High school seniors considering a career in the hospitality management industry got a head start on their resumes this summer during the Hospitality Management Summer Program at the UNH Peter T. Paul College of Business and Economics.

Designed to introduce students to the variety of careers in the \$3.5 trillion hospitality industry, the weeklong program included lectures, site visits, and hands-on experience. Students from as nearby as Maine and as far away as New York and California attended.

Save the dates! The [Hospitality Management Summer Program](#) will be offered July 19 - 25, 2015.
