Glee Club Takes Third in Contest

The New Hampshire Receives Fuel Price From Critics

The University of New Hampshire Glee Club placed third in the third annual interscholastic glee contest held by the New England College Glee Club Association at Symphony Hall, Boston, last Friday, coming second on audience of over 2,000. This was New Hampshire first year in the competition, and it is noted that the University of New Hampshire is an exceptionally well-stocked institution. The high ranking of the contest was the result of the efforts of New Hampshire’s great chorus under Professor Robert W. Mason, who carefully coached the women’s chorus, and Edward Crow, ’29, of the Men’s and Women’s Chorus, who assisted Mason.

## In Passing

We could not go to press this week without commenting upon two events which have touched the hearts of New Hampshire. In the first place we wish to congratulate the Orchestra of the University of New Hampshire, conducted by Miss F. A. Manton, who performed last week in Boston, the first time that the University orchestra, made up of New Hampshire undergraduates, had been presented to the public. In the second place, we wish to congratulate Professor William H. Seudder, long associated with the University of New Hampshire, who has just been appointed to the Chair of Philosophy at Yale University. The University, which was fortunate enough to have him for some years, will miss a fine teacher, but it is well to think that there are students who look to him for guidance and enlightenment.
