WILDCATS FACE BIG GREEN ON SATURDAY

Opening Games of Two-Cone Series

The Wildcats play the first of a series of seven home games Saturday when they face Brown in the third game of the season. The game will be played in the University Stadium at 1331 hours.

The final week of rehearsals for the spring playing of "Adam and Eva" at the University theater in Murkland hall, according to Professor Robert W. Mann, director of drama at the University. The play, a modern light comedy on the experiences of the first couple, is to be presented by the famous Broadway success, "Adam and Eve" by Guy Bolton and George M. Cohan. It will run for two weeks, with the proceeds to be donated to the Salvation Army.

A group of undergraduates, including members of the class of 1928, is expected to attend the Saturday performance.

Better Livestock Drive is Discussed at Meeting

Better Livestock Drive, organized at a conference of agricultural students at the University, has gathered momentum in the last few weeks and with four weeks remaining before the close of the campaign, must be continued from now until the close of the year.

Professor Robert W. Mann, Director of Drama, said the purpose of acquainting the student with the drive is to take place in the fall of the year, stressing the importance of the drive to the student himself and making the student a real follower of the drive.

Increased movement in the drive for better livestock, following the recent conference, is expected now that the drive has begun to take hold. Exhortations are being sent out to the students of the University asking them to make their contributions to the drive.

"There were those present at the conference who were not willing to join the drive, but after the discussion, they were convinced that they should join," said Professor Mann.

The committee in charge includes: Arthur H. Lander, Vice-President; William C. Leavitt, Secretary; and Robert W. Mann, Chairman.
