MODERN POET TO ENTERTAIN

Puppet Theatre Program Will Be Given Tomorrow

"Lima Beans" and "Jack's House," Two of Successful Plays With Other Features Will Compose Entertainment

Tomorrow evening Alfred Kreymborg, modern troubador, will appear in the gymnasium with his mandolite, marionettes, Mushroom Theatre, and original poems prepared to entertain the audience with the puppet plays, "Lima Beans" and "Jack's House," which are his own productions. Mr. Kreymborg has gained fame by writing "Troubadour" and is considered by the "Dial" to be one of the founders of an American theatre.

The puppet theatre, which will be set up in the gymnasium for the production of the plays, was designed by Herman Rosse, a distinguished Dutch artist, and is equipped with many marionettes, a lighting system, sets, props, and everything essential of a theatre in miniature. Mrs. Kreymborg will manipulate the puppets while her husband reads or chants the lines.

Although he has been ridiculed for several years because of his championship of ultra modern poetry and his editorship of the radical poetry magazine "Others," Alfred Kreymborg has been declared by the New York Sun to have few equals among living American writers and the "Mercur de France" states: "The art of Alfred Kreymborg resembles Mozart in its melodic grace and the fantasy of its ritual."

Mr. Kreymborg has given recitals and lectures extensively throughout America for the past ten years and during a recent visit abroad was invited to deliver two lectures at Oxford University. Performances of the same type as that which will take place at eight o'clock tomorrow evening have been presented at Dartmouth and many other places throughout the country.

The program has been arranged by the local kindergarten association and the proceeds of the entertainment will go towards the kindergarten fund. A limited number of reserved seats are available and tickets may be secured at the College Pharmacy.

DEAN TAYLOR CHOSEN TRUSTEE OF SANBORN

College of Agriculture Head Has Had Much Experience and is Well Qualified for New Position

Dean Frederick Taylor of the College of Agriculture was appointed to the Board of Trustees of Sanborn Seminary, according to an announcement made Monday afternoon by University officials. Dean Taylor has been interested in the affairs of the preparatory school for some time and will assume his duties at once.

Dean Taylor was graduated from Wooster University in 1896 with the degree of bachelor of science in agriculture. He did graduate work in Ohio State University and was a member of the Ohio Experiment Station from 1900 to 1901. From 1901 to 1903, Mr. Taylor was connected with the Government Soil Survey for the United States Department of Agriculture. He is a fellow of the American Association for the advancement of Science; a member of the American Association of agronomy; a member of the National Geographic and

CAMPAIGN MADE FOR ALUMNI SECRETARY

Graduates Asked to Pledge Money on Three-Year Plan to Support Full Time Secretary at Durham

A personal letter has been sent to all New Hampshire graduates in regard to the matter of having a full-time Alumni Secretary in Durham beginning next fall. The proposal is that a brief campaign be carried on to secure pledges totaling \$3,000 for the year 1927-28 from the various Alumni. Then for the year 1928-29, the plans are to raise the sum of \$2,000 from the Alumni, and in 1929-30, \$1,000. After the third year the plan should be self-supporting.

It will be difficult for the association to meet the rapid growth of the institution unless a new system is introduced because the present Alumni Secretary at Durham has put as much time as is possible with his every day work on Association affairs. It is hoped by the committee that they can secure three hundred pledges at \$15, \$10, and \$5, according to the three-year plan. If the pledges to the amount of \$3,000 are not in the hands of the President, Chris O'Leary, by June, the pledge slips should be returned.

WILDCAT GRANITE NOW ON CAMPUS

Junior Year Book Has New Color Scheme And Designs

Farewell Address To Dr. Ralph D. Hetzel Written By Charles Johnson, '29, Feature of 1928 Annual

The Wildcat "Granite" made its appearance on the campus yesterday afternoon, after nearly a month of waiting by the students. The 1928 edition is essentially the same as former "Granites."

The Wildcat, resulting from the selection of that denizen of the woods as official University mascot, furnishes the theme on which the 1928 book is built. To the Canton Engraving Company went the task of developing the annual upon that idea. Although the appearance of that

INSPIRING TALK DELIVERED HERE

Sincerity Featured As Essential To Teachers

Sir John Adams, Well Known English Educator, Speaks To Secondary School Teachers At Conference—Dr. Ernest Butterfield Heads Program

That "the teacher must be sincere if he is playing a part," was the main theme of the feature talk given by Sir John Adams last Friday night at the banquet of the Secondary School Conference held in the Commons Dining Hall. Sir John, who is considered one of the greatest leaders in the Educational field on the continent, said that there is a justification for the teacher's playing a part if he has some definite purpose in view and if he truly believes in what he is acting. He quoted from Shakespeare's Hamlet: "To thine own self be true, and it must follow, as the night the day, thou canst not be false to any man."

Sir John believes that while it is often said that children cannot be deceived, that this is an erroneous idea, for children do not easily see that the teacher is acting. The teacher should not be disturbed if he feels self-conscious for it is only in this way that we become acquainted with ourselves and it is one of the best ways in which to bring out the best in ourselves. The teacher, according to this English educator, should always strive to keep in a good disposition even if he is feeling disagreeable, for sometimes an attitude assumed becomes a part of the person, as Shakespeare said, "Assume a virtue if you have it not."

The Conference, which began Friday morning with the general session in the men's gymnasium, was opened by an address of welcome by Dean Adrian O. Morse. Dr. Ernest Butterfield, Commissioner of Education in New Hampshire, and Dr. Charles Swain Thomas of Harvard University were the principal speakers of the first assembly. Sectional Conferences were held in the various class rooms on the campus, when students of the University were given an opportunity

NEW PASTOR TO TAKE UP RESIDENCE HERE

Check And Toy Car Given By Parishioners Of Leyden Church—The Reverend F. S. Buschmeyer To Finish Studies At B. U. This Month

The Reverend Fred S. Buschmeyer, recently appointed pastor of the Community Church here, will take up his permanent residence in the renovated parsonage with Mrs. Buschmeyer and their two children, tomorrow, according to an announcement made here this week by the Prudential committee of the church. The position of pastor here is considered an important one in view of the fact that the church is the only one convenient for the majority of University students. The church, being a purely community affair, does not favor any one creed but from time to time brings ministers of different faiths to conduct the Sunday services in conjunction with the local pastor.

Mr. Buschmeyer succeeds the Rev. Moses R. Lovell, who resigned last fall to assume the duties of pastor in a Congregational church in Washington, D. C. He is a student in the Boston University Theological School at present, but expects to graduate at the end of the present month.

The congregation of the Leyden Congregational Church in Brookline, Mass., where Mr. Buschmeyer has been acting as assistant pastor, gave him a farewell reception last month. The parishioners understood that Durham was a rural community back in the woods and felt that the best way to show their appreciation of his work in Brookline would be to present him with a car. A small tin Ford about four inches long was consequently donated and inside Mr. Buschmeyer found a check for seven hundred and fifty dollars to be used in running the miniature or to help in buying a new one.

YEARLINGS DEFEAT TILTON SCHOOL NINE

Cullinan and Boisvert Star for Freshmen Sluggers Knock Out 19 Hits

The freshman baseball team opened its season by swamping Tilton School 19-5, Monday afternoon. Coach Nicora used a large number of substitutes during the slugging game. The hitting of Boisvert, who amassed two triples and a brace of singles and the fielding of Cullinan, who accepted several hard chances in deep short, were the features of the game. Baker, who collected two hits and made several excellent catches in left field was the star for Tilton.

Tomas, a Cuban and Kinney twirled for Tilton, and neither were able to hold the yearlings in check. In the seventh inning, the freshmen made seven runs before the second out was registered. Summary:

VARSITY LOSES TO DARTMOUTH NINE, 6-5

Wildcats Lack Final Punch in Closing Innings To Win From Big Green Team—Slayton Retires In Second Frame Under Six Run Deluge

The Wildcat varsity baseball team lost its second game of the season to Dartmouth at Hanover on Tuesday afternoon, losing out to the Big Green nine, 6 to 5. Slayton, who started in the box for New Hampshire, found the going hard in the second inning, being knocked off the mound under a deluge of six runs. Evans replaced Slayton and held Dartmouth to two hits during the remainder of the game.

Despite the six run lead of the Green team, the Wildcats fought hard to win the ball game, scoring their five counters in the fourth, fifth and sixth innings, but missed out in the closing frames to overcome Dartmouth's small margin. The two New Hampshire teams had not previously met on the diamond for twelve years, playing their last struggle in 1915. The Wildcats have now won two and lost two games. The lineups were as follows:

New Hampshire—Ramsey, ss; Hatch, 2b; Hoyt, 3b; Jenkins, cf; Gustafson, lf; Hicks, rf; French, c; Brown, lb; Slayton and Evans, p. Dartmouth—Picken, ss; Michelini, 2b; Stevens, 3b; Murphy, cf; Elliott, lf; Owl, rf; McLaughlin, c; Spaeth, 1b; Carver, p.

FLOOD RELIEF CAMPAIGN TODAY

National Red Cross Has Doubled Its First Quota Because of Additional Victims—500,000 People Homeless and Flood Has Not Reached Its Crest

Today has been designated as "Tag Day" by the local Red Cross Chapter for the relief of the Mississippi flood victims. The quota for Durham is \$500, but Dr. George N. Bauer, chairman of the Durham Branch, thinks at \$150 or \$200 can be raised. Doctor Bauer had a meeting with certain representative students Monday night in Dean Morse's office. The main purpose was to raise or make plans for raising, a part of Durham's quota of the Red Cross drive. According to Doctor Bauer, the disaster is constantly increasing, and the crest of the wave has not yet reached the gulf. Levees have recently broken in four places, making the total of homeless now about 500,000 persons.

SORORITIES PLAN TO ENTERTAIN MOTHERS

Chi Omega to Give Tea After Baseball Game—Alpha Xi Delta Will Give Play Saturday Evening at Dover

The sororities of the University of New Hampshire are planning to entertain in Durham "Mother's Day," May 7, by giving teas on Saturday afternoon in honor of the Mothers present. This custom started last year in connection with the first celebration of the University's Mother's Day which was inaugurated to bring about a closer relationship between the parents and the faculty of the University.

Chi Omega sorority will give a tea at its chapter house after the baseball game. Phi Mu sorority will entertain the Mothers of its members at supper at the Black-Eyed Susan Tea Shop on Main street. Alpha Chi Omega will entertain at the home of Mrs. Thomas G. Phillips of Madbury road at which time plans will be made to organize a Mother's Club.

Alpha Xi Delta will give a tea at its chapter house Saturday afternoon and will entertain the Mothers in Dover in the evening with a play given by members of the sorority. Sigma Omicron will hold its tea at the Commons Organization room. Delta Kappa expects to give a tea also but the place has not been definitely decided.

CHANGE SCHEDULE OF TRAVEL SCHOOL BOAT

A change has been made in the sailing for the University of New Hampshire Travel School in France this summer, according to Professor H. F. Allen. The party will cross on the Cunard S. S. "Samaria" which will leave New York June 25 and will stop at Boston where members of the Travel School may embark. The "Samaria" will sail from Boston for Queenstown and Liverpool at 2.00 p. m., daylight saving time, Sunday, June 26. This change in sailing will make embarkation easier for members of the Travel School who live in New England. There will be no additional expense due to the change in sailing.

Final preparations are now being made for Mother's Day at the University of New Hampshire, Saturday. Three hundred acceptances have been received and at least two hundred more are expected. In the morning classes will be inspected, the R. O. T. C. reviewed, a group picture taken in the grandstand, and luncheon served in the University Commons building. A swimming meet, a varsity baseball game with Boston University, and teas at the different sororities will terminate the day.

The Faculty Club will be the headquarters for the mothers and they will have an opportunity to meet the various instructors. Many of the mothers are expected to stay over the week-end to observe National Mother's Day, Sunday, May 8.

Mothers will register at the Faculty Club upon arriving and then inspect the classes. Three tours, one to the College of Agriculture, one to the College of Technology, and one to the College of Liberal Arts will be conducted by Dean Morse and members of the faculty. Mothers may choose their groups and all classes will be open to visitors. There will also be three more tours for those arriving late.

After the tours the mothers are asked to gather in the grandstand at Memorial Field for a group picture. They will remain there and a regimental review of the R. O. T. C. will take place on Memorial Field. The mothers may then adjourn to the Faculty Club where they will have an opportunity to meet the members of the faculty.

After dinner at the Commons there will be girls' sports at Memorial Field followed by a swimming meet at the University Pond. Following the water sports the varsity baseball team will play Boston University on Brackett Field. The mothers will also be guests at the sorority houses in the afternoon and many are expected to remain here over the week-end. The mothers and other visitors are requested to register at the Faculty Club upon their arrival where tickets for the luncheon and baseball game will be given out.

FRESHMAN RULES REVISED BY 1930

Rules To Apply During First Part of Year Only

Skimmers To Be Required Throughout The Entire College Year—Sports Clothes And Sweaters No Longer Banned—Songs And Cheers To Be Learned

By Robert Hanson, '29
Under the impulse stirred by the kindly lenience of the Class of 1929, and the removal of the binding rules by which they have lived for nearly a year, the Class of 1930 has taken the major step in the founding of a new tradition at the University of New Hampshire.

In taking this step toward the beginning of a new era of Freshman regulation, the council of the Class of '30 has made drastic changes in the rules provided for the incoming freshmen as the token of their submission to the Sophomores.
No longer will the Freshmen be forced to wear coats the year 'round. Knickers and sports clothes will be allowed throughout the week. Freshmen will no longer need to carry matches for the upper classmen, nor will they be required to tip their "skimmers" as has hitherto been the custom.

The Freshman cap will be required as standard apparel throughout the year; but all rules, with the exception of that concerning the tie, will be removed at the end of the first term, pending the good behavior of the Class of '30. All college songs and yells will be learned by the Freshmen, and checkup examinations, with serious consequences for all those failing them, are to be given to the class as a body.

Such changes as are to take place in the rules mark the final step of the University of New Hampshire in its progress toward just Freshman government, and with these changes there will come a greater state of positive college spirit which will contribute in the highest degree to the advancement of New Hampshire as one of the foremost Universities of the East.

DURHAM, N. H., MAY 5, 1927

A NEWCOMER

In another page of this issue we have published a picture and feature story of the Reverend Fred S. Buschmeyer, the new pastor recently selected for the local Community church. Mr. Buschmeyer's position is an important one in connection with the student body, as much so as is that of any member of the faculty, and more so than most students realize. He is here to help the students and to lead them in fields of religious and moral development as the faculty do along other educational lines. He should be made to realize that the University welcomes him and will cooperate with him.

Mr. Buschmeyer is young and energetic and is attending the graduate school of a university himself. He should appeal to the average college student more than an older man might. His sermons to date have proved him broad-minded and ready to help and understand as far as is in his power the individual problems of the student body. He is decidedly not the "Elmer Gantry" type, and, in this age of attacks on the church and all it stands for in the community, the students should be the first to welcome him and seek his friendship. Get to know him.

A "FRATERNITY SING"

As the present week is designated as National Music Week, it seems an appropriate time to suggest a discussion upon an idea concerning which we have heard much comment among some of the men students recently. It is the custom among many of the colleges and universities of the country to hold an annual "fraternity sing" sometime during the spring months, at which time all the fraternity men in the institution gather together according to groups and accompanied by the University band, or providing their own music, render two or three of the most popular songs of the respective organizations. The plan provides a pleasant evening's entertainment and helps to foster good fellowship among the various fraternities on a campus.

Many of the special songs of various fraternities particularly lend themselves to this type of use; yet it is seldom that anyone but a member of a fraternity ever gets the chance to hear that fraternity's music. Why couldn't such a gathering be held some evening soon after the permanent lights are placed about the flagpole in front of "T" hall? If Casque and Casket would sponsor the gathering it seems probable that someone could be found to donate a prize and if such were not the case, the required sum of money could be raised by subscription from among the various fraternities on the campus. At least, good fellowship and a pleasant evening might be expected.

DELTA SIGMA CHI ELECTS FRANK BEEDE AS PRESIDENT

Frank E. Beede '28, of Fremont, N. H., was elected president of Delta Sigma Chi fraternity at a meeting held Tuesday night. Beede is the manager of varsity cross country for the coming season, and a member of Delta Chi, honorary mathematics fraternity.

Other officers elected include: Robert C. Adams, '29 of Winchester, N. H., vice-president, Paul H. Blaisdell '29 of Concord, N. H., secretary, and Malcolm Sargent, '28 of New London, N. H., treasurer.

STONE BALUSTRADE TO BORDER SIDEWALK

Hedges Planted in Front of New Dormitory Group—East End of Hetzel Hall Lawn To Be Graded

Recent improvements on the campus include the erection of a stone balustrade bordering the cement walks of the Commons, Fairchild, and Hetzel hall group and the planting of shrubbery in the vicinity of these buildings. A hedge is being planted in front of this group and will serve not only to beautify the grounds, but also as a barrier to keep pedestrians off the grass.

On the east side of Hetzel hall the ground is being graded and prepared for a lawn which will slope down to the Mill road. The drill field in back of the Gymnasium is being rolled for the use of the athletic department.

MRS. H. F. DEPEW ENTERTAINS ALPHA XI DELTA SENIORS

The seniors of Alpha Xi Delta were entertained at bridge last Thursday evening, April 28, by Mrs. Heber F. DePew, a patroness of the sorority.

The guests of the evening were: Mrs. Dwight Hall, Mrs. Harold H. Scudder, Mrs. C. Floyd Jackson, patronesses of Alpha Xi Delta, the sorority matron, Mrs. Clara L. Flanders, and Mrs. Raymond E. Starke. Mrs. Jackson won the first prize and Nathalie Moulton, '27, the consolation prize.

PROF. WELLMAN TO ATTEND PARENT-TEACHERS' MEETING

Mrs. O. V. Henderson, Miss Daisy D. Williamson and Professor J. O. Wellman, representatives of the State Board, will attend the annual meeting of the State Parent-Teachers' Association to be held at Keene, May 6 and 7. Professor Wellman, Chairman of the Committee on Education, will hold a conference at this time.

INITIATION BANQUET HELD IN THE THETA U HOUSE

Theta Alpha chapter of Theta Upsilon Omega held its annual Initiation Banquet Saturday, April 30, at the chapter house. Simpson of Dover as caterer served dinner to about seventy-five, of which number thirty-one were alumni.

Luther Lawrence '29 was the toastmaster and the speakers of the evening were Roland Chandler '28, Mr. Arthur Johnson, and Arthur Lawrence, '23. Impromptus were given by members of the alumni and members of the four classes.

The alumni present were, B. E. Russell '22, C. A. Swain '22, D. R. Jones '23, G. E. Middlemas '23, A. N. Lawrence '23, D. G. Barton '24, R. D. Kimball '24, K. E. Clark '25, G. W. Drew '25, L. F. PI ETA PHI ELECTS NEW OFFICERS FOR NEXT YEAR

At a meeting of Pi Eta Phi, the honorary educational fraternity, held Monday evening at Professor Wellman's home, several new members were initiated. They are Otho O'Leary '27; Jessie Daniels '28; Katherine Flanagan '28; Priscilla Morris '28; Patrick Murnane '28; Margaret Torrey '28 and Eleanor Wellman '28.

President Philip Marston presided at the meeting following the initiation during which officers were elected for the coming year. They are vice-president, Katherine Flanagan; treasurer, Patrick Murnane '28; secretary, Priscilla Morris.

Professor J. O. Wellman read a story, "The Woman Who Was Forgotten", by Bess Streeter Aldrich. The next meeting will be held June 6, at Professor Wellman's home.

TENNIS TEAM MEETS B. U. HERE SATURDAY AFTERNOON

Bryce Roberts, who has been unable to play tennis for the past week, will be able to participate in the doubles match Saturday with Boston University but not in the singles, according to Dr. Horace L. Howes, coach of the varsity tennis team.

The matches will be played Saturday, instead of Friday as was originally planned, in order that the Mothers who come here for the second annual Mothers' Day may see them.

The Boston University No. 1 man is a very strong player according to Coach Howes, undoubtedly faster than any of our men, but Coach Howes was very optimistic as to the team's chances, because of the remarkable improvement shown by all members of the squad in the last few days.

CARROLL AVERY TO HEAD HONORARY MATH SOCIETY

The Honorary Mathematical Fraternity, Delta Chi, held its annual election of officers Thursday night in DeMeritt hall. The following officers were elected: president, Carroll W. Avery, '28 of Wolfeboro; vice-president, Jessie Daniels, '28 of Henniker; secretary, Mary Sullivan, '28 of Manchester; treasurer, Harrison E. Sargent, '28 of Laconia. The new officers are to assume their duties at once.

"SEVEN CHANCES" CAST COMPLETED

Seniors Hold Many Parts—First Performance June 2

Several Freshmen in Cast—Play is Novel in Construction—Last Production of Year to Strive For Perfection

By Frederic H. Smith

With the addition of Charlotte Hirschner, '29, Celia Williams, '29, Ruth Stolworthy, '30 and Eleanor Harris, '28 to the cast, Professor William G. Hennessy announced Tuesday that the casting for "Seven Chances" Mask and Dagger production for this term, is complete, and includes representatives of every class in the University, with the seniors holding the majority of the important roles.

The play itself has a most unique and interesting plot, dealing with the adventures of a young millionaire in search of a mate. The theme possesses a real study in philosophy, several dissertations of the problem of matrimony, many really funny situations and a wealth of farcical lines which insure continuous, genuine laughter during the whole performance. It is light comedy, tastefully and appreciatively written. It is exactly the kind of thing that one can enjoy in the month of June. Mask and Dagger is putting its best into the playing and production of "Seven Chances," and can assure everyone who attends its performance one of the most pleasant evenings of the college year.

LIMITED NUMBER OF TICKETS FOR JUNIOR PROM ON MAY 20

The supply of tickets for the Junior Prom which will be held May 20 are fast being sold, according to Alec Currie, '28, chairman of the Prom Committee. The tickets are limited as they were for the Carnival Ball and all those that plan to go to the Prom will find that they must get their tickets early in order to assure their attendance at the dance it was rumored.

The favors and the decorations are being kept secret by the committee so that they may come as a greater surprise to guests at the dance. As was announced in a previous issue of The New Hampshire, Morey Pearl's orchestra will provide the music.

DR. F. SCOTT OF RADCLIFFE TO TALK ON MODERN GIRL

Dr. Francis Scott of Radcliffe College will speak at the Commons Organization room next Monday evening, May 9, at seven o'clock on the subject: "The Modern Girl from a Physician's Point of View." Dr. Scott recently attended the Milwaukee conference, and has done a great deal of work among girls.

HOME ECONOMICS NOTES

The girls in Miss Carrie Lyford's course in Laundering made an instruction visit to the local laundry run by Mr. C. M. Peterman, this week. The laundry is situated near Smith Park on the Oyster river and has been but recently converted to a commercial laundry. Many interesting points in connection with the course were explained by Mr. Peterman.

Psi Lambda, the honorary Home Economics Club, met at the Practice House on last Thursday where the following officers were elected for next year: President, Helen Batchelder; vice-president, Beatrice Gray; treasurer, Charlotte Pearl; secretary, Elizabeth Horne; faculty advisor, Mrs. McLaughlin. It was decided to hold initiation of those girls who made the required average on May 12. There will be a picnic in connection with the initiation.

The State Home Economics Association will meet at Concord on May 14. In the afternoon there will be sectional meetings at which several of the alumnae girls who are teaching in this state will bring up their problems for discussion. Miss Bowen will lead the clothing section.

A special exhibition of clothing and textiles will be put on display for Mother's Day in the sewing laboratory. Cooking equipment will be exhibited in the cooking laboratory. The Practice House girls are planning to entertain their mothers this weekend.

SPRING DANCE HELD BY ALPHA CHI OMEGA

Annual Sorority Formal at Thompson Hall Gym—Red Ramblers Furnish Music For Occasion—Many Guests Present

The annual spring formal of the Alpha Chi Omega sorority was held in Thompson Hall gymnasium Saturday evening, April 30. The "Red Ramblers" furnished the music. The system of inviting delegates from the other sororities, tried for the first time last year, was continued again this year, Marjorie Britton, '29, representing Phi Mu, Marion Carpenter, '28, Alpha Xi Delta, and Dorothy Flynn, '27, Delta Kappa.

Other guests were: the Misses Merrill, Anderson, Morgan, Clark and Benedict from Alpha Iota chapter of Alpha Chi Omega at the University of Vermont; Irma Andrews, '26, and Mrs. Dorothy Hobbs Cummings, ex-'28, Alpha Chi Omega alumnae; the Messrs. LIBRARY NOTES

Next year the library plans to open a "New Hampshire Room" on the second floor of the library in which will be housed a large number of books and pamphlets relating to the state of New Hampshire. There will also be a University of New Hampshire Memorial Collection where as complete a file as possible of university and student publications, commencement programs, bulletins, alumni publications, theses, pictures of alumni, and anything else of interest and pertaining to the university will be catalogued.

Recent exhibits in the library have included books on Better Homes, Hobbies, Birds, Forestry and Outdoors. This week is being observed as Music Week.

"P.A."
 letters of
 recommendation

EXPERIENCED pipe-smokers from Cape Lisburne to Cape Sable (get out your map of North America!) recommend P. A. to you as the finest tobacco that ever lined the bowl of a pipe. You'll check-in with their recommendation.

Why, the instant you swing back the hinged lid on the tidy red tin, your olfactory nerve registers a fragrance like that of a pine-grove on a damp morning. And when you tuck a load of this wonderful tobacco into your pipe—say, Mister!

Cool as Cape Lisburne, mentioned above. Sweet as the plaudits of a first-night audience. Mild as morning in Cape Sable. (That's working-in the old geography!) Mild, yet with a full tobacco body that completely satisfies your smoke-taste. Buy some Prince Albert today and make the test!

PRINCE ALBERT

—no other tobacco is like it!

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and punch removed by the Prince Albert process.

**MEETING OF DURHAM ALUMNI
HELD AT FORESTRY CABIN**

The April meeting of the Durham Branch of the Alumni Association which was held last week, took the form of a steak roast. Seventeen members walked through the college woods to the cabin. The men of the party, not having had enough exercise, played duck on the rock to insure good appetites. At six-thirty all gathered in the cabin where the chefs, "Mud" Stevens, '24, and "Cupe" Osgood, '14, had steak, potatoes, corn, rolls, coffee, and some of D. A. Watson's, '03, cider ready and waiting. After supper there were stories and reminiscences around the fire until it was time to return home.

**VARSIITY SECONDS
WIN FROM ANDOVER**

Clement Lets Down Prep School Players With Six Hits To Defeat Andover, 2 to 1—Hall and Reinhart Contribute Fielding Features In Close Game

The Wildcat second varsity baseball team took the measure of Phillips Andover Academy at Andover last Wednesday, Clement pitching a six-hit game to win from the prep school diamond players, 2 to 1. The Seconds scored their winning run in the ninth inning, after the game had been tied for three frames, 1 to 1.

Andover was the first to break into the run column in the third inning, getting a man across the plate on a walk and solid smash to center field. The Blue and White Seconds counted in the fifth inning, Clark and Young bunching their hits to score one run. Hall, Wildcat left fielder, contributed several good running catches in the outer gardens while Reinhart was the outstanding player in the infield, making a pretty play to catch an Andover player off second. A fast double play from Reinhart to Soule was the only other fielding feature of the close ball game.

The New Hampshire Seconds play their second game of the season at Brunswick, Maine, on Monday, where the Bowdoin Seconds engage in a baseball battle with Coach Christensen's team. St. Anselm's at Manchester and Tufts Seconds at Medford are some of the other baseball contests arranged for the Wildcat Seconds.

**NEW MEMBERS ELECTED TO
TAU KAPPA ALPHA SOCIETY**

At a meeting of Tau Kappa Alpha, the national honorary debating society, held Monday in Mr. Ufford's office, the following people were elected to membership: Laurence Jensen, '27; Charles Johnson, '29; Dorothy Annett, '29; Ralph Brown, '29; B. V. Bryant, '27; Burnham Davis, '29; Lyle Farrell, '29; John Fleming, '29; W. A. Mahoney, '29; T. J. Murnane, '28; A. L. Somers, '29; Alice Spinney, '29. These students all participated in at least one varsity inter-collegiate debate this winter.

**PHI SIGMA ELECTS SIX
JUNIORS TO MEMBERSHIP**

At the regular meeting of Phi Sigma, the honorary zoological society of the University April 25, 1927, the following juniors were elected to membership: Robert Garner, Cavette Prickett, Randal Brooks, Dorothy Fields, Katherine Flanigan, Kelsea Griffin. Ruth Kemp '22, alumnae member, was the guest of the evening. Last Monday evening a "bacon bat" was held for the new members at the home of Professor Woodward. Following the outdoor supper the pledging ceremony was held.

**ALPHA TAU OMEGA HOLDS
ANNUAL INITIATION BANQUET**

The Delta Delta chapter of the Alpha Tau Omega fraternity held its ninth Annual Initiation Banquet Saturday evening, at the Hotel Ashworth, Hampton Beach. The Hon. Albert H. Brown, a trustee of the University, acted as toastmaster. The speakers were Alton C. Currier, '28, Ralph R. Johnson, '30, Alden S. Morrill, '21, and L. G. Shesong. Delegates were present from Dartmouth, Maine, Colby, Tufts, and M.

FOUR UNIVERSITY RECORDS BROKEN

New Hampshire Loses First Track Meet To Maine Team

Toolin and Hubbard Break Their Own Records—Noyes, '29, Smashes Nightingale's Half-Mile Mark of Eight Years' Standing

Four University track records were broken Saturday, when the University of Maine won from New Hampshire 71% to 63%. The meet was run under excellent conditions, the time or distance in all events being remarkable for so early in the season.

New Hampshire established an early lead in the dashes, but Maine's superior strength in the field events

and longer runs, manifested itself, and Maine gained a lead which was not taken from her during the rest of the meet.

Maine was especially strong in the weights, taking all three places in both hammer throw and shotput. Maine took seven firsts and New Hampshire eight. Paul Toolin broke his own records in both hurdles. Hubbard broke his own record in the discus, and Noyes, a sophomore, running his first race for the varsity, ran a wonderful half, to break the record made by the great Nightingale more than eight years ago. The score was as follows:

100-Yard Dash—Won by Atkins (N H); second, Rounselle (M); third, Ladd (N H). Time, 10 2-5s.
 Mile Run—Won by Smith (N H); second, MacNaughton (M); third, Eastman (N H). Time, 4m 35s.
 220-Yard Dash—Won by Ladd (N H); second, George (N H); third, Rounselle (M). Time, 23 1-5s.
 120-Yard High Hurdles—Won by Toolin (N H); second, Torrey (M); third, Hammond (M). Time, 15 4-5s (new record).

440-Yard Dash—Won by Hill (M); second, Niles (M); third, Atkins (N H). Time, 52s.
 Two-Mile Run—Won by Taylor (M); second, Calahan (N H); third, Scribner (M). Time, 10m 1-5s.
 220-Yard Low Hurdles—Won by Toolin (N H); second, Torrey (M); third, Smith (N H). Time, 24 4-5s (new record).
 888-Yard Run—Won by Noyes (N H); second, Larson (M); third, Thompson (M). Time, 1m 59 3-5s (new record).
 High Jump—Won by Hammond (M); second, tie between Burke (N H) and Hobbs (N H). Height, 5 ft. 6 3/4 in.
 Broad Jump—Won by Ladd (N H); second, Rice (N H); third, Burke (N H). Distance, 20ft. 9 3/4 in.
 Pole Vault—Won by Hobson (M); second, tie Guilloyle (M), Steward (N H), Beckler (M). Height 11ft. 6in.
 Shotput—Won by Thompson (M); second, Dickson (M); third, Hartman (M). Distance, 42ft.
 Discus Throw—Won by Hubbard (N H); second, Black (M); third, Nicker (N H). Distance, 130ft. 1in. (new record).
 Hammer Throw—Won by Hill (M); second, Wemm (M); third, Moulton (M). Distance, 136ft. 10in.
 Javelin—Won by Lynden (M); second, Steward (N H); third, Black (M); Distance, 175ft. 9in.

tion is greatly increased by the special border showing the Old Man of the Mountains.

Considered of particular interest by the students are: the drawing of the wildcat's head which adorns the cover; the farewell address to Dr. Hetzel written by Charles Johnson, '29; the position of degrees under Administration instead of at the end of the book; the arrangement of the members of the "Granite" Board on two panels forming the letters "N. H."; and a page consisting of two airplane views of the campus secured through the courtesy of Coach Cowell and Furio Abbiati, '27.

WILDCATS DEFEATED BY BATES, 5 TO 1

New Hampshire lost its first baseball game last Saturday, when Bates won from the Wildcat Nine by the score of 5 to 1. The game was fast all through and was much closer than the score would show. Barnes, who started for New Hampshire, ran smoothly until the fourth when Bates aided by four hits and two errors scored three runs. Evans replaced Barnes on the mound and Bates scored no more runs until the seventh when they pushed two more across the plate.

TUFTS DEFEATED BY VARSITY 4-1

Marks Second Victory of Season For New Hampshire

Slayton Pitches Wonderful Game, Aided By Perfect Support—Hoyt, Gustafson, Hicks, French and Slayton Get Hits

The varsity baseball team won its second victory for this season last Thursday afternoon, when it defeated Tufts by the score of 4 to 1. New Hampshire scored in the second, fifth, and eighth innings, while Tufts only run came in the fifth.

Both pitchers, Slayton and Bowker, allowed five hits each; although in strike-outs, Slayton led with six, in comparison with two by Bowker. Gustafson and Evans brought in the first two scores for New Hampshire. Tufts' run in the fifth was by Hermann as the result of a hit and run play with Dorenbaum doubling. The Wildcats counted in the same inning when Hoyt doubled to bring in Hatch from second. In the eighth a double by Hicks allowed Jenkins to cross home for the fourth score.

Gustafson, the Wildcat left fielder, featured in the sixth with a good exhibition of running catches. Some good stops were also made by Jenkins and Hicks. The outstanding players of Tufts were Dorenbaum and Herrmann.

to study high school problems in their major subjects with high school teachers and principals. The banquet was held Friday night at the Commons with Dean Case presiding. After the address by Sir John Adams the guests were entertained by a concert at the Community House, given by the University Musical Organizations, under the direction of Professor Robert W. Manton.

Saturday morning the speakers were Professor Carleton A. Wheeler of Tufts College, Professor Guy M. Wilson of Boston University, and Harold B. Foye of the Boston Placement Bureau. In the afternoon the visitors were guests of the University at the track meet and baseball game.

Professor Justin O. Wellman, head of the Education Department of the University, who was in charge of the Conference, which is the first that the University has undertaken, was gratified at the number of teachers who attended at the sessions. Many of the teachers expressed a desire that the Conference become an annual affair and all approved of the arrangement of the program. Professor Wellman, when interviewed by a NEW HAMPSHIRE reporter, stated that he wished to express his gratitude to the townspeople of Durham who generously opened their homes to many of the guests. He also wished to thank the musical organizations that contributed so largely toward making the Conference a success.
