## NEW HAMPSHIRE CAPTURES WINTER SPORTS TOURNEY AT LAKE PLACID

**Pederson and Michelson Draw Away From Dartmouth On Second Day of Tourney to Win Both Trophies for N. H.**

**Littlefield, Tetley and Dustin Win Places to Add to Victory—First Time For New Hampshire to Lead Field in Placid Meet—Prospects for Successful Season Loom After Carrying Away These Honors**

The University of New Hampshire Winter Sports team clearly showed its superiority over all the contestants at the 5th Annual Winter Sports Meet at Lake Placid, New York, held during the Christmas holidays, and drew away from the nearest competitor, Dartmouth, to win one of the most coveted of Winter Sports trophies, the Harding Cup, by the score of 32 to 22.

In the first day of the meet the New Hampshire men gained a one point lead over Dartmouth. Captain Littlefield won first place in the snowshoe race, Dustin took second in the seven mile cross-country ski race, while Tetley carried away two seconds in the 440-yard and 2-mile skating races. The points made by these men, combined with those won by Michelson and Pederson, who won second and third respectively in the ski proficiency, gave the Blue and White team a slight lead, and the decisive part of the contest remained with the mile ski race and the ski jumping that was held the second day.

With perfect snow conditions the New Hampshire men carried away the honors in the last events, and drew away from all other teams to win by a good margin. Ernest Pederson of Berlin won first place in the mile ski race, and in addition annexed the Marshal Foch Trophy by winning the ski jump with a standing jump of 132 feet. Gunnar Michelson took second in the jumping, and the points gained from these men gave New Hampshire the championship.

This was the fifth year of the Lake Placid meet, and New Hampshire since 1922 has made steady strides toward winning the event. In 1925 a tie was made with Wisconsin, and the recent victory gave New Hampshire the supreme honors for the first time. The Marshal Foch Trophy, emblematic of first place in the ski jump, has been won by New Hampshire.

## INTER-FRATERNITY BANQUET AT COMMONS

**Second Annual Gathering Featured by Excellent Speakers—The Rev. Donald Fraser Heads Program—Prophecies Great Future for New Hampshire**

The second annual inter-fraternity banquet held Tuesday evening in the main dining room of the Commons building was one of the most successful gatherings ever held at the university according to expressions of opinion made by students and faculty members present. The main speaker of the evening was the Rev. Donald Fraser of Rochester who spoke at one of the weekly convocations held here this fall. His opinion that New Hampshire has a great future before her and should grow to be one of the most powerful educational institutions in the country was also expressed by Adrian O. Morse, recently created dean of men, and Director of Athletics William H. Cowell.

President Paul Johnson of Casque and Casket, the inter-fraternity governing council, who presided at

## GERTRUDE EHRHART SINGS AT LYCEUM

**Noted Soprano Assisted By Miss Weaver, Cellist, and Mr. Kemp, Pianist, at Second Lyceum Course Concert in Big Gym**

Gertrude Ehrhart, soprano, who has been achieving some of the greatest successes in the history of recital and concert singing in New England, was the main attraction of the second Lyceum course number at the big gymnasium last night. She was assisted by Miss Marjorie Patten Weaver, cellist, and Mr. Clifford Kemp, pianist.

Miss Ehrhart was one of the soloists of the Handel and Haydn society at Symphony hall, December 19 and 20. During the spring she will sing for the Schubert club in Stamford, Conn., the Harvard musical association, and at the Dartmouth college commencement exercises.

The program last night was as follows:

1. Ein Solcher Ist mein Freund, Eric Wolfe
2. Der Nussbaum, Shubert
3. L'Il Heureuse, Chabrier
4. Carnaval, Miss Ehrhart, Fourdrain
5. Air, Bach
6. Lenta, Chopin
7. Capriccio, Haydn
8. Brooklet, Shubert-Rachmaninoff
9. Scherzo B minor, Chopin
10. Aria deh, Vieni from "Marriage of Figaro," Miss Ehrhart, Mozart
11. Londonderry Air, Lionel Tertis
12. Sevenade Espagnole, Glazunow
13. La Fileuse, Dunkler
14. Tally Ho, Leoni
15. The Buckle, Bliss
16. Sylvelin, Sinding
17. Hills, La Forge

## EAST AND WEST HALL NEW NAMES FOR THE BARRACKS

The buildings known as the Barracks were renamed East and West hall by a recent vote of the trustees of the University. These buildings, which now accommodate 232 men, were built in 1918 for the housing of soldiers in the Students' Army Training Corps and were later remodeled and made into comfortable living quarters.

## DR. NATHAN GRIFFIN DIES AT HARTFORD

**University Physician Dies on Vacation Trip With Family—Came Here in 1924—Was Honor Graduate of Yale**

Dr. Nathan Leroy Griffin, staff physician of the university for the past three years, died of heart failure on Dec. 23 at Hartford, Conn., while on a holiday trip to South Carolina with his wife and daughters. Dr. Griffin came to New Hampshire in 1924 and organized the health department. Funeral services were held in New London where the physician resided for many years.

Dr. Griffin was graduated from Yale university *cum laude* in 1900, president of his class and fraternity, Skull and Sceptre. He spent his internship at the New Haven Hospital and then travelled seven months in the far east studying medical conditions. Upon his return he married Miss Florence Bickford. Dr. Griffin has practiced summers for more than twenty years in the summer colony at Lake Sunapee, being house physician at Soo-Nipi Park Lodge all that time, and camp physician at five summer camps. He also practiced as a house physician six winters in Florida at resort hotels, including three years at Florence Villa.

Dr. Griffin was a member of the Merrimack County Medical society of which he had been president, of the Dover Medical Society, the New Hampshire Medical society, the New Hampshire Surgical Club, the American Medical society and the National Student Health Association.

## PLANS UNDER WAY TO HOLD FRATERNITY DISCUSSIONS

Plans for the fraternity discussion groups are being formulated by Maclean Gill, '27, chairman of the Y. M. C. A. committee. The Y. M. is planning to hold a Fireside Gathering on January 16, at 7.45 P. M., in the Commons club room. At this meeting Reverend Joseph Barker, the Y. M. C. A. Secretary and Dana Cotton, president, will tell of the Milwaukee Conference which they attended during the holiday recess. From this it is hoped that many suggestions for topics and methods will be advanced.

In addition, the Christian Associations have secured Reverend Phillips P. Elliott, New England secretary of student Christian associations, to lead the thought of the meeting. He has had ample experience in discussion groups and will have many new ideas. The results of this meeting will be submitted to the fraternity presidents on the following night and thence to the fraternity groups themselves.

## BLUE KEY PLANS ROOMING OF GUESTS DURING CARNIVAL

At a meeting of Blue Key, honorary senior society, last Monday, it was decided to carry on the work adopted last year at carnival time; namely, the making of a catalogue of all available rooms. There is always a great demand for accommodations for visitors, and with twenty-six colleges already signed up for the Winter Sports meet, there are plenty of indications that there will be a greater demand than ever. The plan which Blue Key adopted last year, worked very successfully, and it is hoped that by this means all necessary congestion may be avoided.

The committee which will handle this work consists of: John Day, chairman, Roberts, Philbrook, Jenkins and George. Within a short time it is expected that the committee will have made a survey of all available rooms.

## COWELL ELECTED HEAD OF COACHES

**Named President of The American Coaches Assoc.**

**Shift and Huddle Plays Criticized by Coaches at Annual Meeting in New York City—Practice Periods Remain As Last Year**

WILLIAM H. COWELL  
President of American Football Coaches' Association

William H. Cowell, Athletic Director of the University of New Hampshire, was elected president of the American Football Coaches' Association at the annual meeting held during the recent college vacation in New York City. Coach Cowell succeeded Gilmore Dobie of Cornell, president of the association during the year of 1916. Other officers elected at this time were W. W. Roper of Princeton, first vice president; Hugo Bezdek, Penn State, second vice president; and John W. Wilce of Ohio State, re-elected secretary and treasurer.

Mr. Cowell's election to the presidency came about automatically as he held the office of first vice-president during the past year. He has also been active on the Track and Field Rules Committee of the association.

One of the most important topics taken up by the football coaches at the meeting was the criticism of the huddle system of play and its slowing up of the game. The shift play came in for some disfavor by some of the foremost coaches, causing a suggestion to be made to the rules committee that on all shift and huddle plays, after the players have become set, they shall remain in their new positions for three seconds before the ball is snapped. Professional football was a dead topic at the meeting, probably due to the fact that the sport had failed to make the impression that it did last year at this time.

## THETA UPSILON OMEGA TO HOLD INFORMAL OPEN HOUSE

The new Theta Upsilon Omega House, which has been in the process of construction since last spring and which is now occupied by the members of the fraternity, is to hold an open house next Saturday afternoon between the hours of three and five o'clock. Invitations have been sent to the various fraternities and sororities and to the faculty and a general invitation issued to the entire student body.

## SECOND FIRE IN HETZEL DUE TO CARELESSNESS

A slight fire occurred in the sub-basement of Hetzel Hall December 18th. This was the second fire in the same place within two weeks. The blaze, which was probably caused by someone dropping a cigarette or a match down the chute which leads to the waste paper box, was put out before much damage was done.

## GRANITE SALES BEGIN JAN. 26

Following the custom of the past few years, the 1928 Granite Sales Campaign will begin on January 26, and continue until February 2. The sales are to be made by the different Sororities, competing, in order to win a beautiful Levait leather bound Granite, upon which the winning Sorority's name will be embossed.

The Granite of 1928 has positive prospects of being the best story of the college year, told in interesting write-ups, pictures, and art, set off in an extremely attractive color scheme of red and black. It is to be known as the Wild Cat Granite. The head of a wild cat is to be embossed in gold upon the cover. The "Wild Cat" theme will be followed throughout. This is the first year that the University mascot has been symbolized in the year book.

The book contains not only the junior class and its interests but has many pictures and stories of the Faculty and their progressions, classes, Fraternities, Sororities, Military interests, Societies and Sports.

The supply of this year's Granite is limited and necessitates little hesitation in subscribing. On January 26, all of the Sororities will launch their campaign for sales. This campaign closes on February 2, and after that date the 1928 Granite will be difficult to purchase. Last year there were many students who failed to act on time and were disappointed.

Shortly after this campaign there is to be an election by the members of the Junior class of the most representative man and woman of the Blue and White. The elected ones will be given a full page photograph in the Granite.

## NEW PLAN FOR STUDENT REPRESENTATION REJECTED

At the first Women's Convocation and Student Government meeting held in the Women's gymnasium last Thursday a representative plan for the monthly meeting of the Association was proposed by the council, which called for two representatives from each sorority, twelve from the non-sorority group, and one from the Commuters. After a heated discussion the plan was rejected.

Gwendelin Jones, '27, president of the Association, explained some of the new privileges which go into effect this winter. These affect entertaining and night-walking. Mrs. Elizabeth P. Demeritt, dean of women, also spoke to the women on the issues about to come before the group.

It was voted to extend a letter of sympathy to the family of the late Dr. Griffin, whose sudden death occurred in Hartford, Conn., during the vacation.

## ALUMNI NOTES

### CLASS OF 1917.

Carleton Tibbitts is now in Los Angeles and holds the position of general manager of the Los Angeles Foundry.

### CLASS OF 1918.

George N. Blanchard has recently been made auditor for the West Coast Theatres, Inc. This is the largest theatrical chain on the west coast and has 45 subsidiary corporations under its control. He entered the company as chief accountant from the employ of Haskins and Sells, certified accountants. His address is c-o West Coast Theatre Inc., Washington and Vermont streets, Los Angeles, Calif.

Robert Sawyer is also in Los Angeles, and is connected with the city detective bureau.

### CLASS OF 1925.

The wedding of Miss Marion Williams, for some time secretary to the president and previous to that secretary to Dean Pettee, and Forrest M. Eaton (Phi Mu Delta) took place at the bride's home in Portsmouth on New Year's Day. MacLean Gill, '27, (Phi Mu Delta) was best man. Mr. and Mrs. Eaton will make their home in Hyannis, Mass., where Eaton is employed by the Cape and Vineyard Company.

### CLASS OF 1926.

Clayton Holmes is teaching Surveying and Physics in the department of engineering at the University.

Robert Webster is teaching some freshman English courses in connection with the graduate work that he is taking here.

Gladys Harris, who completed her work at New Hampshire last December, has accepted a position as teacher of science in Danielson, Conn.

Carl Garvin has accepted a position in Sanborn Seminary.

Carleton Skillings is substituting in Portsmouth High School.

Donald Sampson was married to Frances Bancroft in Worcester, Mass., December 28.

### CLASS OF EX-1921.

Richard C. Litch and Ruth E. Knight were married at Wilkes-Barre, Pa., on December 18. Mr. and Mrs. Litch will live at 1024 Bessemer Bldg., Pittsburg, Pa.

### CLASS OF EX-1927.

The engagement of John C. Marshall and Willma Dodge was recently announced at Salem, Mass. After leaving college Marshall was for some time connected with the Extension Department, and is now running a poultry farm at Laconia. Miss Dodge was formerly a kindergarten teacher in Durham.

### EDWARD BLEWETT HEADS BOSTON ALUMNI BRANCH

At the January meeting of the Boston branch of the University of New Hampshire alumni, held at the home of Miss Irene Hall, '21, at Newton, Mass., Edward Y. Blewett, '26, was elected president; Lawrence M. True, '23, vice president; Mrs. Ethel Kelleher Cavanaugh, '19, secretary; George E. Middlemas, '23, treasurer and Hazel M. Summerville '24, reporter.

The captain of the bowling team Albert R. Caulstone, '24, announced that the second bowling match would take place Friday evening, January 14th, and he urged all who could to be there and take part in it. Anyone interested may get in touch with him by telephoning University 9835.

### VARSITY DEBATERS TAKE ASSISTANT COACHING JOBS

Four varsity debaters are now acting as assistant debate coaches for schools in the U. of N. H. Interscholastic Debating League. They are Lloyd Simpson, for McGaw Institute; Reeds Ferry; Dorothy Davis, for Rochester High School and its alumni team; William Mahoney for Hampton Academy and High School; and Jerry Bond, Jr., for Raymond High School. Others may be called upon to serve as the preliminary debate season progresses between January 21 and February 11. The schools pay all of the necessary expenses, and the assistant coaches visit them on days when they can afford to without detriment to their university class work.

### P. BLANCHARD, '17, SPEAKS TO PSYCHOLOGICAL SOCIETY

"Personality of the individual can be moulded in childhood, but intellectual capacity is inherited and fixed," was the statement made by Dr. Phyllis Blanchard, '17, in an address made recently before the American Psychological Society. Dr. Blanchard is connected with the All-Philadelphia Child Guidance Clinic, and is making a reputation as an expert psychologist. In her speech she further commented, "Family influences are largely responsible for the emotional aspects of developments of personality," and, "Heredity fixes the ultimate capacity for achievement and decides for all time whether the individual may aspire to a professional career, or must be content with skilled artisanship or common labor."

### KEENE ALUMNI ELECT NEW OFFICERS FOR CURRENT YEAR

At the last meeting of the Keene Alumni Branch the following officers were elected: A. B. White, president; Guy Johnson of Winchester, vice-president and Robert Watkins, secretary-treasurer.

It was voted to hold a meeting at Walpole during the next summer, and Oliver Hubbard, Reginald Cahalane and Herbert Tucker, university graduates living in that town, were appointed as a committee to take charge.

A letter from H. C. Aldrich of Keene, a graduate of the class of 1876, was read, in which he described the life of the college, in his time.

Edwin S. Huse, '00, also spoke about college life. After a talk by T. Alvin Chase, '23, formerly of Keene and now a resident of New York City, a bowling team was organized to compete with other alumni teams.

### LIBRARY NOTES

The library is receiving at the present time a publication in parts known as the "Union List of Serials" in the libraries of the United States and Canada. In giving complete information regarding a large number of little known periodicals scattered in various libraries throughout the country, this publication is proving a boon to borrowing libraries, catalogers, and bibliographical workers everywhere. The periodical holdings of the University of New Hampshire library will be in the final edition. In connection with the inter-library loan problem in which all libraries are interested, a new movement on the part of college librarians to have depository libraries located in central points in various parts of the country is of interest. Smaller libraries would pay an annual fee or subscription and then have the privilege of borrowing from this central library. It has been suggested that a possible central depository library for New England would have its headquarters at the library of the American Academy in Boston.

### Y. M. C. A. NOTES

The vacancy on the Stunt Night Committee left by Charles Gray's failure to return to school has been taken by Lawrence Jensen.

Every indication at the present promises that Stunt Night will be an unprecedented success. Plans are nearing completion though unfortunately the date had to be changed to February 5.

Barker and Dana report a wonderful time at Milwaukee and an inspiring one as well.

Over three thousand students attended the conference, every race being represented.

A letter has been received from Neil Rogers Ex. '28 who is now attending McGill Medical School. Rogers was a popular cabinet member who is greatly missed.

### PHI SIGMA HOLDS MEETING AT PROF. JACKSON'S HOME

The members of the Phi Sigma Society will snow-shoe from "T" Hall to the home of Prof. C. F. Jackson, this afternoon where a regular meeting will be held. The program consists of a thesis prepared by Charlotte Smith and reports by Pauline Stewart, Dorothy Smith and Brice Roberts.

### N. H. CAPTURES WINTER SPORTS TOURNAMENT (Continued from Page 1)

shire men three times. Michelson was first to take away this honor, and Weston and Pederson have since accomplished the feat. It is interesting to note that this trophy has always been won by a man in his freshman year. The two other winners of the Foch cup that were not from New Hampshire were both freshmen at the time of their winning. The summary of the meet was as follows:

Seven-mile Cross Country Ski Race—First, Thompson, McGill; second, Dustin, N. H.; third, Britain, Dartmouth; fourth, Proctor, Dartmouth.  
 Snowshoe Race—First, Littlefield, N. H.; second, Mason, Dartmouth; third, Moore, Williams; fourth, Donald, Middlebury.  
 440-Yard Skating Race—First, Emmert, Wisconsin; second, Tetley, N. H.; third, Grant, Wisconsin; fourth, Harris, Dartmouth.  
 Two-mile Skating Race—First, Laffey, Dartmouth; second, Tetley, N. H.; third, Emmert, Wisconsin; fourth, Harris, Dartmouth.  
 Figure Skating—First, Delcourt, Ottawa; second, Hose, Ottawa; third, Beaumont, Royal Military College; fourth, Bolton, McGill.  
 Ski Proficiency—First, Proctor, Dartmouth; second, Michelson, N. H.; third, Pederson, N. H.; fourth, Maxwell, McGill.  
 One-mile Downhill Ski Race—First, Pederson, N. H.; second, Proctor, Dartmouth.  
 Ski Jumping—First, Pederson, N. H.; second, Michelson, N. H.; third, Flynn, Bates; fourth, Proctor, Dartmouth.

### PHILADELPHIA CLUB ELECTS M. C. HUSE, '08, PRESIDENT

The Philadelphia Club elected the following officers at the January meeting which was held at the Electric Club on Jan. 6: president, M. C. Huse; vice-president, Mrs. J. H. Annis; secretary, L. H. Kenney and treasurer, R. W. Smart. The members attended Keith's theatre after the meeting was adjourned.

The next meeting will be held at the Electric Club on January 14; supper will be served at six, and the meeting will be held, as usual, at seven-thirty. There will also be bowling meets at the Penna. Athletic Club at seven-thirty on January 21 and 28. The club is meeting as follows: meetings, second Friday of each month; Bowling, third and fourth Fridays.

### OUTING CLUB ANNOUNCES PLANS FOR N. H.'S CARNIVAL (Continued from Page 1)

contests. It is not known now just what the arrangement will be, but it is probable that there will be one ticket to cover all the contests during the carnival.

The Carnival Ball is to be formal this year. The committee decided that point in consideration of the local merchants. The admission price will be five dollars. Excellent music is promised.

The following committees have been named to have charge of carnival arrangements:

Winter Carnival—B. V. Bryant, chairman, Maclean Gill, Beulah Merrill, Publicity—N. J. Henault, chairman, Richard Daland, Elsie Kenison. Skating—Charles Brown, chairman, Paul Toolin, Eleanor Atwood. Skating—Merrill Langdell, William Nelson, Priscilla Morris. Tubogran Slide Ways and Means—Norman J. Berry, Lawrence Jensen, Mr. Perley. Accommodations—Blue Key. Music and Chaperones—Stanley King, Clifford James, Margaret Marnoch. Favors—Willena Burpee, Elsie Kenison. Interior Decorations—Elroy Chase. Ice Carnival Decorations—Maurice Waline. Transportation—C. A. George. Refreshments and Checking—Donald Calderwood.

### EX-"PUGS" PREFERRED

The average person defines a pirate as just a pirate.

But in Doug Fairbanks' opinion a pirate is not a pirate unless he is the most primal looking creature imaginable.

And Fairbanks took no chances in the selection of the cast for "The Black Pirate", his current production which is at the Franklin Theatre tomorrow. All those making application posed before the camera, and if they looked rough and ready enough, they were permitted to join his "Jolly Roger" crew.

Out of the first 200 who applied only fifty qualified. Studio employees, hardened by years of contact with characters of all sorts, claim Fairbanks' bevy of buccaneers is the roughest and boldest looking lot they ever saw. Most of the "extras" were ex-pugilists, wrestlers and cow-punchers, hard muscled and hard mannered.

"The Black Pirate" is in Technicolor, which necessitated five months of experimental work in color blending, before production began.

## What he didn't learn at college

LAWRENCE DAY HOWELL

In his class work, Lawrence Day Howell, Princeton, Litt. B. '13, E. E. '19, never heard of marine applications for electrical equipment.

In fact, they were practically unknown. Yet he now is in charge of the Marine Section, Transportation Division, of the Westinghouse Sales Department, located at New York.

When Howell came from college to the Westinghouse Graduate Students' Course, he had twelve months of thorough-going work in the shops at East Pittsburgh. Then he decided he wanted to enter the field which seemed most undeveloped

"What's the future with a large organization?" That is what college men want to know, first of all. The question is best answered by the accomplishments of others with similar training and like opportunities. This is one of a series of advertisements portraying the progress at Westinghouse of college graduates, off the campus some five—eight—ten years.

and perhaps most promising of broad expansion. This was marine engineering.

Not five per cent of the present opportunities on the water have been opened for electrification. Yet there is more horsepower, in prime movers, on the ocean than there is on the land.

In Howell's undergraduate

days, this field was scarcely scratched—just as radio was not known to many young engineers when they were in college. A college man's opportunities are not limited to the electrical developments now in existence.

In marine applications an order may assume large proportions. A single installation, negotiated by Howell recently, of the newly-developed Diesel-electric drive for a yacht, totaled \$175,000. Such sales are not made overnight. They result from understanding fully a customer's needs.

To men with the knack of taking the other fellow's point of view, a career as Sales Engineer at Westinghouse brings returns in personal satisfaction as well as in worldly reward.

## TAYLOR TO STAR IN "THE SHOW OFF"

Melville L. Taylor of Haverhill, Mass., and Elizabeth Tibbetts of Lawrence, Mass., have been selected to play the leading roles in "The Show Off," George Kelley's greatest modern comedy which has been selected as the winter term production of Mask and Dagger, the University dramatic society, to be presented in the Ralph D. Paine Memorial Hall, March 3, 4, and 5.

Taylor, who will play the leading role of "Aubrey Piper," is a member of the senior class, president of Mask and Dagger and has taken part in several plays of the society during the last two or three years, including the title role of "Grumpy" produced two years ago, and the part of "Shylock" in the "Merchant of Venice" given last year. Miss Tibbetts, who will play the part of "Amy" is also a member of the senior class and has been prominent in Mask and Dagger plays. Among the roles she has portrayed was that of "Tilly" in the comedy "Tilly of Bloomsbury" which was presented last year.

The part of Mrs. Fisher, mother-in-law of "Aubrey" will be taken by Aline Morin of Berlin, a member of the freshmen class. Other members of the cast include Eunice Wilson as "Clara", William Nelson as "Frank Hyland", Charles Johnson as "Mr. Fisher", Robert Garner as "Joe", and George McClellan as "Mr. Gill."

Let Heywood Brown, probably the foremost American dramatic critic, speak for George Kelley's "The Show Off". I might as well begin boldly and say that "The Show Off" is the best comedy which has yet been written by an American. Critics who hold by old standards may point out that it is less lavish with incident than many other native plays in the same mood, but they can hardly argue that human personality has ever been made more vivid, more truthful and more complete in the American theatre. No one can question the authenticity of Aubrey Piper. This man is no creature born within the wings of the theatre. We have sat desk to desk with him in offices, he has bumped against us in the subway, and as like as not he lives in the flat just cross the hall. He has been wrenched out of life, and we, as students, have met him on the campus. Personally I came to like Aubrey exceedingly before the evening was done. Tenderness he may have—indeed, we think it becomes the dramatist. And so we have it here. George Kelley builds up the case for him by countless small strokes. By degrees he opens up the heart of the man. There he stands—liar, braggart, egotist, but the very consistency of his faults colors him with magnificence. From Prometheus down, mankind has chosen for its heroes men who stand pat. 'Be yourself, Mother Fisher,' cries Aubrey to his mother-in-law in time of stress, and it is a slogan which he has taken to heart."

## INTRAMURAL HOCKEY LEAGUE GAMES BEGIN

The intramural hockey league opens its season tonight when the Delta Pi Epsilon and Phi Delta Upsilon teams meet. The members of the league have been separated into two leagues, the American and National with an extensive schedule of forty-nine games. The league winners, Alpha Omega and Theta Chi, of last year were unable to play off for the championship on account of the poor condition of the ice. The last game will be played February 17 and the championship series will take place on February 21 and 22.

The teams in the American league are: Alpha Gamma Rho, Theta Kappa Phi, Sigma Alpha Epsilon, Delta Sigma Chi, Lambda Chi Alpha, Alpha Tau Omega, and Theta Chi. The contestants in the National league are: Delta Pi Epsilon, Phi Delta Upsilon, Theta Upsilon Omega, Gamma Gamma Gamma, Hetzel, Barracks B, Kappa Sigma, and Phi Mu Delta.

College  
 gentlemen  
 prefer  
**P. A.**

BLOND gentlemen and dark-haired gentlemen, diffident\* freshmen and august seniors . . . Prince Albert is the overwhelming campus-favorite of every type and every pipe. (Yes, the pipes do have a voice in the matter. They can act in a docile, friendly manner or they can be mean. It depends on what you feed them.)

Open a tidy red tin of good old P. A. That first fragrant whiff will tell you why gentlemen prefer Prince Albert. Tuck a load into the bowl of your pipe and light up. Fragrance and taste alone are enough to win you.

But P. A. doesn't stop there. It is cool-smoking. It is mild as Maytime, yet it has plenty of body. It is kind to your tongue and throat. You can hit it up all you like and it never hits back. Try a tin of P. A. You'll certainly prefer it after that.

\*Not too diffident.

**PRINCE ALBERT**

—no other tobacco is like it!

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and savor removed by the Prince Albert process.
