To the Editor:

The news seems to be that some students have discovered the joys of basketball. I am not against basketball, but heaven knows that many of us students would be better employed if we could devote our minds to the science of government. We have been told, I think, that the country is in a much better shape today than it was a year ago, and if the students of this university are not doing anything to improve the world at a quicker pace, they are doing little enough. I am not going to argue with the students who are interested in the science of government, but I do not think that it is the business of the students to get interested in anything except their own business.

Theta Chi Takes Full Handicap

Phil Me Delta Second, Alpha Tau Omega, and the Rho Delta Second, Calvin University, filled the spots of the annual Full Track Meet Field which was held last week in Loomis. Phil Me Delta Second, holding a total of 42 points, Phil Me Delta Second, with a total of 28 points, were the winners of this year's meet.

The competition was held between the various track teams of the university, including the Phi Delta, Alpha Tau Omega, and the Rho Delta Second. The Phi Delta, holding 33 points, placed third in the meet, followed by the Alpha Tau Omega, holding 29 points, in fourth place. The Rho Delta Second, taking 20 points, placed fifth in the meet.

The meet was held to determine the track team that will represent the university in the upcoming competitions, and it is hoped that the teams will continue to perform well in future meets.

The New Hampshire Alumni Association will invite the men's and women's combined teams to the meet. It is expected that this will be an exciting event for the audience and for the participants, and it is hoped that the team will be able to perform to the best of their abilities.
