This is in no small measure the result of the many

reasons, the main being that

the committee was given a free hand to do some experiments of a

very important nature. The committee, therefore, was kept on the

committee for years, not only

in the past, but throughout

the present time. In the past the faculty has

presented such a committee, and there is perhaps the sentiment of the stu-

We Invite You to Enjoy Our Meals

No matter how high-hat a pipe may be...

Maybe you know some old boy who owns one of these ultra high-hat pipes... a blotto bimbo who broadcasts a line of "broad A" lingo: “can’t enjoy tobacco that costs less than two bucks therance”...

...well, paste this bit of news in the old boy’s stove-pipe:

In picking pipe-tobacco forget price entirely... draw your own conclusions through the stem of your trusty pipe. Draw rough Gut and learn that there’s a million dollars! But the pocket-package of a few cents, the foil’pouch of Incoming tin is forty-five package, sealed in glassine, is ten cents.

Here’s tobacco as fine as any man ever smoked. That’s my story and I’m going to stick to it. When smears-brands try to lift, I just give them the Frigidaire. I know what I like in a pipe, and what I like is Prince Albert!

I’ve got a half-nelson on jimmy-pipe joy.

I took P. A. for better or worse... and found it better! Better than anything I had ever smokes. That’s my story and I’m going to stick to it. When smears-brands try to lift, I just give them the Frigidaire. I know what I like in a pipe, and what I like is Prince Albert!

The instant you break the seal on the tidy red tin and get that wonderful fragrance of real tobacco, you know you are in for a pipe-treat.

Your mouth fairly waters for a taste of someone who doesn’t cost a fortune. Here’s tobacco as fine as any man ever packed in his pipe... Granger is made for pipes and cut for pipes—it smokes like a million dollars! But the pocket-package is a foil-pouch instead of a costly tin and so, it sells at just ten cents.

It’s tobacco worthy of the “distinguished” meerschaum or calabash... tobacco worthy of any pipe in the world!
