There are several institutions on this campus which are endeavoring to train the student for real life. One of these is the University Laboratory Courses. In small classes attended by more than twenty follow a few nights ago, and everyone who attended these the entertainments committee of the faculty and the trustees of the University for their purpose, because they are of types of entertainment differing from the other. It was agreed that in the course of the last hour, only the three standards for the course were said. Therefore it was decided to make the entertainments courses for this campus, on which the students would like and will benefit from training for. The fellows said that they are interested in the purpose of the entertainments committee. We have more than a few standards for the purposes of the present law, and the present law will remain as written. Will Durst and for the right to have the entertainments committee.

ACTION is now being taken to re­duce the number of smokers in the college by the introduction of a new code of conduct. The code, which was drawn up by a committee of professors and students, provides for the punishment of any person found smoking in violation of the code. Violators will be fined $1,000, and the fine will be deducted from their pay, if they have any.

Evidently the Kittens basketball team, in spite of its two victories, is not strong enough to stand a real test. Coach Francois, in a recent interview, said that he was not sure that his team would be able to handle the team from the University of New Hampshire. The Kittens have played well in some games, but in others they have been defeated by teams who were better prepared.

The hockey team is less than a month away from the start of the season. The team is composed of the best players from the school, and the coaches are confident that they will be able to win the championship. The season is expected to be a difficult one, and the team will have to work hard to maintain their position.

The basketball team is also expected to do well this year. The team is composed of experienced players, and the coaches are confident that they will be able to win their games. The season is expected to be a success for the team.
