the need for an improved method of remote metering, and R. T. Pierce, Maine '15, in the employ

The question is sometimes asked: Where do young men get when they enter a large industrial organization? Have they opportunity to exercise creative talents? Or are they forced into narrow grooves?

This series of advertisements throws light on these questions. Each advertisement takes up the record of a college man who came with the Westinghouse Company within the last ten years or so, after graduation.

ment in the instrument section of the engineering department. He took it merely as a "fill-in" job. Soon he saw that instruments play a vital part in every electrical operation. As an instrument engineer, Pierce spent several weeks on the U. S. S. Tennessee and the Colorado during their trial runs. He has ridden in the cabs of electric locomotives. He is in closer touch with radio than anyone not a radio engineer.

A design engineer comes continuously in contact with sales negotiations, and Pierce's contact with them proved so beneficial that he was lately made head of the Instrument Section of the Sales Department, which means that he really has charge of the sale of all instruments to Westinghouse customers.

of Westinghouse, devised it. He designed a system that operates on a new and different principle, and that has met with general acceptance in the Central Station field. He also was active in the recent re-designing of the entire Westinghouse instrument line.

It was only a few months after Pierce had completed the graduate student course at Westinghouse that he was given an assign-

SPORTISMS

Track—winners—Paul Sweet. All mean the same to New Hampshire students.

How about a real mascot for the University—a real Wildcat?

O'Connor and Nicora are hitting the ball as far as ever. That varsity infield looks good too.

"Duke" Peaslee ran a 9:55 two miles on the boards. Looks as if the "Duke" will lower that record this spring.

Talking about records Paul Toolin and "Abe" Smith ought to break a few in the hurdles and the half-mile respectively.

Van Allen and Manfreda are doing some wonderful running and it looks as if another college record will drop in the hundred.

"Dutch" Connors visited the campus during the past week. He was the captain of the football team that gave the Army and Holy Cross a walloping.

It is too bad that Coach Howes' men cannot use the outdoor tennis courts, but poor conditions puts playing on them out of the question.

INTERFRAT BASEBALL LEAGUE RULES FOR 1926

Eligibility
Any member or recognized pledgee of a fraternity except those men who have won varsity baseball letters or who are members of the varsity or freshman baseball squads. No members of a varsity or freshman squad is eligible until forty-eight (48) hours after he is Officially Dropped from that squad by the Coach. These rules will be in effect after April 24th.

Forfeitures
Any team that is not on the field ready to play within fifteen (15) minutes after scheduled starting time must forfeit the game to opponents who must be ready to play. The umpire has full power to forfeit a game.

Protests
Must Be Made on the Field of Play to the Umpire and later in writing to the secretary of the league, Mr. Davis, within 24 hours after the actual playing of the game.

Postponements
Will not be allowed unless the faculty representatives on the Board of Control advises and both captains are favorable, weather conditions permitting.

Officials
A list of legal officials will be published before the opening of the season. These men will be chosen from the baseball letter men and members of the physical education department. Other men may be chosen with the sanction of Mr. Swasey. The captain of the team first mentioned on the schedule must secure the umpire favorable to each team.

Reports of Games
Reports of games in full detail will be made by the sub-managers assigned to the job. The captains of the competing teams may read this report before made official.

Managers and Team Captains
Each team must have a captain and a manager. The duties of the manager will be to assist the sub-managers in caring for the equipment and in scoring the games, etc.

NOTE. Fraternities must send in their applications for membership in the baseball league on or before the nineteenth (19) of April. These applications should be addressed to Mr. Gene Tetzlaff, President of the League.

Accompanying the applications, on a separate sheet of paper, each fraternity must send a list of men eligible to compete. This list will be verified by the league officials according to the above rules, and the fraternities will be notified of any changes. Additional players may be added to a team by sending their names to Mr. Swasey at least forty eight hours before their participation in a game.

Men ineligible to play at the time of a postponement of a game will not be allowed to play in that postponed game.

A list of men ineligible to compete in the league will be posted on the gymnasium bulletin board on April 24th.

SUPERINTENDENTS MEET WITH PRESIDENT HETZEL

A meeting of the Superintendents of Southeastern New Hampshire was held here, Saturday, April 10. Topics dealing with problems of the classroom were discussed by various Superintendents. Among the speakers were Superintendents Buker of Rochester, Jackson of Madison, Moore of Portsmouth, Perkins of Hampton, Pitkin of Epping, Sanborn of Farmington, Towle of Exeter, Young of Somersworth, and O. R. McCoy of Newmarket. Dean French and Professor Bishop of the Sociology department, and Professors Mangun and J. O. Wellman of the Education department, represented the University. The sessions of the meeting were held in the new wing of the Commons Building.

The delegates were entertained at lunch by President Hetzel.

MILITARY ORGANIZATION PLEDGES ELEVEN JUNIORS

The New Hampshire chapter of Scabbard and Blade, the national military fraternity, has pledged eleven new members from the junior class as a result of their bidding last week. The new men will be initiated in the near future. They are John Day, Harry Page, George Kelsea, Earl Philbrick, Lester Southmayd, Roger Patten, Elroy Chase, Paul Johnson, Robert Phelps, George Pickwick and Frederick L. Robinson.

ANOTHER PRIVILEGE IS GRANTED TO THE WOMEN

The Women's Student Government Council has granted another spring privilege in regard to automobile riding. Freshman, sophomore and junior women may go riding with men during the day until 6.30 p. m. The system of signing up before leaving town is constituted for the girls' benefit, and it is necessary that they state where they are going and with whom. With this system the girls may be located at any time in case of emergency, accident, etc.

Senior women may ride with men at any time, but they must sign up before leaving.

REGULAR WORK IN GIRLS' ATHLETICS TO BEGIN SOON

Regular work in girls' athletics will begin as soon as weather permits. This term there will be classes in track, baseball, tennis and hockey. Much enthusiasm has been shown over tennis this season, and it is hoped that the old unused court in back of Smith Hall will be repaired, so that the full classes can be accommodated.

Field Day is to take place Saturday, June 5. Events will include a swimming meet and canoe races on the river, and baseball and hockey games on Memorial Field. Finals in the tennis tournament will probably take place on that day.

"BEHIND THE FRONT" SHOWS AT THEATRE ON FRIDAY

"Behind the Front," a comedy of the A. E. F., comes to the Franklin Theatre Friday. Wallace Beery and Raymond Hatton add new laurels to their uproarious characterization. No funnier scenes have ever been taken than those showing the bewildered heroes, on the firing line, in the trenches, in the guard house, in No Man's Land, and in a mad ride in a galloping tank. Through the plot runs a romance with Mary Brian as a Red Cross worker. Others in the cast are Chester Conklin, Richard Arlin, Louise Lorraine, and Gertrude Astor. The picture was made under the supervision of military experts.

Here and There

At Williams it is reported that Chapel-goers not only match pennies, lay bets on the length of the sermon or prayer, but also amuse themselves by coughing.

The Chapel Cough, we are told, is a mixture of the cigarette cough and bronchial cough. It breaks out at strategic moments of extended sermons or Scripture readings.

The New Student

The *Lampoon*, humorous magazine of Harvard University, celebrated its fiftieth anniversary on February thirteenth. This makes it the oldest humorous publication in the United States. Life magazine was started by Harvard graduates who had worked on the *Lampoon*.

The New Student

President Little of Michigan University thinks that one of the greatest tributes ever paid to Harvard University was the remark: "It is the only school where a student can walk across the campus on a clear day wearing overshoes and carrying an umbrella without attracting attention."

A worthy tribute! For it means that Harvard is a highly intelligent community where a person may do as he thinks best regardless of whether that is what everybody else is doing. There he is surrounded by people who are broad-minded enough to let him carry his umbrella on a clear day without looking on him with suspicion or with hysterical glee. They have come to realize that there is more than one situation that might demand the carrying of an umbrella.

McMurry War Whoop

Professor Ira B. Cross of the University of California may be long remembered as a champion of the rights of man. Annoyed at the feminine students who powdered their noses in class, he invited the men of the class to do likewise. Consequently two men appeared in class armed with Gillettes, lather and brushes. After class had opened they lathered and shaved. Professor Cross promised to award both of the men A's in their term's work in recognition of their bravery in defense of the rights of man.
