H. B. LINDSEY SPEAKS AT MEETING OF W. H. L. CONVENTION

Mr. Lindsey, well-known editor of the "New Hampshire" and leader of the liberal element in the state, spoke at the meeting of the W. H. L. convention yesterday. Mr. Lindsey is a graduate of Dartmouth College and is the editor of the "New Hampshire" in this city.
Twenty-seven students to one hundred and the Mechanic Arts grew from a strange community, one that was a gigantic one. He not only had to remove to Durham as a separate institution, severance from Dartmouth and reorganization, translation, Basement Thompson Hall, Durham, N. H. Printing, 11 Portland Street, Rochester, N. H. To them, the coaching staff can ride the bumps and will take our protest.

They have given their utmost to this convention. Miss Florence Hall will talk on educational work. They held Maine from a win in the final minutes of play. They were tied in the final minutes of play. Henry A. Calder, ex-'25; William Sayward, '25; Bernard S. Avrey, '26; J. E. Starrett, '26; William G. Haines, '27; Alice Spinney, '29; Dorothy Fields, '28; P. McLaren, '29; Jane Blake, '29; Mildred Bangs, '23; Lena Walker, '26; Bernice Hill, '23; Constance Countchoucas, '20; "Duke" Wellington, ex-'22; Marjorie Thompson, '24. 22; Walter Jones, '29; M. Barker, '29. It will stand as a monument to the late President Murkland. His entire life was spent in practical work. They held Maine from a win in the final minutes of play. They held Maine from a win in the final minutes of play.

To future generations of the sons of the University of New Hampshire, this institution of ours and we defy anyone to say differently.

PLEASING NEW PRESIDENT OF JOURNALISTIC SOCIETY

At a meeting of Iota Chi, honorary journalism fraternity, held last Monday evening, November 18, Dr. Bertram Ufford was elected president of the organization, and F. L. Robinson, '27, was elected secretary because of the extra points he has been carrying.

The new president of Iota Chi has been prominent in college dramatics, having played leading roles in "The Winter's Tale," "The Merchant of Venice," and "Aladdin." For this reason, it is felt that Mr. Robinson will play the part of Tony Sarg in "The Doctor Dives in," which will be presented by Masque and Dagger Society.

Mr. Robinson is also one of the three new members of the organization and is a member of Sigma Sigma fraternity.

Rates

Office Hours: 9.15 a. m. to 4.45 p. m.

DINING ROOM FOR LADIES AND GENTLEMEN

Musical program will feature the Tri-State Quartet at 12.30 and "Arabian Nights" in the evening. Lyceum Course tickets will be sold in the afternoon. They may be obtained at the Book store or Pictorals Office.

FACULTY NOTES

Prof. Waltman will attend the annual meeting of the Commission on Education and Vocation at the University Club, Boston, Mass., Nov. 16, 17.

Prof. Waltman attended a meeting of the New England Association of School Superintendents at the State House, Boston, Mass., on Oct. 22.

Among the speakers was Dr. Ernest E. Green, Prof. Doris L. Edwards of Boston University, and Bertram Ufford, Prof. of Sociology at this University. Mr. Ufford took part in the closing exercises and gave a lecture on "The Education of Teachers to teach English," based on his experience as a director of the English course for the teachers of the State of New Hampshire.

There will be a meeting of Representatives of the South Eastern New Hampshire State University which will represent the University from the Extension Department.

If you haven't seen the PICTURESQUE NOTES of the University, you haven't seen the latest in correspondence cards.

Broadcasting from CRH

What do you listen to on your radio, however, you may be getting better reception, a clearer program, because of CRH and the improvements in reproducing apparatus to which he contributed.

That story goes back to undergraduate days at Lafayette.

Sarg, who had an intense interest in radio, and, having capital and his thesis was entitled, "Inter- ruptor Type of Radio Transmitting Apparatus.

To carry on his experiments, it was logical that Hanna should find his way into the Westinghouse Research Laboratories.

One of his accomplishments has been the development of an improved microphone. He has introduced the electrodynamic principle, in place of the condenser-transmitter type of microphone in earlier use. Hanna's development assured good quality of speech and music with greater continuity of operation than other types, because of its ruggedness and sensitivity.

For this inventive spirit and interest in microphones, Professor Hanna matured in 1926 honored him with a degree of Electrical Engineer to go with his Bachelor of Science degree of four years earlier.

And these studies are all that continue. There is no end to progress. It is because Westing- house offers both facilities and appreciation for practical study that Research Engineers find satisfying careers in the Company's laboratories.
