Sir John Adams, Professor In London, Will Give Talk

Students and Faculty Members Will Be Given Opportunity to Hear Several Well Known Speakers Tomorrow Evening

Sir John Adams, professor of Education, Emeritus of the University of London, will be the principal speaker at the Secondary School Conference for the Schools of New Hampshire to be held here tomorrow and Saturday under the auspices of the University faculty. Professor Adams is considered one of the most eminent educators on the continent and has been lecturing at Harvard University and throughout the United States this year. Students and members of the faculty will be afforded an opportunity to hear him after the banquet at the Commons at 7.30 tomorrow evening when the balcony will be thrown open to those who are interested. He will speak

on "The Teacher as Actor." Among the other prominent speakers are Dr. Ernest W. Butterfield, Commissioner of Education in New Hampshire, who will address the general session Friday morning at ten o'clock, followed by Dr. Charles Swain Thomas of the Graduate School of Education, Harvard University. On Saturday morning Professor Guy Wilson, of Boston University, Professor Carleton A. Wheeler, of Tufts College and Mr. Harold B. Foye, vocational instructor of the Boston Placement Bureau, will address the general session. Dean Albert N. French of the College of Liberal Arts will preside at the general session Friday and on Saturday morning the conference will be under the direction of Dean Fred W. Taylor of the College of Agriculture. The general sessions will be held in the men's gymnasium. The sectional conferences will be held in the class-

## PLANS COMPLETE FOR MOTHERS' DAY

Class Rooms at 9 o'clock

Program Will Include Group Picture Of The Mothers at Memorial Field and the Witnessing of Varsity Baseball Game

The program and plans for the University "Mothers' Day" Saturday, May 7, were completed recently and an invitation form letter was sent to the mothers of University students by Dean Adrian Morse in which he enclosed a copy of the following program for the day.—
9.00—Three tours of the University will leave the Faculty Club un-

der the leadership of members of the faculty. One will go first to the College of Agriculture and spend an hour or so there and then take in briefly the other two colleges. A second will go first to the College of Technology and then to the other two colleges. A third will go first to the College of Liberal Arts and then to the other two colleges. Mothers can choose their group according to which college they wish to see more thoroughly. Those who prefer may, of course, go around by themselves rather than join a group. All classes will be open to visitors and a member of the faculty will be in every laboratory and department to explain the

## BASEBALL TEAM WINS FIRST GAME

Norwich Defeated by Score of 8 to 5 on Muddy Field

Slayton Finishes Game In Great Form -Norwich Loses Three Of Four Games On Trip As New Hampshire Opens Season

New Hampshire won the first baseball game of the season when the Wildcat nine beat Norwich 8 to 5 here Saturday afternoon. The game was poorly played throughout, due to the cold weather, the muddy field and the fact that it was New Hampshire's first game. In spite of the cold wind there was a very good crowd. Ramsey and Hatch at bat, and Hoyt in the field, did well for New Hampshire, while Garrity featured for Norwich.

Norwich scored in the first half, 11.15-There will be a Regimental Evans walked Garrity the first man up, who took third while Couson and Waining were being thrown out, and then scored on a wild pitch. Captain the men's gymnasium where all the Ramsey led off with a single to center and went to second and Hatch to first when the latter beat out a bunt. Hoyt hoisted to the right fielder, but Jenkins singled to left and Gustafson doubled between left and center, both Ramsey and Hatch thus scoring. Hicks hit to right field and Jenkins was thrown out at the plate, ending the inning.

Evans started the second frame by hitting Houron, but Hoyt threw out Maher and Cleffe, and Fitzgerald struck out. For New Hampshire, French walked, and went to third when Brown and Evans were easy infield outs. From there he scored on Ramsey's double to center. Hatch singled but Ramsey was thrown out

In the third inning Cannon made Norwich's first hit when Hicks misjudged his fly to right, but the next three men were easy outs. New Hampshire scored once, when Hoyt walked, was sacrificed to third, and scored on a wild pitch. In the fourth Houron got on on an error by Brown, but no others reached first, Ramsey singled, and Hatch sacrificed him to second, but he remained there as both Hatch and Jenkins struck out.

The fifth inning was the big one for Norwich. Two bases on balls followed by two hits netted Norwich three runs, and Evans retired in favor of Slayton who retired the next three men. Gustafson was given a chance to score when the shortstop missed his hard grounder, but none of the next three were able to advance him.

### **DURHAM RED CROSS** TO AID FLOOD AREA

Local Chapter of National Red Cross Called Upon To Raise \$50 for Flood Relief Work-Dr. George N. Bauer Heads Durham Committee for Funds

The Durham chapter of the Red Cross has been called upon to raise fifty dollars as part of the fund being solicited all over the country to aid in the relief work being done in connection with the great Mississippi flood, according to Dr. George N. Bauer of the University faculty, chairman of the local Red Cross. President Coolidge, head of the national Red Cross which does the official government relief work, called upon his cabinet for the first time in the history of the organization to aid him in raising the five million dollars which it is estimated is needed to help the 100,000 refugees left destitute by the flood.

The Durham chapter plans a special campaign among the students Hampshire Idyls, Robert W. Manton; and townspeople. Clothing and supply contributions have been deemed impractical and only money will be asked for. Contributions should be Manton; 6-Motet: "There is an old mailed to Professor Clement Moran belief," Sir Hubert Parry, Combined of the Physics department, the local treasurer.

COMEDY

At the spring meeting of the Trustees of the University held last Friday from 11 A. M. until 4 P. M., Edward Morgan Lewis, president of the Massachusetts Agricultural College, was elected president of the University of New Hampshire.

Mr. Lewis was born in Machynlleth North Wales, Dec. 25, 1872, and came to this country at the age of nine years. He received his bachelor of arts degree from Williams college in 1896 and his master of arts degree from the same college in 1899. Until 1903 Mr. Lewis was an instructor of elocution at Columbia college. Then for eight years he served as instructor and assistant professor of public speaking at Williams. After that he became affiliated with the Massachusetts Agricultural College as Dean, acting-president and until the recent election, as president.

In his college days the presidentelect gained fame as a baseball player and after his graduation played with the Boston Nationals and in the American League from 1897 to 1901. He also coached the Harvard baseball team during this time.

Besides being an expert baseball player Mr. Lewis has been interested in politics in Massachusetts. In 1910 he was the Democratic candidate for Congressman in the first Massachusetts district and in 1914 he was an aspirant for the same office in the second district. In 1913 he served as chairman of the Democratic state convention in the Bay State. Mr. Lewis was president of the New England Inter-collegiate Athletic association from 1920 to 1923 and is also an alumni trustee at Williams

No action was taken by the committee in naming a trustee treasurer to take the place of Mr. Walter Parker of Manchester, who died recently. Because the State Legislature voted down the proposed cut in the Mill Tax Bill, and will allow the University the amount that it has been rewere Gunnar Michelson, famous New boilers may be added as the Univerbuilt. ### A NEW LEADER

By the action of the Board of Trustees last Friday, the University will direct it at home and fight for it afield if the need arises. The choice made by the trustees has met the approval of all parties interested and we are proud to officially greet our new body of the University of New Hamp-

We, as students, met President Lewis in a convocation last fall when he acted as the speaker of the day. The Trustees met him later and chose him to succeed President Hetzel. President Hetzel has voiced his hearty approval of their choice. Mr. Lewis has proved himself an executive, a scholar, an athlete and a gentleman, and through this happy combination is particularly fitted to head a modern institution of higher education. We are glad to welcome him as a New Hampshire man.

Massachusetts has profited by his ability and has voiced deep regret concerning his decision to leave the state college there to come to New Hampshire. This is true not only in the educational field, but for the general public as well. In a recent editorial, the "Boston Transcript" said, "Mr. Lewis, as a man of high cultivation, character, and ability, is thoroughly qualified for the honorable post which he goes to fill"-and speaks with deep regret of the conditions which made his leaving pos-

We liked and respected President Hetzel, and we were sincerely sorry to lose him, but we realize that he went where he felt that his duty called him. We feel that his successor will ably carry on the work which he started and that New Hampshire will continue under President Lewis as one of the out-standing universities of the

The students understand and appreciate all that Dean Morse and done for them during the time we have been without a supreme executive. But we've wanted a "Prexy.' We've needed him. Now that a choice has been made, we are glad that our new leader is the man he is. He may be sure of a hearty welcome and loyal support when he comes to us.

#### MISS BOURNE TO SPEAK AT 4-H CLUB HERE, MAY 2

The first regular meeting of the University of New Hampshire 4-H club will be held here at the Community House May 2. The principal speaker will be Miss Elizabeth Bourne of Exeter, who is County Club Agent for Rockingham County. She will tell of her work and experiences with 4-H clubs and the work which the University organization may do. The meeting is sponsored by the College

of Agriculture of the University.

The local club was organized last term by a number of 4-H people for the purpose of furthering interest in club work activities, and to provide given out for the luncheon at noon a means by which the many former members of clubs throughout the matien about different parts of the state now attending the University campus may also be obtained at the may become better acquainted.

### **FAIR PLAY**

A popular local merchant recently received a communication signed "Women Students" in which he was reprimanded because of the habit of certain students to stand outside his store and make insulting comments concerning passers-by. This does not seem to us to be entirely fair to the gentleman concerned. He has no jurisdiction over the public thoroughfare outside his place of business and if certain students choose to behave as rowdies it is not his fault.

The letter stated that it is entirely "up to him" to see that the conditions are bettered and that if they do not improve his store will not be patronized. It seems to us that the matter is entirely up to the men students who are lowering themselves and the prestige of the University by behaving in an ungentlemanly manner. Incidentally, we feel that the complaint could have been sent much more appropriately to the local constable. A little fair play on the parts of both the men and women students concerned seems to be in order.

#### Y. W. C. A. NOTES

The Y. W. C. A. will hold a Maqua meeting Monday evening in the Commons club room. Maqua conference life will be re-enacted and all the old camp songs will be sung. Helen Abbott, '29, will be in charge, and it is expected that all girls who have ever been to Maqua or who would be interested in going this spring, will attend.

Monday night a stereopticon lecture on New Hampshire Forestry was given by Prof. K. G. Woodward in the Commons' club room under the direction of the Y. W. C. A. Several poems on "Trees" were read, and a song was sung by Ellen Farley.

#### NEW HAMPSHIRE COUNTIES FIRST IN EXTENSION WORK

Director J. C. Kendell of the University extension service has just received word from Washington that New Hampshire is the first state in the Union to be organized 100% in once again has a president, a man who all its counties in the three lines of extension work. Each county delegation to the legislature has voted sufficient funds to employ three forms of extension service which means that there will be a home demonstration "Prexy" in the name of the student and 4-H club agent as well as an agricultural agent in all counties. Massachusetts is second in percent of extension agent per county. The appropriations for this work showed a large increase over that of last

#### EDWARD PLOURDE RECEIVES WEST POINT APPOINTMENT

Edward F. Plourde, a freshman at the University received an appointment to the United States Military Academy at West Point, N. Y., here this week from Senator Henry W. Keyes. If Plourde passes the physical examinations required he will enter the Academy the last of June. Before entering the University, Plourde attended the Central High School in Manchester and played on the Manchester High School hockey team as a defense man. He is a member of the Theta Kappa Phi fraternity, and this winter played on his fraternity hockey team. He is and Harris S. ALPHA CHI OMEGA TO HAVE SORORITY HOUSE

Girls Have Purchased Residence Of Professor Charles Scott On Madbury Road-Ten Dollar Essay Voted By Sorority At Meeting

Tau Chapter, the University of New Hampshire chapter of the Alpha Chi Omega, announced Monday that has purchased the residence of Professor Charles Scott of the University faculty to be used as a sorority house by the chapter starting next fall. The house is a large fifteen room wooden structure situated on Madbury Road within convenient pected that several additions to the house will be made during the summer vacation.

To date, of the six sororities on the campus, Alpha Xi Delta and Chi Omega are the only ones to have distance of the campus. It is ex-

houses. The girls belonging to the remaining four groups have been living in the University dormitories for women.

Miss Camille Hudon, a member of the Alpha Chi Omega sorority who is doing graduate study here and who is a member of the University's department of English, also announced that the sorority at its last meeting voted to give a prize of ten dollars in gold for the best informal essay of less than three thousand words written by a student on any phase of undergraduate life. This prize will be presented here during the annual Commencement Exercises in June The contributions will be handed in to Dr. A. E. Richards, head of the English Department, before June 10.

#### YALE FUND BANQUET AT QUEEN CITY DRAWS FACULTY

In connection with the drive for the twenty million dollar fund for Yale University, banquets were held all over the United States and in foreign countries on April 20. Several Yale men, who are members of the University faculty, attended the banquet held in Manchester. They were Dean A. O. Morse, Dr. C. T Lloyd, Prof. Norman Alexander, Prof. J. D. Hauslein, Mr. P. S. Schoedinger, the Rev. Joseph Barker, and Dr. A. E. Richards. Doctor Richards was chosen as one of the members of a temporary committee to draw up plans for a Yale club in New Hamp-

#### COMBINED GLEE CLUBS TO PRESENT SPRING CONCERT

The University of New Hampshire Combined Glee Clubs, under the direction of Robert W. Manton, and assisted by Rose Zulalian of Boston, contralto, Mrs. Vernon L. Mangun soprano, Roland E. Partridge, tenor

A very attractive program is to be offered at this concert for as the rendition of Horatio Parker's "Hora Novissima" last year was such a success, it was necessary to pick wellknown artists and numbers to equal the previous record.

The choral numbers by the glee clubs and soloists include: "Psalm 150" by Caesar Franck, "Cruicifix-us" from the Mass in B Minor, by Bach, and the famous Choral Canta-ta "Sleepers, Wake" also by Bach.

Besides the choral numbers there will be duets and solo groups by the assisting artists. Tickets for the concert which will be fifty cents will be on sale at the bookstore and the college pharmacy.

#### RECREATIONAL COMMITTEE PLANS FOR SUMMER SCHOOL

The Recreational Committee for the Summer School, which consists of Professors Perley, Johnson, Wellman, Magrath, and Lyford, has made known the following tentative program for the session. On June 29 a reception; two lyceum numbers on July 8 and 22; and two informals, July 15 and 29. Also the following physical program:—A trip to the Isle of Shoals, a clam bake at Rye Beach, a trip to Mt. Chocorua, an afternoon at the Rochester Country Club, a tennis tournament, a water sports carnival and a series of baseball

### AN APPEAL TO GENEROSITY

A national catastrophe such as the recent Mississippi flood brings out the best and the worst, the generosity and the selfishness, of the people of the country affected. Dr. George N. Bauer, local chairman of the Red Cross, has asked that each student give the largest amount that he can spare toward filling Durham's quota for the relief work being done in the flood area. President Coolidge has urged that all loyal Americans rally to the support of the Red Cross. The occasion is a particularly opportune one for New Hampshire students to show their patriotism and generosity.

## TRI GAMMA FRATERNITY

The Intra-Mural track meet Saturday afternoon was run off in due form and the result was in doubt until practically the last points were scored, as was shown by the nearness of the three highest point winners. The points won by the various fraternities are as follows: Tri Gamma, 29; Phi Mu Delta, 27¾; A. T. O., 25; Theta Chi, 19 2-3; S. A. E., 153/4; Lambda Chi, 1314; Alpha Gamma Rho, 121/2; Theta U, 9; Phi Delta U, 3; Kappa Sigma, 24; Theta Kappa Phi, 2; Phi Alpha, 1.

In the various events the winners were ranged up as follows:

# Modern smoking pleasure that never fails

THE smokers of this age are the most independent ever known. Accepting no hearsay, they have smoked out the facts. They have learned that the . choicest Turkish and Domestic tobaccos grown are rolled into Camels, that here is the incomparable blending for goodness, that Camels simply never tire the taste.

Camel is the cigarette that never fails to please the modern age. Regardless of how often you want the comfort of a smoke, of how steadily you light one after another, Camel

will never fail you, never give you any but the finest thrill of smoking pleasure. This is why Camel's popularity, by far the largest in the modern world, keeps overwhelmingly in the lead. As modern taste becomes more insistent upon choice tobaccos, increasing millions discover Camel's incomparable mildness, smoothness and mellowness.

If you want the cigarette that's good to live with from morn to midnight, the one that is the choice of the modern age, "Have a Camel!"

Older Franklin Baseball Fans Recall The Day When President-Elect Lewis Twirled For Their Local Nine, Losing Close Game

The election of Edward Lewis of Massachusetts Agricultural College to the presidency of the University of New Hampshire was of especial interest to the older citizens of Franklin, N. H., for they recalled the day when "Ted" Lewis of the Boston Nationals, came to Franklin to help them defeat Laconia in baseball, according to a Manchester Union news

"In 1896, Franklin and Laconia were playing a series of baseball games in which great rivalry was shown. In order that Franklin might be sure of winning their manager City Clerk Irving V. Goss went to Boston and secured Lewis and James Bannon from Manager Frank Selee to play against Laconia. Lewis pitched exceptionally well, and except for the fact that the Franklin catcher, Nelson, met with an acci- of Vermont in Burlington, April 29 dent, he would have won the day for "Paper City" team. Franklin lost, 4 to 3, but there was a warm spot in their hearts for "Ted" Lewis."

To this day the Franklinites re-

member the pitching of Lewis, and it is with no little interest that they watch the success of their "one day team-mate.'

# CHINA FOR CHINA

Arthur Rugh, student secretary of the Y. M. C. A.'s of China, was the speaker at the weekly convocation here yesterday. His talk dealt with the present situation in China, the reason for the conditions which exist Brad McIntire, '25, Mgr. there, and the probable outcome of Mr. Rugh stated that he believed

that the last of the war lords would be overthrown and that the nationalist party would make China once again a republic if the Radical faction does not cause a serious split in the ranks of the party. He said that Russia is helping China and is very influential in that country at present because she is treating China with a reasonable degree of fairness, which is more than can be said for most of the other great powers, although Mr. Rugh went on to state that he be lieved that next to Russia the United States was looked upon by the people of China with less suspicion than any other nation in the world. He added that in his opinion and that of the Y. M. C. A. workers in China, foreign intervention in China is useless because of an entirely new spirit of patriotism and love of freedom which is not prevalent among the inhabitants. Mr. Rugh also added that he felt that such intervention would be useless, because there is not money enough in the world to beat the Chinese if they are really aroused and that is now the case. "All they ask", he said, "is China for China. Is that unreasonable?"

Mr. Rugh, who was brought here under the auspices of the University Y. M. C. A., also conducted an open forum on the Chinese question in the Clubroom in the University Commons building this evening. This morning he addressed a class in Asiatic History under Mr. Arthur Jones of the Department of History.

Mr. Rugh is a graduate of Witten-Good Food berg College and received his degree of Master of Arts from Oberlin. While in college he was twice president of his class and was prominent in athletics, playing on both the baseball and basketball teams.

He became interested in the Y. M. C. A. and Christian service work while still in college and since then has continued to devote his time to their interests. Twenty-four years ago he went to China where his time has been spent with the youth of the land and its problems. He is here to bring the message of the harassed students of China to the students of America. He has already spoken to several other groups of college stu-

New System Requires 125, Points For Membership In Association-Hike Routes Planned By Miss Katherine Watson

POINTS FOR HIKING

WOMEN'S A. A. GIVES

The Women's Athletic Association has been conducting a series of hikes for credit since the new point system has gone into effect. This system requires one hundred and twentyfive points for membership in the Association, 500 for a pin, 900 for an emblem and 1300 for a varsity "NH." Points may be gained in the following ways: for making a class team, 100 points; class squad, 50 points; for 25 hours outside of class work spent in a combination of any two sports chosen from horseback riding, snowshoeing, skiing, skating, tennis and swimming, 25 points are awarded. Thirty miles of hiking, not less than five or more than ten miles a week, also earns 25 points.

Hiking routes have been planned by Miss Katherine Watson, head of the Women's Physical Education Department and Miss Grace Lord, '26, a Physical Education major. According to Miss Lord great enthusiasm for this sport is shown by the girls, and additional hike leaders are to be

Mr. Ufford maintains that Dartmouth's idea is sensible and modern and not a radical one, because such methods have been used by other colleges which have also had intercollegiate contests. At Western Reserve it has been used and also this year at the University of New Hampshire with considerable success, although New Hampshire also participated in intercollegiate

Mr. Ufford stated that he did not believe it was necessary to abolish inter-collegiate debating altogether, but that Dartmouth's attitude was a step in the right direction.
