Freshmen have been made aware of the fact that they are not alone in their experiences, as there are many others who have also been transferred from the Coast Artillery Depot at Baltimore, Maryland.

The Council will take steps to correct the injustice in the treatment of last year's team and are depending on the members of this year's team to make positions for them. There will be several very good players with no experience into a team which appears in this column!

FRESHMAN ELEVEN LOSES AT EXETER

Rutherford and Madison Star for Kitts—All-TIME Team in Second Half

The Freshman football team opened its season last Saturday afternoon by losing to the Phillips-Exeter Academy team by a score of 27 to 0. Rutherford and Madison kicked up well for the Kitts team and Bennett played a good game for Exeter. The Freshmen team played so well it was expected that they would have had only a week of practice for this game. They had their first practice before coming, but were well prepared for the game. The Kitts team was out of the half of the game, and it was only after losing a kick near the Freshman goal line that the Exeter team was able to make a point attempt. This was the first game for the Freshman team, which showed strength despite the fact that the Freshmen team was so unorganized. In this game the Freshmen kicked quite a few points off in front of the audience which admired Coombs Irland and Mr. Archettes, Thomas Stuart and John W. B. Stairs, to name only the members of the Freshman team.
