Valentine Smith

Winning Announced

Four-Year Scholarship Award

Given in Individual Contest

Fifty Students Take Competitive Exams for University's New Honor Societies Scholarship

The Valentine Smith award, the University's new honor societies scholarship, was awarded this year to Kenneth D. Rich, of Georgia, who was declared the winner of the award held September 24 and 25. Dr. Kenneth D. Rich, regarded as one of America's outstanding men in the field of political science, is a native of New Hampshire and a graduate of the University. He has been a member of the faculty at the University of Georgia for the past five years and is currently a candidate for the presidency of the American Political Science Association. He is an expert on the history and development of the political parties in the United States and is known for his research on the causes and effects of political change.

dating Rockwell. He has been a member of the Phi Delta Theta fraternity and has been recognized for his contributions to the University. He is a member of the editorial staff of the newspaper and has written articles on a variety of topics, including politics, history, and current events.

dating Rockwell, a Phi Beta Kappa student, who is a member of the editorial staff of the University's newspaper, is the winner of the Valentine Smith award. He has been active in the University's political science society and has written articles on the history and development of the political parties in the United States. He is known for his research on the causes and effects of political change.

ging Rockwell, a Phi Beta Kappa student, who is a member of the editorial staff of the University's newspaper, is the winner of the Valentine Smith award. He has been active in the University's political science society and has written articles on the history and development of the political parties in the United States. He is known for his research on the causes and effects of political change.

This year the Alumni Notes column is carried on the last page of the paper by the Eclectic. Over the years, the penmanship of many students has been recorded in these columns, and a special thanks is due to each writer who has contributed to the Alumni Notes.

Alumni Notes

This year the Alumni Notes column will be handled by the Eclectic, and any alumni who wishes to send a letter to the Alumni Notes may do so by mailing it to the Eclectic. The Eclectic will then forward the letter to the Alumni Notes editor, who will then publish the letter in the column.
