Varsity and Freshmen Victorious at New England Cross Country Meet

Littlefield Places Third for Varsity—Cahalan Sixth
Four Freshmen Arrive in First Ten With Hobbs Second

Both of Coach Sweet's Teams Succeed in Defeating the Colleges of New England by a Wide Margin—Students Turn Out and Welcome Runners on Return

The University of New Hampshire runners ran away with top honors in both the varsity and Freshman races at the 14th annual N. E. I. A. A. cross country championships held at the Franklin Park Course Monday afternoon.

Presenting two of the strongest team combinations that ever represented any New England College in the annual events the New Hampshire boys experienced little difficulty in defeating the 12 other college teams represented in the championship.

Coach Paul Sweet's boys showed great teamwork, they ran well throughout the distance and both teams took team prizes. The varsity leading Maine 55 to 37, a 32 point lead; while the Freshman defeated the Tufts Yearlings 108 to 128, a 20 point lead.

The Yearlings were the first victors defeating the 7 other colleges in a sterling battle over the 3 1-2 mile course. Lloyd of Maine led the 59 runners home with Hobbs of N. H. a few yards behind.

The news that the Freshmen had won came at the psychological moment and instilled new pep into the varsity runners who did not wish to be outdone by their younger brothers. The N. H. varsity runners then started out to win. They kept together over the greater part of the course and finished fairly close together.

Individual honors went to Taylor of Maine who set a hot pace from the beginning. He was followed by McClintock of M. I. T. and Littlefield of N. H. The three runners went nip and tuck throughout the course, each putting up a merry battle for premier honors. Taylor refused to relinquish the lead and won over McClintock by 25 yards with Littlefield directly behind him. Cahalan the 2nd N. H. man to finish ran a pretty race finishing in 6th place. Eastman also ran in perfect form finishing in 13th place. Willard and Whitney finished in 16 and 17th places respectively. Both of these runners ran together over most of the course. Weeks finished 23d place.

Too much credit cannot be given to Coach Paul Sweet who developed almost a miracle team out of practically very little material. At the beginning of the season Coach Sweet was without the services of the re-

(Continued on Page 3)

SOPHS DEFEAT SENIORS 2-0 ON MUDDY FIELD

The sophomore women were victorious in their first hockey game of the season, winning from the seniors by a score of 2-0. Rain hindered fast playing for both teams. The excellent defense of the sophomores prevented the seniors from scoring. The line-up is as follows:
Seniors: c. f., A. Martin (M. Mar-noch); l. i., P. Andrews; r. i., A. Osgood; l. w., E. Paige; r. w., E. Tibbetts; c. h., F. Fairchild; r. h., E. Atwood; l. h., E. White; l. f., L. Hodge (M. Woodman); r. f., L. Tobey; g., E. Kelley. Sophomores: c. f., A. Spinney; l. i., M. Britton; r. i., R. Pitcher; l. w., I. Goodhue; r. w., I. Paige; c. h., M. Trimmings; r. h., L. Stewart; l. h., M. Dicey; l. f., D. Block; r. f., M. West; g., H. MacShane.

WORLD FELLOWSHIP MEETING HELD BY Y

A World Fellowship Meeting Was Held at the Commons Sunday Night at Which Representatives of Nine Countries Took Part

A largely attended World Fellowship Meeting was held at the Commons Sunday night, under the auspices of the Y. M. C. A. and the Y. W. C. A., at which an international program was presented.

Chun Lee of China and Masami Udoh of Japan spoke of student life in their respective countries. Udoh stressed the lack of Freshman rules in Japan.

Edward Tilc, who was born in Czenstochowa, the famous shrine city of Poland, talked about the contribution which his country had made to education. For it was at Cracow, the second oldest university in Europe, that Copernicus made his discovery that the world was round and not flat.

Eric MacNab and Harry Page gave highly interesting readings. Miss Henthorne talked on different phases of student life as she had observed it during her two months' visit abroad. Ellen Farley and Ruth Stolworthy, in costume, sang folk songs of Czechoslovakia and Denmark.

The "All Around the World Fellowship" idea was charmingly carried out in an international candle lighting ceremony in which the following native born students took part: Chun Lee, China; Ivi Nyman, Finland; James Papadopoulos, Greece; Alec Szuch, Hungary; Richard Ricciardi, Italy; Masami Udoh, Japan; Edward Tilc, Poland; Eric MacNab, Scotland; Lawrence Erickson, Sweden. Representatives of Canada, Russia, England, Syria and Switzerland were not able to be present.

JUNIOR GIRLS WIN SOCCER GAME FROM FRESHMEN, 2-1

The girls' hockey and soccer athletic teams were organized this week, and games between the classes have been scheduled. In the first game to be played, the juniors won from the freshmen by the score, 2 to 1.

HOME ECONOMIC NEWS

Mrs. Helen McLaughlin has gone to Washington, D. C., to attend the annual meeting of the Land Grant Colleges. She is one of several representatives of this college to attend. On Tuesday, Miss Lyford took a group of Teacher Training girls in Home Economics to Robinson Seminary. Thursday, Miss Bowen accompanied the freshman girls who are studying textiles to Newmarket. There the girls, through the courtesy of the owners, were allowed to go through the mills.

Miss Elena Crough of the State Department of Health was in Durham last Monday. She represents the division of maternity and child care. While here she spoke to the class in child study on these subjects.

MEMORIAL SERVICES FOR WALTER CAMP

Taps Sounded Between Halves With Flag at Half-mast—Mayor Jensen Throws Out Football for Game—Band Forms "M" and "N. H."

Last Saturday witnessed New Hampshire's 13th annual Homecoming Day celebration when the varsity defeated the University of Maine before a crowd of 6,000 people. The band put on some special features between the halves and a service was held in memory of Walter Camp at that time. Money was raised for New Hampshire's quota for the Camp memorial by the sale of tickets at the gates.

Shortly before the game started the university band accompanied Mayor Jensen and Miss Jones to their platform in front of the bleachers. When the time came for the game to begin Mr. Jensen threw the football in to one of the officials and the contest was on.

A brief minute of silent tribute was paid to the memory of Walter Camp while taps was sounded and the flag was raised. At the close of this the band marched on to the field and formed the letter M in front of the Maine stands then formed an N. H. in front of the New Hampshire rosters.

After these demonstrations by the band some of the students brought the Tom Thumb Coach on the field and gave Mayor Jensen a ride around the field.

MARIONETTES TO PERFORM DEC. 1

Tony Sarg to Come With Novel Puppet Creations

Newspapers Through the Country Unite in Praise of the Show—Two Performances Will Be Given

Tony Sarg, whose remarkable Marionettes will appear in two performances at the gymnasium Wednesday afternoon and evening, Dec. 1, has made many trips to Europe and spent many months in continental countries getting material and developing ideas for the Marionettes' performances. The idea of marionette shows has been popular in England and on the continent of Europe for a

GOVERNOR AND PRESIDENT PRESENT AT R. O. T. C. REVIEW

The R. O. T. C. units were reviewed last Wednesday, November, on Memorial Field by his Excellency, Governor Winant, President Hetzel, and the military staff at 2:30 p. m. This is the last occasion on which Governor Winant will visit the University in his capacity as Governor.

Captain Taylor acted as regimental commander and had as his adjutant, R. A. Beattie. The senior officers who were not in the parade served as staff officers.

ARMISTICE DAY PROGRAM BY U. N. H. BAND AT KEENE

The first trip made by the University band this year took place Armistice Day when the organization went to Keene.

The band, under the leadership of Bunnell V. Bryant, left Durham at 7:30 Thursday morning by bus. A full day's program had been planned by the American Legion.

In the early afternoon an hour concert was given, followed by a parade. Exercises were then held in the city hall. General Clarence R. Edwards, former commander of the 26th Division was the main speaker. At the close of the services retreat services were held.

A second concert was given in the City Hall in the evening. The "Musical Tramps" played for the dance which followed the concert.

FIRST PRESIDENT OF UNIVERSITY DIES

Word of the death of Charles Sumner Murkland, D. D., Ph. D., the first president of the University after its establishment at the present site, was received here this week. Although he has been in poor health for several years his death was a shock to all who knew him. Dean Charles H. Pettee, who was a member of the faculty at the time of Dr. Murkland's incumbency, attended the funeral as a representative of the faculty.

Dr. Murkland was born May 20, 1856 at Lowell, Mass. He received his B. A. degree at Middlebury College in 1881 and later continued his theological studies. He came to New Hampshire after a successful pastorate at Manchester, N. H. He took over the control of New Hampshire State College at a critical time. To him fell the responsibility of organizing and establishing the school in a small country community with few resources.

In ten short years, between 1893 and 1903, President Murkland increased the size of the student body from 27 to 127 and the Faculty from 13 to 28. In order to meet the demands of the growing state, he established the Two Year course in Agriculture and the Summer School of Biology. Probably his greatest achievement was his work in strengthening organization of the College of Liberal Arts and emphasizing its importance in the College Program. In recognition of this achievement the new Liberal Arts building has been named Murkland Hall. He resigned the Presidency in 1903.

For several years following, he was Principal of Brewster Free Academy. With the outbreak of the war, he enlisted as a chaplain in the Y. M. C. A. Service, seeing service in France and Belgium. Advancing age at this time caused him to retire from public life.

SHE STOOPS TO CONQUER

The officers of Mask and Dagger are anxious to do everything possible for the comfort as well as for the enjoyment of the patrons of the productions of the society. "The best plays for the best actors, produced in the best possible manner" is the criterion of the organization. Realizing that in the past there has been overcrowding of the auditorium at many performances and consequent discomfort for some of the audience, the society has decided to begin this fall a policy of reserving seats. The first eight rows of the floor will be reserved for all three nights, and these reserved seats, priced at sixty cents, are available at Lothrop and Farnham's, and at the college book store. The rest of the floor and the balcony are unreserved; the tickets are fifty cents and may be purchased at the College Pharmacy, and at Hill's. First come, first served. The play is famous, the cast most competent, the staging and costuming artistic.

FRESHMEN TROUNCE MARINE ELEVEN 34-0

Game Played as Part of Armistice Day Program at Haverhill—Last Game of Year

The freshman football team finished its season with a decided victory over the Portsmouth Marines at Haverhill, Mass., Thursday afternoon, November 11, by a score of 34-0 in a game played as part of the Armistice Day celebration. The frosh showed a superior brand of football and made up for the tie game played with Marines a few weeks ago.

The scoring started in the second period when Tyler plunged through the line for the first touchdown after a march from the thirty yard mark. In the same quarter a forward pass, Tyler to McShane, for twenty-five yards, resulted in the second score.

The feature of the game was a recovered fumble by Captain Bianchi of the freshmen team, who ripped off a forty yard run, crossing the goal line before being tackled. In the final quarter, hard drilling line bucks by Nelson and Donnelly increased the score to 34 points, completely outclassing the Portsmouth team.

The freshmen showed plenty of power on the offensive and had a great defense organization. Their teamwork was especially good and the coaches feel that they have developed a consistent scoring machine, which will prove troublesome to the Sophomores in the annual classic yet to be played.

The Marines made a fine spectacle in their parade before the game and added to the interest of the occasion with their flashing uniforms and wild cheering.

DANCE PROVIDES FUNDS FOR BAND TRIP TO BROWN

An informal dance was held in the big gymnasium Wednesday afternoon, in place of the regular military drill. The unusual event was well attended by the students and dancing was enjoyed until five o'clock in the evening. The receipts from the dance are to be used to transport the University Band to Providence on Saturday for the Brown game.

CHRISTIAN ASSOCIATIONS TO HOLD STUNT NIGHT SOON

Plans are well underway for a stunt night which will be held very soon under the auspices of the joint Christian associations. Charles Gray, who has been appointed chairman promises a varied program for the evening.

The returns of the finance drive have been completed this week. Although the campaign was not as successful as was expected, the Y. M. C. A. reports approximately the same as last year, while the Y. W. C. A. reports a slight increase. Both organizations are faced with the problem of raising more funds to face their budgets, and it is hoped that the proceeds of the "stunt night" will fill the quota.

N. H. REPRESENTED AT MEETING IN CAPITOL

President Hetzel, Dean Case, Dean Taylor, Prof. Helen McLaughlin, and Director Kendall Attend Association of Land Grant Colleges at Washington

President Hetzel, Dean Taylor, Dean Case, Prof. Helen McLaughlin and Director J. C. Kendall are attending the annual convention of the Association of Land Grant Colleges at Washington at which all state colleges and universities are represented.

President Hetzel is on the executive committee of this association and it is possible he will serve again in the same capacity. J. C. Kendall, director of the experiment station, has been serving on the committee of organizations for experiment stations. He will give a report from 20 eastern states on experiment station policies.

One of the chief objects of this convention will be to bring about greater standardization among the state colleges and universities throughout the country, so that the graduates from these institutions will be able to compete successfully with the graduates of any other college.

JENSEN ELECTED AS FIRST DURHAM MAYOR

Lawrence Jensen, after a vigorous campaign advocating personal liberty, was elected mayor of Durham at a rally held in front of the Marshall House Friday night preceding the Homecoming game with Maine Saturday.

The combined rally and election, which was in charge of Blue Key, the honorary senior society was attended by over 500 students. The principal speaker of the evening was Attorney-general Walden. Howard Rollins, secretary of the Alumni Association read several telegrams from the alumni, who were unable to be present at the Maine game. Gunner Michelson led the students in singing and cheering.

N. H. U. REPRESENTED AT WASHINGTON CONFERENCE

New Hampshire University was represented by C. B. Wadleigh, state club leader, at the conference of the American Country Life association in Washington.

The main topic of the conference was "Farm Youth, What the situation is, what ought to be done, and how to do it." Another point stressed was the need of cooperation among the various agencies which are striving to better agricultural conditions. A resolution was adopted to get out a report listing those agencies and their functions so that their relationship to the farmer may be determined.

"JOY CHASERS"

To those of us on the campus who have been able to watch the progress of the varsity football team this year, it is most disheartening to listen to those critics who, having nothing else to do, blame the coaching staff because of the few games lost.
 It is true that the first few games of the year were not victories. For the past four or five years, New Hampshire has had a team that has been the envy of many of the New England Colleges. The teams have gone through the seasons with few defeats. It was then that those few narrowminded individuals were contented, they were happy and rejoiced in the fact that their Alma Mater was outstanding in the football world. To them, the coaching staff was all right, they offered no complaint.
 But—when we lost to the powerful Bowdoin eleven by one touchdown, scored in the last few minutes of play, when we lost to Connecticut by a mere three points, those who had sat back when all was sunshine, finally had the audacity to criticize. They could not stand the bumps, a set back was like the rain—very gloomy.
 But then the team went to Medford and took the collegians down there like Grant took Richmond, the "joy chasers" were quiet, they were satisfied. Saturday, if a man in the eleven thousand spectators who witnessed the victory over Maine had said a word about the coaching staff or any player, he would have been playing with fire.
 It all goes to show, that there are individuals in this world who are perfectly contented when everything is going all right, but who are ready to criticize in the darker moments.
 This year, as in past years, the team has had the advantages of years of experience on the part of Coaches Cowell and Christianson. They have given their utmost to make the teams what they have been and the teams have been worthy of the New Hampshire name. We are proud of the coaches and the athletic teams that have been produced in this institution of ours and we defy anyone to come out in the open and say differently.
 Even though we have had a few set backs this year and have been on the short end of a few scores, we are not disheartened, we are merely in the cycle that is ever going on. We can ride the bumps and will take our losses as well as our victories. To the teams and to the coaches we extend our heartiest congratulations.

DOCTOR MURKLAND

In another column of this issue there is an announcement of the death of Charles Sumner Murkland, first president of the university after its severance from Dartmouth and removal to Durham as a separate institution. The change was brought about by the gift of Benjamin Thompson to the state of New Hampshire and the task confronting the first president of the new institution, was a gigantic one. He not only had to make a college out of twenty-seven students and the faculty of a former department of another college, but was forced to undertake this task in a strange community, one that was unused to college students and which provided very little means of entertainment or accommodation for them.
 Doctor Murkland performed this task as he did all others during his life of service to his fellowmen, loyally, unselfishly, faithfully, and successfully. Under his direction the New Hampshire College of Agriculture and the Mechanic Arts grew from twenty-seven students to one hundred and twenty-seven and the number of

faculty members was doubled. New courses were added and the Liberal Arts was greatly improved. When President Murkland resigned in 1903 he left Durham beloved by students, faculty, and citizens alike.
 His entire life was spent in practicing the virtues of love and service to God and his fellowmen. He was minister of the gospel, educator, executive, and scholar and it seems particularly fitting that the new liberal arts classroom building which is now under the process of erection is named after him. It will stand as a lasting memorial to the man who first directed the university in the path of light and honor which form the keynote of its policy and who fittingly exemplified these qualities in his life and works.

ANNUAL CONVENTION OF N. H. EXTENSION SERVICE

The annual convention of New Hampshire extension service workers will occur Dec. 7 to 11. About 40 are expected to attend.
 Various plans and projects for the coming year are to be discussed. These will cover several agricultural subjects such as soils, crops, dairying, farm management, forestry, horticulture, food and health work, and boys' and girls' club work.
 In addition, the U. S. Dept. of Agriculture will send three representatives to this convention. Miss Florence Ward will talk on extension work in the eastern states. Mr. H. W. Howckbaum will deal with the various methods in which extension work is being carried on throughout the country. Mr. C. E. Hanson will speak on photography as related to farming.

LIST OF VISITING ALUMNI

The following Phi Mu Deltas were back at the house for Home-Coming week-end:
 Edson Bailey, '22; Robert Wilson, '23; Carlton Strong, '22; Charles Platt, '23; Morrill Shepard, '25; James P. Cassidy, '24; Howard S. Abbot, '20; Delmer Borah, '23; Raymond Atherton, '26; Benjamin Carter, ex-'20; Fred C. Chapman, '27; Glenn Stearns, '25; F. M. Eaton, '26; B. W. Pulsifer, ex-'28; Wilnot Smith, ex-'28; Clyde Cotton, '23; Henry Cutler, '24; Carl G. Darrach, '24; John E. Eastwood, '22; Walter E. Gray, '21; Leroy J. Higgins, '23; Hubbard Howard, '28; Wallace F. Mack, '21; Raymond Meader, '21; Ralph Peirce, ex-'23; Philip Stevens, ex-'27; Neal Cobleigh, ex-'24; Lawrence True, '22; Ralph J. Wallis, '23; E. H. Manchester, ex-'26; G. W. Russell, '23.

The following Kappa Sigmas were also back:
 A. B. White, '19; E. L. Bell, '20; L. S. Bell, '22; Daniel Byrne, '23; M. Campbell, '25; William Sawyer, '25; Bernard Menke, '24; Harold Pratt, '24; C. Winslow Jennings, '24; Frederick Haubrich, '25; Carroll Gerrish, ex-'26; Carl Lundholm, '21; Richard Gustafson, '23; H. G. Hewey, '18; Paul S. Ward, '16; Henry A. Calderwood, '01; Wallace Ahernan, '20; Norman Bearse, '21; Gifford Hayse, '22; Alfred Sawyer, '21; Orrin Whitton, '22; Lester Langley, '15; Capt. C. S. Pettee, '16; C. S. Avey, '26; J. E. Starrett, '26; William Hill, '20; Walter Warte, '16; Thomas Laton, '04; John Kendall, '02; Hollis Whittemore, '02; Cecil Morrison, '20; James Tufts, '14; George MacKenzie, '21; Harold Loveren, '21; Daniel Byrne, '21.

Alumni at the Theta Upsilon Omega House during Home-Coming week-end were:
 Francis Matthew, '26; Lloyd Stimpson, ex-'28; Paul Farrar, '26; George Middlemas, '23; Kenneth Clark, '25; Norman Marston, ex-'27; Wade Wheeler, ex-'29.

The following alumni were at the Lambda Chi Alpha House for the week-end:
 D. Kilton Andrew, '23; Lloyd Howe, ex-'27; Gustave Davidson, '25; Edward Y. Martin, '24; Lawrence Martin, '24; Charles Blewett, '26; Wendell Davis, '26; Adam Carpenter, '25; C. G. Kelley, '13; Reed Chaplin, '21; W. W. Wilder, '14; Lloyd Sargent, '25; Ray Hunt, '21; Albert Baker, '21; Arthur E. Saunders, '22; Carl Ball, '23; Charles Wilkinson, '24; G. D. Melville, '20; "Duke" Wellington, ex-'22; Ralph Parker, '17; Daniel Newman, '22; George Weston, '22; Allen Rowe, ex-'29; William Smith, '24; Alfred Smith, '26.

Alumni included at the Phi Delta Upsilon House last week-end:
 Everett Noyes, '25; Robert Jesseman, '26; Stanley Morrill, '26.

The following were at the Chi Omega House for the week-end:
 Priscilla Williams, '24; Louise Nutting, '25; Doris Rydin, '20; Winifred Scott, '26; Bernice Hill, '23; Constance Couthoucas, '22; Mildred Bangs, '23; Lena Walker, '26; Marjorie Thompson, '24.

The following alumni were back for home coming: At the Theta Chi house—Harold Whitcomb, '26; Everett MacIntyre, ex-'26; Elton Gustafson, '26; Frank Wallace, '24; Frank Price, '25; Leslie Clark, ex-'27; Ellsworth Mitchell, '26; Henry Applin, '26. Alpha Xi Deltas—Elinor Conant, '26; Rachel Davis, '26; Marion Robinson, '26; Ethel Robinson, '26; Ruth Kemp, '26; Elizabeth Smalley, '26; Gladys Harris, '27; Marion Williams, '23.
 Other alumni on the campus were Mrs. Alfred Graham, '17; Robert Kimball, '24; Eleanor Sampson, '26; Harriet Bradey, '26; Roland Sherburne, '26; Myron Leighton, '26; Ralph Bemis, '26; Charles Lord, '23; Marion Hubbard, '26; Ruth Long, '26, and Florence Hall, '27.

WILDCAT FOOTBALL TEAM WINS OVER UNDEFEATED CHAMPIONS OF MAINE (Continued from Page 1)

at the beginning of the second half and rushed the ball down to the 35-yard line where Nicora drew back to try for a field goal. The pass from center came low and Stewart was forced to run with the ball, just missing a first down by inches. Maine was unable to score with any success against the fighting Wildcat team and soon punted to the Blue and White 45-yard line. Abbiatti carried the ball three out of four downs, gaining with every thrust at the line. Nicora missed a try at a field goal.

The fourth quarter found the ball on Maine 20-yard marker, from which Peakes punted to New Hampshire's 45-yard line. Reynolds went in for Stewart, when the latter was injured after making a pretty gain around the end. Abbiatti intercepted a Maine forward and ran forty yards with perfect interference to the 10-yard line where he stumbled and fell. Two plays later, a pass from Reynolds to Roy brought New Hampshire the winning touchdown and the game. Nicora again kicked the goal. Maiffe threatened to score on New Hampshire's five yard line just before the final whistle blew, but the Wildcats held for four downs and won possession of the ball.

It is difficult to give credit where credit is due, but certainly the new wingmen, Kelsea and Dane, covered their assignments in tackling hard and receiving passes. They were fast in getting down under the punts, dropping the receiver flat in his tracks. Perfect interference by the entire backfield made New Hampshire's end runs succeed, and Stewart took full advantage of it to make runs of twenty to twenty-five yards. Abbiatti played the best varsity game of his college career. His line plunging on the offense and his strong backing up of the line featured. The New Hampshire linesmen outplayed the Maine line in charging and defensive work. They held Maine from a winning touchdown in the final minutes by throwing back the plunges on the Pine Tree starters for losses.

Peakes, Coltart and Young were the outstanding players for the visitors on the offense. Young was very fast on the deceptive plays that Maine used. Coltart shot some accurate passes to Mannigan who accounted for long gains.

New Hampshire outrushed Maine in all periods save the first, making 17 first downs against Maine's 13.

The summary:
 NEW HAMPSHIRE (14) (7) MAINE

UNIVERSITY FARMS VERY PRODUCTIVE

Statistics Show Small Crops in Hay and Alfalfa—Unusually Large Outputs of Corn, Potatoes and Vegetables

Statistics from the Agricultural college show the farms of the University to be very productive and the department as a whole to be in fine shape.

136 tons of hay were cut this year which is a small crop due to the lack of sufficient rain.

11 acres of alfalfa were cut, the yield here was also small; 325 tons of silage corn were harvested.

The field corn will yield about 100 bushels of shelled corn.

Six acres has been seeded to winter wheat of the Trumbull variety for the benefit of the poultry department which will use wheat, straw and chaff.

552 bushels of potatoes were raised and were sold for \$870 to the faculty and to the commons dining hall.

8 acres of oats were harvested. 5 acres of oats, barley and Canadian field peas seeded in equal amounts will be threshed and ground together for meal for the cows. 22 bushels of rutabagas grown for the sheep were harvested from one acre.

The herd of animals is smaller than usual, there being 27 cows, but with the bulls, heifers and calves there is a total of 51 in the herd, which is valued at \$7500.

Sales of milk amounted to \$2535. The sales of the creamery amounted to \$3228.

2441 gallons of ice cream were made between July 1st and October 1st.

2914 dozen eggs were produced between July 1st and October 1st.

150 hens and 200 broilers and roasters have been sold.

1200 hens will be kept during the coming season.

2000 chickens to be sold as winter broilers will be hatched in November and December.

The Horticulture Farm reports the production of the following: Apples, 2000 boxes; asparagus, 250 bunches; beans, shell, 20 bushels; beets, 360 bunches; cabbage, 40 tons; carrots, 60 bunches; cherries, 400 quarts; sweet corn, 6 ton; lettuce, 25 boxes; parsnips, 20 bushels; peaches, 160 baskets; peas, 17 bushels; plums, 30 baskets; potatoes, 285 bushels; raspberries, 90 quarts; strawberries, 2100 quarts; tomatoes, 25 bushels; turnips, 1/2 ton; vegetable plants, 2000.

Over \$1000 has been realized by the sale of a part of the above production of the Horticultural farm.

About 50 cords of firewood and 3000 feet of lumber will be cut this winter. There is now 28,000 board feet of lumber on hand.

FRANKLIN THEATRE

DURHAM, NEW HAMPSHIRE

FRIDAY, NOVEMBER 19

A Paramount Picture
"NELL GWYN"

Dorothy Gish

The most famous sweetheart in English history—yet as new and alluring as the most sophisticated siren of today. The most ardent and sincere royal romance the world has ever known flowering amid revels and intrigues. A story dedicated to all ladies in love.

Educational Comedy—"MY SWEETIE"

SATURDAY, NOVEMBER 20

A United Artists Production
"PARTNERS AGAIN"

With George Sidney and Alexander Carr

A story revealing the famous 50-50 Jewish partners in a heart-breaking automobile promotion business. They couldn't get the kick out of cars so they sold planes. But they were forced out of business when they attempted to talk with both hands in the plane.

Pathe Comedy—"HE WHO GETS SMACKED"

MONDAY, NOVEMBER 22

A Cecil B. DeMille Production
"THREE FACES EAST"

Jetts Goudal and Robert Ames

A gripping mystery picture of the secret service with a background of war—a romantic, thrilling and appealing story of love and intrigue. A tremendous drama of hearts and destiny. Henry Withall, Clive Brook, Edythe Chapman.

Grantland Rice Sportlight—"GREAT ARENAS"

TUESDAY, NOVEMBER 23

A Warner Bros. Production
"THE SOCIAL HIGHWAYMAN"

Dorothy Devore, John Patrick

She had set out in search of thrills and they came thick, fast and furious in this highly amusing and totally different comedy-thriller. Montagu Love, Russell Simpson.

International News

Short Subject—"THEN AND NOW"

WEDNESDAY, NOVEMBER 24

A Warner Bros. Production
"THE NIGHT CRY"

Rin-Tin-Tin

John Harron, June Marlowe

Comedy—"THERE SHE GOES"

SATURDAY, NOVEMBER 27

Another Cecil B. DeMille Production
"BRAVEHEART"

Rod La Rocque

Was the honor of an Indian worth a single thought? This Indian nobly sacrificed it to save the girl he loved from bitter shame and humiliation. A photoplay of wigwam and campus life that will linger long with you. Lillian Rich, Robert Edeson, Tyrone Power, Jean Acker.

Pathe Comedy

We Will be Closed on Thursday, November 25 and Friday, November 26

WHEN Greek or calculus gets you into a tight corner, tie a tin to trouble—a tidy red tin of Prince Albert! Tamp a load of this really friendly tobacco into the bowl of your jimmy-pipe and light up. Watch the sun crash through the clouds with every puff!

P. A. can't bite your tongue or parch your throat, no matter how fast you feed it, because the Prince Albert process gave Bite and Parch the air at the start. Cool as a Laplander's lap. Sweet as apple cider. Fragrant as spring blossoms. That's Prince Albert!

One pipe-load invites another. And . . . you can hit P. A. from morning till midnight and it won't hit back. Don't put off to tomorrow what you can smoke today. Get a tidy red tin of P. A. and turn on the sunshine . . . now!

PRINCE ALBERT

—no other tobacco is like it!

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.

The lecture for today is on life insurance. It consists of two words:—
 John Hancock

The Slickest Coat on the Campus!

Standard Student Slicker

No well dressed college man is without one. It's the original, correct slicker and there's nothing as smart or sensible for rough weather and chilly days.

Made of famous yellow water-proof oiled fabric. Has all-round strap on collar and elastic at wrist-bands.

Clasp-closing style

Button-closing style

Stamp the correct name in your memory, and buy no other. The "Standard Student" is made only by the Standard Oiled Clothing Co., N. Y. C.

BRITTON PRESIDENT CONNECTICUT ALUMNI

Proposed New Haven Branch Among Topics Discussed At Nov. 12 Meeting in Hartford

The Connecticut Branch of the Alumni Association took part in All-New Hampshire-Night by holding its annual meeting at the City Club of Hartford on Nov. 12. After the dinner had been served, the business session was conducted. The officers were re-elected as follows: President, W. E. Britton, '93, of New Haven; vice-president, Miss Beryle Davis, ex-'22, of Manchester; and secretary-treas-

urer, J. A. Manter, '12, of Storrs. A long discussion took place in regard to the proposed formation of a new branch association of members in the New Haven vicinity. It was the opinion of those present that a division of the Connecticut members into two branches was not necessary nor advisable. E. M. Stone, '92, recounted his visit to Durham at commencement time. He was reappointed a member of the Advisory Council of the Alumni Association. It was voted to express to President Hetzel the loss sustained because of his resignation to accept larger responsibilities at another institution and to thank him for the immeasurable service he has rendered the University. Resolutions were passed recognizing the years of service and interest of ex-President Murkland in New Hampshire and expressing sympathy to those recently bereaved. It was decided to hold our spring meeting in Bridgeport. There was an informal discussion of plans for the future and the remainder of the evening was spent in a general renewing of friendships and the singing of college songs.

BRANCH MEETINGS

The Alumni Branches at the following places held meetings on All New Hampshire Night: Laconia, Pittsborough, Philadelphia, New York City, Hartford, Conn., and Eastern New York. Telegrams from all the chapters urged the team to beat Maine.

The Concord Branch of the New Hampshire Alumni Association held its first meeting of the season at the Y. M. C. A., on October 28, 1926. The following officers were elected for the ensuing year: President, Lawrence Carlisle; vice-president, Earl Temple; secretary-treasurer, Hortense Cavis.

The New York Branch of the Alumni Association held its annual meeting and election of officers on Friday, November 12th, at the "Pepper Pot Tea Room" in Greenwich Village, 146 West 4th St., New York City. There were eighteen members present. The following officers were re-elected for the coming year: W. A. Dudley, '27, president; E. W. Hewitt, '21, vice-president; and C. D. Walker, '23, secretary-treasurer.

Mr. and Mrs. James Macfarlane announce the marriage of their daughter, Katherine, ex-'22, to Kenneth Berry, '24, on Friday, November 5. They will make their home in Wolfboro Falls, N. H., where Mr. Berry is in business with his father.

VARSIITY AND FRESHMEN VICTORIOUS AT N. E. CROSS COUNTRY MEET

(Continued from Page 1)

nowned "Duke" Peaslee who graduated last year, "Abe" Smith and "Stretch" Burke. Despite this handicap he developed the greatest team that has ever represented N. H. The entire student body turned out to welcome the teams home. Coach Paul Sweet of the victorious harriers spoke to the crowd that gathered to welcome the victors. The celebration lasted until late in the evening. A huge bonfire was built by the Freshmen. Cheers and songs penetrated the air and then the students formed in columns and marched to the home of Coach Paul Sweet to render him another tremendous welcome for the glory he had brought to the university.

The teams finished in the following orders:

- VARSIITY**
 1—University of N. H., 55.
 2—University of Maine, 87.
 3—M. I. T., 89.

Winners
FIRST \$2,000 HEADLINE CONTEST

FIRST PRIZE \$1,000

Won by F. E. Phillips, 81 Longfellow Road, Worcester, Mass.

Winning Title "Please your palate but don't punish your throat"

SECOND PRIZE \$500

Won by Mrs. E. B. Burgess, 3 Fairmount Ave., Auburn, Me.

Winning Title . . . "Old Gold delivers the goods without presenting a bill!"

"Friend, please your palate but don't punish your throat"

"You like a strong he-man's cigarette."

"So do I. But that's no reason why you should pay for it with a parched tongue or throat."

"Pick a brand that gives you all the punch you want without any punishment."

"Switch to OLD GOLDS . . . and get all the sweet without

any bitter; all the pleasure without any penalty."

"They're smoothest—that's why!"

Some men have the mistaken notion that a real he-man's cigarette must be harsh and coarse. That's "all wet." A fine full-bodied cigarette, like a fine full-bodied Havana, is smooth and mellow. OLD GOLDS are mellowed by a new method that takes out all the bite and leaves in all the "kick." That's why you can smoke them without "throat-tickle"; why you can smoke and enjoy them morning, noon and night—without regret or after-effect.

PLENTY OF PUNCH •• BUT NO PUNISHMENT

OLD GOLD

**FLEMING NEW PRESIDENT
OF JOURNALISTIC SOCIETY**

At a meeting of Iota Chi, honorary
journalistic fraternity, held last Mon-
day afternoon, John Fleming, '29,
was elected president of the organi-
zation, and F. L. Robinson, '27, was
forced to resign because of the extra
points he has been carrying.
The new president of Iota Chi has
been prominent in college dramatics,
having played leading roles in "The
Whole Town's Talking" and "The
Merchant of Venice" last year, and
will play the part of Tony in "She
Stoops to Conquer," which will be pre-
sented by Mask and Dagger soon.
Mr. Fleming is also news editor of
THE NEW HAMPSHIRE and is a mem-
ber of Kappa Sigma fraternity.
Iota Chi plans to have the spring
meeting of the preparatory and high
school editors at Durham this year.
Plans for that gathering were dis-
cussed at the meeting Monday after-
noon.

**MARIONETTES TO
PERFORM DEC. 1**
(Continued from Page 1)

long time. A few of the shows over
there have been cleverly done. Espe-
cially, an expert in London has de-
veloped the art to an unusual degree
of performance. There is no doubt
however, that Tony Sarg has carried
it further than anyone else in the
world.
In his plays Mr. Sarg has managed
to introduce small animals as well as
figures of persons. A one-legged
pirate in "Treasure Island" stumped
about with a parrot on his shoulder.
In Rip Van Winkle there was a re-
markable dog. Don Quixote rode a
nag about on the diminutive stage.
A dog and a tomcat made things
lively on the pirate ship. Old Rip's
dog even indulged in a dog fight.
The manipulation of these features
requires intricate devices. The cre-
ator of them has never denied the
public to a view of the puppets behind
scenes, but he has kept to himself
some of the more elaborate devices
and has never disclosed the inner
mechanism of the puppets them-
selves. The manner in which the

storm at sea was produced in
"Treasure Island" is a secret.
Newspaper and magazine editors
have joined with the public in praise
of the Marionettes. The *Boston
Transcript* say that there are no
marionettes in America that can com-
pare with those of Tony Sarg and that
even in Europe, where similar shows
are produced by several men, there
are few that are comparable. A west-
ern newspaper remarked that anyone
who thought that he would see a mere
puppet show like the old Punch and
Judy was badly mistaken. *The
Outlook* suggests that if Tony Sarg's
Marionettes are within reach anyone
who fails to see the show will be de-
riving himself of a real pleasure.
The Milwaukee Sentinel wrote: "You
don't have to be in either your first
or your second childhood to enjoy
Tony Sarg's Marionettes."
The University Lyceum Course will
open with two performances by Tony
Sarg's Marionettes, Dec. 1, "Ali Baba
and the Forty Thieves" in the after-
noon and "Arabian Nights" in the
evening. Lyceum Course tickets will
admit to both performances as well
as to three fine concerts that will fol-
low soon afterward. They may be
obtained at the Book store or Business
Office.

FACULTY NOTES

Prof. Wellman will attend the an-
nual meeting of the Committee on
Education and Vocation at the Uni-
versity Club, Boston, Mass., Nov. 18,
as a delegate from this University.
Prof. Wellman attended a meeting
of the New England Association of
School Superintendents at the State
House, Boston, Mass., on Nov. 11-12.
Among the speakers was Dr. Ernest
R. Groves, Prof. of Social Science at
Boston University, and formerly
Prof. of Sociology at this University.
The University has started an Ex-
tension Course for the teachers at
Hampton, under the direction of Mr.
Ufford.
There will be a meeting of Super-
intendents of the South Eastern
New Hampshire in Epping on Satur-
day Nov. 20. Prof. Wellman will
represent the University from the
Education Department.

**Broadcasting
from CRH**

NEVER heard of station
CRH", you'll say. Quite
naturally, for CRH is not a sta-
tion. CRH is Clinton R. Hanna,
age 27, out of Purdue less than
five years, a Research Engineer
with Westinghouse at East
Pittsburgh.

Any time you're listening to
your radio, however, you may be
getting better reception, a clearer
program, because of CRH and
the improvements in reproduc-
ing apparatus to which he con-
tributed.

That story goes back to under-
graduate days at Lafayette.
Hanna, as a student, developed
an intense interest in radio; and,
making capital out of his hobby,
his thesis was entitled, "Inter-
rupter Type of Radio Trans-
mitter."

To carry on his experiments,
it was logical that Hanna should
find his way into the Westing-
house Graduate Students' Course
immediately after graduation:
There he received varied practical
shop training. Then, in less than
a year, he was busily at work on

his favored radio subject at the
Westinghouse Research Labor-
atories.

One of his accomplishments
has been the development of an
improved microphone. He has
introduced the electro-dynamic
principle, in place of the con-
denser-transmitter type of micro-
phone in earlier use. Hanna's

development assures good quality
of speech and music with greater
continuity of operation than
other types, because of its rug-
gedness and sensitivity.

For this inventive spirit and
its result in microphones, Hanna's
alma mater in 1926 honored him
with a degree of Electrical En-
gineer to go with his Bachelor
of Science degree of four years
earlier.

And these are studies which
still go on. There is no end to
progress. It is because Westing-
house offers both facilities and
appreciation for practical study
that Research Engineers find
satisfying careers in the Com-
pany's laboratories.

Westinghouse
