When silverly moonlight fallen on town and field—and the long, joyous tour home is ready to begin—have a Camel!

Camel contains the very choicest tobaccos grown in all the world. Camel means an odor of character and a fine flavor. Tobacco and spirit satisfaction. Nothing is so good for Canada. In the making of Camel the tobaccos are thoroughly and carefully selected, then chosen at their finest maturities. 

Camel brand is a tobacco for Canada. Canada wants a strong tobacco. Canada wants a tobacco that will promise her and her friends the very best. 

Canada wants a tobacco with a kick, a Cigarette. Canada wants a tobacco that will please, a Cigarette. 

Canada wants her tobacco, a Camel! A Camel! A Camel!
