Junior Scholarship Funds

Several hundred dollars are raised each year for the purpose of providing scholarships for Junior and Senior students. The fund is maintained by the donation of a certain sum of money from each class. The amount of money raised depends upon the generosity of the students. The fund is used to support students who are unable to continue their education due to financial difficulties.

The at the rate of two being feverish, and thus reducing their normal rate of digestion, the boys will be saying, "Why can't I have my breakfast?"

And so the experts recommend the following:

1. Avoid the temptation of eating too much breakfast.
2. Have a light breakfast
3. Avoid fried foods
4. Avoid sugary foods
5. Eat slowly
6. Drink plenty of water

Thus, with these recommendations, we can avoid the common problem of digestion.

PRINCIPLES OF THE NEW HAMPSHIRE

What is a principle and why is it important? A principle is a general rule or statement that governs behavior or action. Principles are important because they provide a framework for decision-making and help guide our actions.

A principle can be expressed in a variety of ways, such as through a law, a moral teaching, or a religious doctrine. Principles are often used to resolve conflicts and to provide a sense of order and predictability in complex situations.

The purpose of setting principles is to provide guidance and direction, to establish standards of behavior, and to promote fairness and justice. Principles can be applied to a wide range of areas, including business, politics, law, and personal life.

In conclusion, principles are essential for guiding our actions and for maintaining order and stability in society. By following principles, we can make better decisions and live more fulfilling lives.

Plans for New Practice House
Recalls Story of Present One

By C. M. W. '31

At the semi-annual meeting held last week at the university it was voted that plans for erecting a new practice house be put in hand with the result that some economic department. The cost of the building and equipment is not to exceed $3,000.

This building is being last month when the University of Pennsylvania was carried on last year in the building of Charles Hoyt, which now houses our Alumni Association.

The draft building committee, appointed last year in the building of Charles Hoyt, which now houses our Alumni Association, has reported favorably for the immediate commencement of the work of erecting the new house. This report was submitted to the Alumni Association last week, and the plan was adopted.

It is expected that the new building will be erected during the next year and the present house will be moved to a new location.

The new building will be designed to accommodate 250 members of the Alumni Association, including officers, committees, and general members. It will be a two-story building with rooms for committee rooms, an office, a lounge, and a large meeting room.

The exterior of the building will be of brick and the interior will be finished in oak.

The cost of the building and equipment is not to exceed $3,000, and it is expected that the work will be completed within a year.

The Alumni Association is grateful to the committee for their efforts in making this project a reality.

Newspaper articles often mention the new practice house as a landmark building, and it is one of the most well-known Alumni Association buildings in the country.
