PROSPEROUS MEN AT MILITARY BALL

Dance Given in Honor of President Ralph D. Hietel

The annual B. O. C. T. C. ball, the first formal dance of the season, will be held Saturday, December 11, as a farewell dance to President Hietel, in presence of the dignified military officers ever held in the history of the University. Sensing the importance of the occasion, the event, has raised enough to be worthy of the President and provides several unique features as part of the event's program.

Inevitably there have been no very great guests and it is hoped the annual event will be such that the occasion will be enjoyed by everyone present.

Mask and Dagger. University Dramatic Society, Takes Famous Golden Comedy for Fall Term Production

Notwithstanding the fact that the University of New Hampshire has been placed on the approved list of the Association of American Student Theatres, the winter season was opened by a performance of the historical classic, "She Stoops to Conquer." The Society takes pride in the fact that the play is being produced, and in the effort it is making to include as many of the students as possible in the cast. This is one of the few productions in which university drama societies have been able to match the performances of professional companies.
