Harvard Game Plans Complete
Dance Added Attraction to Students and Alumni

More Than Thousand Tickets Sold to Support Harvard Rugby
Men's Varsity Team

Final plans for the events in connection with the New England Harvard football game which is to be held here Saturday afternoon are nearly complete. The ticket sale has been especially gratifying. More than one thousand of the pastseason's halfbacks who have already sold and applications have come in are in great numbers during the last week, according to Alumni Secretary Charles Pattee. Those who have not been able to get them at the Stadium Saturday will have until Friday, Friday, to obtain them. Those who have had no success at all will have until Friday, Friday, after which time their appeals for getting them will have to wait until just previous to the game at the Harvard Stadium Saturday evening. A slight change has been made in the plan for the dance. According to the committee the Depot and Colonial Orchestras under the direc-

At 73 of 119 Colleges Sheaffer leads in sales actuals! In this day and decade of study and training the emblem the pen must be as sound and dependable as any of the pictures of class instruction. That’s why Sheaffer’s school standing is so interesting; Sheaffer leads in sales to students at 73 of the 119 foremost American universities and colleges. One reason for this dominance is the permanence and reliability of Sheaffer’s Lifetime. So durable, so well built is this smooth-writing pen that we guarantee it with “not a cough in a carload” nature herself.

No one cigarette-maker has any monopoly on the heat-treatment of cigarette tobaccos. For heat-treating is neither new nor exclusive. It has been used for years by practically all cigarette-makers to “set” and sterilize their brands during a like period of their existence. But OLD GOLD’s “goodness” does not depend on artificial treatment. It is the product of naturally good tobaccos...carefully selected for mildness, smoothness and flavor. Tobacco made free of “throat scratch” by Mother Nature herself.

Try a package. You’ll immediately get the thrill of this smoother and better cigarette. And you’ll know then why OLD GOLD’S sales are already THREE TIMES GREATER than the combined growth of all the other cigarette brands during a like period of their existence.

Sheaffer makes them smoother and better...with "not a cough in a carload"!

The telephone was the first line of defense, for over years the work against the flood was directed. Maintenance crews performed the same service as did telephone men in the signal corps in the war. In the daily life of the nation, just as surely as in emergency, the telephone meets an ever-growing stream of demands. To do this successfully the Bell System's expansion program embraces trans-oceanic telephony through the other and under the sea, to ships at sea and planes in the air and above all, wire facilities that will carry the voice, the typewritten word, the picture to every corner of the land.

Wildcats and Harvard Meet in Holiday Game
(Continued from Page 1)

With the Vanguard of the students planning to be in Boston Friday, the football squads of 45-dean
men will leave Durham at 9 o'clock
for Cambridge in two buses.

They will eat at the Harvard Varsity
club. After the game which starts
at 3 o'clock the football men will eat
supper at the Hotel.

The tentative line up for New
Hamphire goes out by Coach
Cowell for the Harvard contest as
follows: Hawk, left end; Donovan,
right end; Jolly, left tackle; Church,
right tackle, Wright, left
guard; Bianchi, right guard; Hawken,
center; Wood, quarterback; Grant,
left halfback; Estate, right halfback;
and Shade, fullback.

Men. Shade appeared to cover five
yards to make the recovery before
Marcel could bend over to pick the
ball up. This sensational play was
followed by the most fault-free for­
ward pass of the contest. Before
making the pass, Shade was forced to
retreat a number of yards to shuck
off two or three opponents. The pig­
skin was shot over 38 yards before
falling into Wood's arms. Shade
recovered full 10 yards to register
the third touchdown.

Estate, Wood, and Woodpetersen
were successful and Wood gained
30 yards against the first team.

Schooner, right end, Wageman, nose,
Walter, left end, and Shade, fullback.

The starting lineup consisted of
Wageman, right end, Andurs, center,
Bianchi, left end, and Shade, fullback.
Substitution included Bianchi,
Gable, and Acting Captain Shade.
Estate had made the final
touchdown as another sixth down
night, the final day of the 1929
season's football games. New
Hampshire suffered several pen­
dalties from being in the final
activities of play. The opponents
were made to attack at fast pace;

Now Shade gained with the pigskin
from further scoring. The visitors
completed none.
